Public Comments:

Rose King, 3427 N. Michigan, asked a couple of questions regarding code enforcement. Discussion followed.

Director Comments/Updates:

Oatten informed the board that the crosswalk on Skyhaven had been completed.

Oatten stated that through inter-departmental collaboration, new shut-off day procedures would go into effect December 1. In the past, when a resident came into the office to pay to have their water service reinstated after being shut-off for account delinquency, our DPW laborer would go right over to the home and turn it back on. The new procedure requires the resident to make an appointment (between 1:00 and 4:00 p.m.) to have the water turned back on. By doing so, the DPW will have all turn-on appointments between those hours and the Township will get away from the costly running back and forth every time someone comes in to pay. Discussion followed.

Discussion was held on the cost-saving measures of switching the Township's cell phone provider.

Board Comments:

Fritz requested a listing of the cost-saving measures the Township has put into place over the past year.

Adjournment:

It was moved by Riley and supported by Dudek to adjourn. There being all ayes, the meeting adjourned at 7:53 p.m.

Respectfully submitted,

Jerry W. Fritz, Clerk
