* All new manufactured housing or relocated manufactured housing must be installed by a **“HUD LICENSED INSTALLER.”** You need to submit a copy of the license of the HUD licensed installer. Upon completion of installation the HUD licensed installer is to complete the appropriate statement or HUD code 309-most current version for a new home. For a relocated manufactured house, you will need to submit a copy of the Habitability Checklist for relocated Manufactured Homes, completed by the permit applicant prior to issuance of the UCC permit for relocation & installation of the manufactured house. We need a copy of the completed certification.

Provide the following approvals along with this application and plans (as applicable)

- Copy of zoning permit obtained from Municipality and/or County: Copy of issued sewage permit- obtained from Municipal Authority or Sewage Officer Copy of driveway permit (either issued by municipality or by PennDOT) Copy of approved stormwater plan, as per the adopted ordinance for municipality

These documents shall be submitted prior to review of the building permit application If your municipality does not have any of the regulations above, please note those below:

Please read the below statements prior to signing:

- The Applicant certifies that all information on this application is correct and the work will be completed in accordance with the "approved" construction documents and PA ACT 45 (Uniform Construction Code) and any additional approved building code requirements adopted by the Municipality. The property owner and applicant assume the responsibility of locating all property lines, setback lines, easements, right of way, and flood areas. Issuance of a permit and approval of construction documents shall not be construed as authority to violate, cancel or set aside any provisions of the codes or ordinances of the Municipality or any other governing body. The applicant certifies he/she understands all the applicable codes, ordinances and regulations. Should it be determined that any of the information on this application be false, said application and/or building permit will become null & void.

2. **CODE COMPLIANCE.** The Uniform Construction Code, and the latest addition of the International Residential Code for One and Two Family Dwellings, with possible modifications for Local Code Administrations, shall govern the construction under this application as well as any and all drawings/plans submitted with this Application. In the event of conflict between the design of the drawings /plans submitted and pertinent codes and regulations, the more stringent provisions shall govern construction.

3. The authority of a third-party agency exists as a result of a contract approved by the governing body of the municipality, or as a result of an intermunicipal agreement under 53 Pa.C.S. Ch. 23 Subch. A entered into by the municipality.
 An applicant may inform the governing body of the municipality of complaints about a third-party agency's services, including reports of incompetence or gross negligence, a failure to abide by a time period specified under this act, rude or unprofessional behavior or discrimination based on personal bias against the applicant.
 The Department certifies third-party agencies and investigates complaints about service, including complaints due to violations of this act, incompetence or gross negligence, fraud, deceit or acts of moral turpitude.
 The Department has a publicly accessible internet website which includes the form for filing a complaint about service under subparagraph (iii)

4. **No work may be concealed from view until it has been approved by McMillen Engineering Inspector.** I fully understand that it is my responsibility to call for the inspections and that, if inspections are not made according to this procedure, I may be in violation of the UCC and may be subject to prosecution. The Building Code Official shall not accept an inspection from any inspector other than the approved Third Party Agency (it is illegal to accept the inspection(s) from those not approved/appointed by the Municipality). *I am aware that any work not inspected or not corrected will be noted on the Final Inspection Certificate and Occupancy Permit.*

5. **The building permit must remain on the construction site at all times.** If the Building Permit is unavailable for the Inspector to sign off on at the time of an inspection, said inspection will need to be rescheduled and a re-inspection fee will apply.

6. I also understand that no one may occupy the structure (or portion thereof) until a *Certificate of Occupancy* has been issued.
