RECREATION COMMITTEE
Kathleen Bravo

REPRESENTATIVE TO SOUTHERN MAINE REGIONAL PLANNING COMMISSION

The Town is currently looking for someone to fill this position.
If you are interested please contact the Town Office

The Annual Town Report is dedicated to:

Harriet Gerry
November 21, 1917 – February 9, 2017

At the age of 99, Harriet was the oldest resident of Newfield. She served the community of Newfield as a teacher and a member of the School Committee in her early years. Harriet was an active member of her community as a member of the Methodist Church and Historical Society. Stopping by her home on Halloween was a treat, she always had fresh baked molasses cookies with raisin smiley faces. Harriet is missed dearly by her community of family and friends.

M. Joanna Moulton
May 6, 1943 – May 20, 2017

Joanna was born in Massachusetts and traveled to her family cottage on Rock Haven Lake for the summers. This where she met Allen and started their life together. Joanna was a school teacher and very active in advocating for education. Many young adults in Newfield remember Joanna (Mrs. Moulton) as their teacher or Cub Scout Den Mother. She served on the Planning Board from 1970-1974 and was a Trustee to the Ethan Stone Scholarship Fund from 2000 until her untimely passing. Joanna is missed dearly by her community of friends and family.

Shirley W. Moriarty
December 3, 1929 – October 3, 2017

Shirley was born in Massachusetts where she married and raised her family. In retirement, Shirley and Jack came to spend their life in their home in Newfield. Shirley was very active in the community as an active member of the Church, Library and Historical Society. For many years you would find Shirley and her husband Jack running the local thrift store at the West Newfield Corner. Shirley is missed dearly by her community of friends and family.

Paul E. Murphy

April 22, 1957 – November 18, 2017

Paul was born in Massachusetts and later settled in Newfield on his family's land to start his own family. Paul spent most of his life working as a registered nurse; in which he was well respected and received many awards. Paul served on the Conservation Commission for the town from 1995-1998 and was the town's Health Officer from 1997-2014. Paul was an avid sportsman and loved nature. Paul is missed dearly by his community of family and friends.

Thelma Connell

August 4, 1928 – June 1, 2017

Thelma and her husband Hampton had been visiting Newfield since the 70's. They enjoyed the area so much they decided to settle here after her retirement in the late 80's. Thelma was dedicated to her community and was a leader in fundraising efforts. Thelma had a caring and giving heart; she held countless fundraisers to help others in need. Thelma was an active member of the community helping to raise money for the Rescue and Fire Departments, Lions Club, Methodist Church, Historical Society, and the Village Library and Reading Room. During the "White elephant" sales for the Library you would find Thelma pushing the sale of homemade, donated pies and baked goods. Thelma is missed dearly by her community of family and friends.

Dear Newfield Residents;

The Newfield Select Board and Finance Committee work hard on a budget to present to you each year. The past couple of years the Select Board and Finance Committee have been trying to focus on saving for future expenditures. A couple examples include the Transfer Station upgrades account that was established last year as a way to start saving to replace the attendants building. Another example is the assessing account, where as of last year money is being set aside each year for the large expense of a town-wide revaluation coming 8-10 years in the future. Saving for these large expenses will help the town in not having to raise a large sum of money all in one year by raising taxes or taking out financing with the added costs of interest.

The Fire Department received some upgrades this year. Due to new regulations and safety mandates the SCBA (self-contained breathing apparatus) equipment needed to be updated. The Select Board worked with the Fire Department to bring the townspeople at a Special Town Meeting this past December a warrant article to authorize the Select Board to enter into a loan agreement to purchase new SCBA's. The Town was able to put a down payment of $28,000.00, of which $22,000.00 the Fire Department was able to take from their permanent account balance. Also, on the warrant at the Special Town Meeting was the article to raise the balance of the new Fire Truck tanker that arrived ahead of schedule. It was approved by the voters to raise the $48,500.00 balance from this year's taxes. With these two large purchases the Select Board and Fire Department believe it would be best to pay off the SCBA equipment before saving for the next fire truck. Once the SCBA's are paid off both agree that it is best to start saving for their replacements.

