Complete Description of the Project:

Please draw the approximate location and design of your current structure relative to your property. Then, with a different color pen or pencil, draw in the proposed additions and/or changes.

Property Line

Suggested 5-foot increments within grid, however, use whatever best suits your needs.

“There shall be submitted with all applications for building permits two copies of a layout or plot drawn to scale showing the actual dimensions of the lot to be built upon, the exact size and location on tile lot of the building and necessary to determine and provide for the enforcement of this ordinance.”