The Board wishes to extend their gratitude to the volunteers who organized another successful craft fair. The craft fair raised $2,428.22; which will be used for Town Hall renovations including adding some electrical outlets, ceiling fans, and lighting. The funds raised during the previous year's craft fair was used to have the wood floors refinished. Information regarding renting the Town Hall for a function can be obtained by contacting the Town Office at 207-793-4348 or by email at newfieldso@metrocast.net.

Our Heating Assistance fund continues to be funded by the generous donations of private citizens and social organizations. With the extreme cold weather that we received at the beginning of the winter season, the need for assistance was greater this year than in years past. With the funds donated we were able to help 21 Newfield residents heat their home this winter season. We thank all of you for making this possible.

Each year funds appropriated for Capital Improvements are used to make upgrades for the betterment of the Town. Over the past year the money appropriated for Capital Improvements has been used for a variety of purposes. The Town Office received an updated, refreshed look. New vinyl flooring was installed to replace the ripped, worn-out carpet. The office got a fresh coat of paint and the old green chalk boards are now a clean, sleek looking black. LED, energy efficient lighting was installed throughout the building and two office computer towers were replaced and software was upgraded. The Transfer Station pavement received a sealcoating and directional arrows were added. The directional arrows will help to distinguish a one-way traffic pattern and will help to improve safety and those "near-misses" rounding the corner of the compactor. New signage has arrived, which will help inform patrons of the change in the flow of traffic. A 40-yard steel container was added to replace the tractor trailer container that housed various items awaiting pick-up. New lighting was added to illuminate the area at night. A new telephone pole was added so that in the coming year electricity can be added to the Recycling Center. The Town Hall received some much needed outside lighting. Meetings, elections and functions will now be able to have an illuminated area when leaving after dark.

Plans for the coming years' Capital Improvement funds include improvements and restoration of the town buildings. The bathroom facilities at the Town Hall, Town Office, and Public Safety Building will be upgraded so that they meet handicap accessibility rules. The PSB roof will need to be replaced, due to the leak. With the age of the roof it would be more cost effective to replace rather than repair an aged roof. Once the roof is replaced, the painting of the bathroom, hallway and meeting room will be completed. The parking lot is in need of pavement, but the Board is also looking into whether having a concrete apron would be a better alternative to tar. The trucks drive in and out of the building on the same tracks and create indents; the idea is the concrete would be more durable. The Town Office has had some water issues this past year in this extreme cold. Many people might not be aware that the water for the Office comes from the old Fire Station. A well will be drilled to help in preventing these problems in the future. The landscaping at the Town Office has really deteriorated over the years, so we hope to give the outside of the office a warm and welcoming look.

We encourage all residents of Newfield to participate in all areas of our Town. Volunteers are needed to serve on our Planning Board, Appeals Board and Recreation Committee. We are also looking for representatives to serve on the Saco River Corridor Commission (SRCC) and Southern Maine Planning and Development Commission (SMPDC). The Select Board meets on every other Tuesday evening at the Public Safety Building starting at 6:00 pm. All meetings are open to the public, and we encourage all to attend.

Lastly, the Select Board wishes to extend their appreciation to the many volunteers that help to make our town operate on a daily basis. We cannot THANK YOU enough for your dedication and generosity to your community.

Sincerely,
Newfield Select Board

James McLaughlin | Jeffrey Cuevas | Shelly Gobeille

128th Legislature
Senate of Maine
Senate District 33

Senator David C. Woodsome
3 State House Station
Augusta, ME 04333-0003
(207) 287-1505

Dear Friends and Neighbors:

I would like to thank you for the opportunity to represent you in the Maine Senate. It has been an honor to work on your behalf to make our state an even better place to live, work and conduct business.

On August 2, Maine lawmakers finally adjourned for the year, after what proved to be the longest session in recent memory due to a brief government shut down over budgetary disagreements. While no state budget is ever perfect, the end product was a state budget that makes a record investment in our students, supports our communities and will tremendously benefit small businesses and our economy.

Perhaps the most significant action the Legislature took last year, as part of the biennial budget, was the removal of the burdensome, job-killing surtax that was already hurting small businesses, doctors and other professionals that we so critically need. In November 2016, voters sent a clear message that education funding was to be a priority of the 128th Legislature, and we heard that message loud and clear. However, the funding mechanism which was included in the measure – the surtax – presented a serious threat to the state's economy. This new tax gave Maine the ominous distinction of being the highest-taxed state in the country and primarily impacted small businesses, which are the backbone of our economy, taxing them at a rate that is higher than larger corporations are subject to pay. I am proud to say that after much hard work and negotiating and thanks to our rebounding economy, we were able to support our local schools at a level we have never been able to before – without any additional taxation.

The Homestead Exemption, which provides much-needed property tax relief for homeowners, was also preserved in the budget with an increased exemption of $20,000.

The Legislature also passed a measure to make Maine compliant with the REAL ID Act. As a result of this important new law, the federal government has granted Maine a waiver, meaning that Maine citizens can continue to use their driver's licenses to board commercial airplanes and access certain federal buildings.

While we accomplished much, there is still a lot of work ahead of us next session. Again, thank you for putting your trust in me to represent you in Augusta. Please feel free to contact me if you need help in navigating the state bureaucracy. I can be reached at home at 432-5643, in Augusta at 287-1505 or by email at dcwoodsome@gmail.com. Thank you for allowing me to be your senator.

Sincerely,

David C. Woodsome

Senator Dave Woodsome

SUSAN M. COLLINS
MAINE

United States Senate
WASHINGTON, DC 20510-1904

Dear Friends:

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our State have placed in me and welcome this opportunity to share some key accomplishments from this past year.

Maine has the oldest average age in the nation. As Chairman of the Senate Aging Committee, my top three priorities for the Committee are fighting fraud and financial abuse directed at our nation's seniors, increasing investments in biomedical research, and improving retirement security. Following the Committee's investigation into skyrocketing prescription drug costs, I authored bipartisan legislation to foster generic competition, which was signed into law. The Aging Committee's toll-free hotline (1-855-303-9470) makes it easier for seniors to report suspected fraud and receive assistance. To support the 40 million family caregivers in the United States, I am proud to have authored the RAISE Family Caregivers Act to create a coordinated strategy to support family members who make countless personal and financial sacrifices to care for their loved ones.

The opioid crisis touches families and communities across our state. As a member of the Appropriations Committee, I fought for significant increases in funding to support community, law-enforcement, and public health efforts. In April, the State of Maine was awarded over $2 million to fight this devastating public health crisis. Additionally, I have authored legislation to support grandparents and other extended family members who are raising grandchildren as a result of the nation's opioid epidemic.

Biomedical research has the potential to improve and save lives, and also supports good jobs at research facilities here in Maine. Last year, the Appropriations Committee approved a $2 billion increase for the National Institutes of Health for the third consecutive year. This includes an increase of nearly 30 percent for research on Alzheimer's, our nation's most costly disease. As founder and co-chair of the Senate Diabetes Caucus, I work to raise awareness of the threats posed by diabetes, invest in research, and improve access to treatment options. My bill to establish a national commission of health care experts on diabetes care and prevention was signed into law in 2017.

We owe our veterans so much. Last year, I worked to secure the authorization of a Community-Based Outpatient Clinic in Portland to support the health care of Maine's veterans in the southern part of our state. I also worked to secure funding extensions to help veterans throughout rural Maine receive health care within their communities. I also worked to secure funding for housing vouchers for veterans to reduce veterans' homelessness.

Maine's contributions to our national security stretch from Kittery to Limestone. I successfully advocated for critical funding for projects at the Portsmouth Naval Shipyard for construction of an additional ship that will likely be built at Bath Iron Works. This funding will strengthen our national security and preserve great jobs in our state.

As chairman of the Transportation and Housing Appropriations Subcommittee, I worked to increase funding for the TIGER program that has provided Maine with more than $122 million for vital transportation projects. For housing, I worked to provide $160 million to help communities protect children from the harmful effects of lead poisoning.

Growing our economy remains a top priority. I supported the comprehensive tax reform bill because it will help lower- and middle-income families keep more of their hard-earned money; boost the economy; and encourage businesses, both small and large, to grow and create jobs here in Maine and around the country. This legislation contains key provisions I authored that are important to Mainers, including preserving the deduction for state and local taxes, expanding the deduction for medical expenses, and enabling public employees such as firefighters, teachers, and police officers, as well as clergy and employees of nonprofits, to make "catch-up" contributions to their retirement accounts. I led the effort to ensure that the tax cut will not trigger automatic budget cuts to Medicare or any other programs.

A Maine value that always guides me is our unsurpassed work ethic. As of December 2017, I have cast more than 6,500 consecutive votes, continuing my record of never missing a roll-call vote since my Senate service began in 1997.

I appreciate the opportunity to serve Newfield and Maine in the United States Senate. If ever I can be of assistance to you, please contact my York County office at 207-283-1101 or visit my website at www.collins.senate.gov. May 2018 be a good year for you, your family, your community, and our state.

Sincerely,

Susan M Collins

INTELLIGENCE
RULES AND ADMINISTRATION

January 3, 2018

Dear Friends,

Representing Maine in the United States Senate is an honor.

I continue my work on the Senate Armed Services Committee, each year authorizing the funding required to build our military capabilities and ensuring that our service members are trained and equipped to defend our nation. I was pleased to be part of a bipartisan effort to enact a new law to simplify the appeals review process to reduce the backlog our veterans are facing, as well as a new law that provides critical funding to the VA Choice Program, allowing veterans in rural Maine to access services closer to home.

While my committee work is important, working to combat the opioid epidemic is one of my top priorities. Although Congress has made some important strides, much remains to be done to provide additional funding for prevention, treatment and enforcement. I am working with colleagues on both sides of the aisle to pressure the Drug Enforcement Administration to reduce the amount of opioids produced and to thwart the flow of fentanyl and other deadly drugs into our country.

I am very optimistic about the integrated, multiagency effort I led with Senator Collins to foster innovation and commercialization in Maine's forest economy. Through the Economic Development Assessment Team (EDAT) we are already experiencing increased federal investments that will strengthen our existing forest products industry and help support job creation in rural communities. Initiatives like Cross Laminated Timber, Combined Heat and Power, nanocellulose, 3D printing with biobased materials and other biobased products will mean that Maine's wood-basket will continue to be a major jobs and economic contributor for our future.

Finally, the coming year will continue the work of the Senate Select Committee on Intelligence in the ongoing investigation of Russian interference in the 2016 election. Our Committee has held seven public hearings and numerous classified sessions, reviewed tens of thousands of pages of documents and conducted hundreds of interviews. I remain focused on the security of our elections and committed to developing strategies to prevent interference by foreign governments in our democracy.

May 2018 be a good year for you, your family, your community and our great State.

Best,

Angus S. King
United States Senator

Sallie Chandler

York County Commissioner

District 1

salliebc@metrocast.net

(207) 457-2197

County of York Commissioners Office

Thanks to sound management, the County continues to provide excellent services to our towns, cities and citizens. We have been able to keep tax increases to cities and towns below two percent despite increases in the rate of inflation and health costs.

The Board of Commissioners continues to support the Contract Deputy program. The Sheriff's Department patrols nine of the twenty-nine towns in the County. Our rural patrol provides the level of protection required by State Statute. If your town decides that a higher level of protection is wanted, the citizens may vote to contract a deputy from the Sheriff's Department. The Maine State Law requires that the county recoup the full cost of the program from the municipalities.

The County Animal Response Team is entering its third successful year with a strong volunteer base of thirty people. The York County team is the largest and most active team in the State.

The County is committed to recognizing community service and held the second Spirit of America awards ceremony in November. Nine citizens and one group were recognized for their commitment to their communities and volunteerism. If in your town you have someone to nominate please contact Bruce Flaherty at bwflah@gmail.com

The food pantry in conjunction with The York County Shelter is open. This will provide vital services to those who suffer from food insecurity. York County is proud to be a partner in this endeavor.

The Layman Way Recovery Center is on track. The Recovery Center is aimed at treating the many addictions that folks suffer from. Planning is going well and with the help of the budget committee we are anticipating an opening on April 1.

In conjunction with the Sexual Assault Response Services of Southern Maine (SARSSM) York County opened the Child Advocacy Center of York County. This is a vitally important service to children who have suffered sexual abuse and trauma. This group is housed in the courthouse basement.

Respectfully Summitted

RSU 57 prepares respectful, responsible and creative thinkers for success in the global community.

January 2018

To: Newfield Selectmen
From: Larry Malone, Supt. of Schools

I am pleased to report to your community the state of our schools. The information provided will be for the current 2017-2018 school year and is inclusive of all schools and will include specific information pertaining to your community.

Curriculum and Instruction: The primary purpose of any school district is educating all students to be ready for a future of living productively in a democratic society. Students must be able to examine and apply their learning in various learning situations; many of those situations will be novel and will require them to apply critical thinking, reasoned decision-making, and collaborative communication skills in order to be successful.

We are committed to providing more learning experiences that are authentic in nature, allowing students to connect with their interests and to help them discover new interests and talents that will guide them into new opportunities. This commitment to educating requires us to think about the delivery of those experiences and obligates us to guide learning through an alternative means of assessment. Areas that have been a recent focus of the district include; assessment, literacy, and Maine's Guiding Principles.

The District will continue it's commitment of improving communicating students' learning progress in a manner that is informative and easily understood, as well as in a way that helps all stakeholders know what the next steps in the learning process should be. We are currently transitioning to a new management system that will be fully available to all levels in the Fall of 2018. We are hopeful that this change will address the needs expressed to us by our constituents.

Finance and Budget: The Board begins their budget development for the FY19 school year in January. The budget is annually developed based on district goals, needs as expressed by state and federal requirements, staff assessment of necessities to implement the desired outcomes, facility plans, and consideration to local conditions. It is important to convey that the State has made some significant changes to the existing funding formula, and the impact to the District is unknown at this time.. The Finance Committee will meet weekly over the next few months to prepare a budget for Board consideration. Historical budgets adopted by the Board and approved by the RSU #57 community has consistently proven reliable and on target.

Facility and Maintenance: The Board and Finance Committee continue to review and update their annual and five year maintenance plans to ensure that the District's aging buildings are both properly and proactively maintained. Our staff makes sure we utilize our maintenance budget as efficiently as possible and keep unexpected repair costs to a minimum. The District continues to ensure that the buildings are well maintained through a structured approach to upgrades on roofing, leach fields, air and water quality, heating and ventilation systems and windows. In addition, the Finance Committee has developed a strategic plan to address improvements to the District's athletic facilities, roadways and parking lots. The vast majority of these projects are performed through the annual school budget and the capital reserve fund. It is through this very strategic approach that the District has been able to control repair and replacement costs and be as efficient as possible in using your local tax dollars.

Enrollment: The total enrollment for RSU #57 was **3,037** students in grades Pre-kindergarten through 12 based on the October 1 count. A total of **174** students from **Newfield** represent **6%** of the total district enrollment:

Alfred Elementary School (K-5)	0
LINE Elementary School (PK-5)	95
Lyman Elementary School (K-5)	0
Shapleigh Memorial School (PK-5)	1
Waterboro Elementary School (K-5)	0
Massabesic Middle School (6-8)	32
Massabesic High School (9-12)	46

The total General Fund Budget for the 2017-2018 school year for RSU #57 is **$40,415,936.** The Town of **Newfield's** local portion of this budget is **$1,899,520,** which equals **7.76%** of the total local tax assessment and represents an increase in **Newfield's** local tax of **$86,044** or **4.74%** over the 2016-2017 assessment. The district per pupil expenditure continues to be one of the lowest in the state, while the instructional programs and services continue to meet the needs of the students.

Educating our children is a cooperative effort between school and community. We welcome your participation in this process. School Board meetings are held on the second and fourth Wednesday of the month at 7:00 p.m. and a schedule of meetings can be found on our website or you can contact RSU #57's Central Office and we can provide this information. Additionally, the District Budget Meeting will be held on Tuesday, May 15, 2018 at the Massabesic Middle School at 7:00 p.m. in the cafeteria. We hope you can attend.

In closing, I would like to thank the communities of RSU #57 for the support provided, enabling us to provide quality experiences aligned to our educational purpose.

Respectfully submitted,

Larry Malone
RSU #57 Superintendent of Schools

Newfield Library and Reading Room

Financial Report for the year ending December 31, 2017

The Newfield Library would like to thank the Town of Newfield for the donation of $2500.00 for the year 2017.

We would like to request a donation of $2500.00 for the year 2018.

During the year 2017, we paid $380.00 to MMG Insurance Company for coverage on the old library and on our current library.

Many thanks to Cheryl Cause, Librarian. She works without pay, keeping our inventory updated and helps raise money with our members to keep this library open and available for our town and surrounding areas.

Financial Summary for the year 2017

Beginning Balance	$2514.78
Town Donation	$2500.00
Income (Raffles, dues, pie sale, donations	$2303.29
Books, CDs, Movies, Etc.	$4713.87
Ending Balance	$2604.20

Respectively submitted by Cheryl Nightingale, Treasurer

TOWN OF NEWFIELD • MAINE

INCORPORATED
FEBRUARY 26, 1794

CODE ENFORCEMENT OFFICER
2017

To the citizens of Newfield:

Here we are with an ongoing new year with hopes of it being a good one. New challenges to face and issues to deal with. But, we can handle it if we all work together.

To start with, I would like to see those 911 numbers show up better on your homes or on your mail boxes or even on a post beside your driveways. These numbers issued to you (Street address numbers) are not just for you to get mail. They are to the show emergency vehicles i.e.; fire trucks, ambulances or police department your location. If they cannot see your numbers, then they are unable to help you. These numbers do save lives, so get them visible.

As your Code Enforcement Officer, one of my responsibilities is making sure that the safety of all the citizens is met. Aside from the usual things like ensuring your smoke and carbon monoxide detectors are working; chimneys are getting cleaned and keeping those combustible items from your heating units. There is another issue that has been becoming a safety problem, that is Hoarding. This is a collection of various items and placing them in your path within your home blocking the way that you would need to travel to exit in case of a fire or block the area so emergency personal cannot reach you. Keep your paths of travel clear.

Make sure you get your required permits for your projects.

Permits issued for 2017:

Building Permits (43)

New homes- 7	Additions- 7	Garages- 3	Business- 1
Mobile homes- 2	Decks- 3	Lean-To- 3

Town of Newfield

Planning Board Annual Report for 2017

The Newfield Planning Board is a Board currently consisting of five permanent members and one alternate. During the 2017 year the Planning Board acted upon all applications in accordance with the Land Use & Zoning Ordinances. During the course of the year the Planning Board assisted many residents of the town seeking information to clarify zoning ordinances.

The Planning Board amended the Humphrey's Conditional Use permits for a mobile food unit. The Board started working with SMPDC and selectmen for the Town's Comprehensive Plan. The Board continued working on the ADU Ordinance and also held Public hearings for Accessory Dwelling Units (ADU) & the Marijuana Ordinances. A review of the application and a site walk was conducted for the Tall Pines minor subdivision on Staples Road.

The Board continues to work on updating the Newfield Land Use Zoning book and the task of updating the Comprehensive Plan, during their regularly scheduled meetings. Monthly meetings begin with small groups working on the Comprehensive Plan and public participation is strongly encouraged. The absence of public participation is hindering the completion of the Comprehensive Plan. Public participation is a critical part of the process in updating the Town's plans. You may be approached by a Board member asking for your input and service.

The Board meets the first Wednesday of every month at the Public Safety Building.

Respectfully Submitted,

Newfield Planning Board

NEWFIELD VOLUNTEER FIRE DEPARTMENT
85 WATER STREET
P.O. Box51
WEST NEWWFIELD, Maine 04095

Dial 911 for Emergencies Business 207-793-2330

The Members and Chief would like to thank the people in our community for their loyal support to the fire department. It has been a difficult year, the new mandates said we had to upgrade our SCBA'S. We worked with the select people to come to a solution so we could update our SCBA'S, I would like to thank the select people for their effort in helping us to do this, it shows that if we all work together we can get the job done.

We did repair the hydrant on Water Street just east of Bridge Street. We will installing a new hydrant on Elm Street in Perry Pond this year. All the hydrants are up and working now.

The Newfield Vol. Fire Department still has a strong membership with the average of 25 Vol. Firefighter. They are all very supportive to the department and we are one of the last Vol. Departments left in York County.

The fire department received it's new tanker back in Dec. 2017. We will be having an open house so people can come out to see the new tanker and talk to the members. This will happen when the weather warms up.

We need help from people that can write grants, there are a lot to be had , just need a good grant writer.

PLEASE HAVE YOUR HOUSE NUMBERS WHERE THEY CAN BE SEEN, WE STILLHAVE A BIG PROBLEM IN TOWN WITH THIS. THANK YOU. Change your batteries in your smoke alarms spring and fall during day light savings time.

AGAIN THANK YOU FROM ALL AT THE NEWFIED VOL. FIRE DEPARTMENT.

RESPECTFULLY SUBMITTED

Chief David Neville

Newfield Rescue Squad

Volunteer

2017 marked the 40th year of service for the Newfield Rescue Squad. The year was marked with changes and challenges that are part of this evolving world in which all of us must live and work.

The per diem manning of the station has made a huge difference in responses to daytime emergencies. Unfortunately, there are times when a second person is not available to drive the ambulance. The problem is a 24-hour, 7 day a week, 365 days a year problem. For 39 years Newfield Rescue functioned as all volunteer. Those days seem to be fading further and further away. A vast number of families must work two jobs to support their family and just to maybe get ahead. Another issue is many of the young people looking to establish a career in EMS look at the initial and daunting continuing education requirements and become discouraged. It is especially hard on people in EMS to meet the training and time commitments for a volunteer or part time organization when other towns are employing full time personnel who can earn a living while doing the same job they love.

The number of calls for 2017 remained almost the same as 2016. The difference being the number of transported patients dropped, therefore, the amount of billable calls also dropped, which in turn affects the funding of the squad.

In 2017 the rescue squad was able to update some equipment including the purchase of a new power stretcher for the lead ambulance. We also purchased two new ice water rescue suits to replace two of the older ones that had become leaky and were unfit for service. In 2018 the squad is hoping to replace one of the two Zoll "E" Series cardiac monitor/defibrillator with one of the new "X" series units. The "E" series is nearing the end of its certifiable life span and will soon be out of service due to changing requirements of the medical control board and newer technology.

Finally, I decided I would not run for chief of the Newfield Rescue Squad in 2018. As of 1/18/18, the reins were passed to Nick Santangelo as chief and to John Moulton as assistant chief. I hope that everyone in Newfield will join me in wishing Nick and John the best of luck and give the support they need and deserve to keep the Newfield Rescue Squad a top of the line lifesaving organization. For 40 continuous years as chief of the Newfield Rescue it has been both an honor and a privilege to serve the citizens of Newfield. I appreciate the support of the town's people and wish you all the best of health and safety in the future. Special thanks to all members of the Newfield Rescue Squad, past and present, for their dedication and sacrifice. The Newfield Rescue has shown how much people will give of themselves to support and serve their fellow citizens. And there is one person in my life who made my contribution to the rescue squad possible through her unwavering support, dedication, and personal sacrifice. My wife, Hazel, has been there to support me with love and understanding.

NOTICE TO DOG OWNERS

All dogs 6 months or over are required to be licensed as of December 31, 2017.
Applications for licenses after January 31, 2018 must be paid to include a late fee of $25.00 per dog. No license shall be issued for any dog without a Valid State of Maine Rabies Immunization Certificate given by a licensed veterinarian within 730 days preceding the date of application. If spayed or neutered, certificate must be presented.
You can now register your dog/dogs online –
https://www1.maine.gov/cgi-bin/online/dog_license/index.pl

Respectfully submitted,
Justine M. Perkins, Town Clerk

TOWN OF NEWFIELD
2017 ANIMAL CONTROL ANNUAL REPORT

Missing dogs and cats is still my number one call during the year. You will be reunited with your pet if the pet has a chip, rabies tag or owners name and address on collar; if ownership cannot be established then your pet will go to the shelter.

In addition to missing dogs and cats I deal with animal abuse complaints, by both individuals and the Stae of Maine, rabies reports, dangerous dog complaints, dog bites with attacks on both humans and other domesticated animals.

Licensing your dog is a State of Maine law, you will pay your dog license at the town office and you must provide proof of current rabies vaccination. To those of you that annually license your dogs, thank you, having them vaccinated against rabies protects your pet, you, your family and the general public from this deadly disease.

You can call me at 207-459-0369 leave me a voice mail and I will respond as soon as I am able.

Sincerely,
Wade E Andrews
Newfield Animal Control Officer

WARRANT

To Nichole Hubbard, a resident in the Town of Newfield, in the County of York and the State of Maine

GREETING:

In the name of the State of Maine, you are hereby required to notify and warn voters of the Town of Newfield in said County, qualified by law to vote in town affairs, to meet at the Newfield Town Hall, 23 South Effingham Road, in said town, on Saturday, the 10th day of March, A.D. 2018 at 10:00 o'clock in the morning, then and there to act on the following articles, to with

ARTICLE 1. To choose a Moderator to preside at said meeting.

ARTICLE 2. To elect by secret ballot, one Select Board Member and one School Board Director.

ARTICLE 3. To vote by secret ballot to see if the town will vote to Overturn the Ordinance Prohibiting Retail Marijuana Establishments and Retail Marijuana Social Clubs in the Municipality of Newfield.

The polls shall be opened at 10:00 o'clock in the morning and close at 2:00 o'clock in the afternoon.

The meeting will be resumed at 7:00 o'clock in the evening to act upon all remaining articles at the Newfield Town Hall, 23 South Effingham Road, West Newfield, Maine.

ARTICLE 4. To see what sum the town will vote to raise and appropriate for winter maintenance on the highways for the town for the year ensuing.

Recommendation of the Finance Committee and Select Board: $165,000.00. Take $165,000.00 from Excise Tax. (2017-$147,000.00)

ARTICLE 5. To see what sum the town will vote to raise and appropriate for sand and salt for the highways for the town for the year ensuing.

Recommendation of the Finance Committee and Select Board: $40,000.00. Take $40,000.00 from Excise Tax (2017-$40,000.00)

ARTICLE 6. To see what sum the town will vote to raise and appropriate for the ordinary repair of town roads and bridges for the year ensuing.

Recommendation of Finance Committee and Select Board: $45,000.00. Take $45,000.00 from Excise Tax (2017 -$40,000.00)

ARTICLE 7. To see what sum the town will vote to raise and appropriate for the application of hot top on new road construction, resurfacing old roads and parking lots; and shouldering.

Recommendation of the Finance Committee and Select Board: $140,000.00. Take $27,168.00 from Excise Tax, take $92,832.00 from Local Road Assistance and raise $20,000.00. (2017-$140,000.00)

ARTICLE 8. To see what sum the town will vote to raise and appropriate for grading and fill where necessary on the main artery fire roads for the year ensuing.

Recommendation of Finance Committee and Select Board: $8,000.00. Take $396.25 from Excise Tax and raise $7,603.75. (2017-$8,000.00)
