

RESOLUTION 2007-24

WHEREAS, there is a growing public use of credit cards for the payment of consumer expenses and debts, and

WHEREAS, the City of Central City wishes to provide convenient payment options for our utility customers,

NOW, THEREFORE, BE IT RESOLVED as follows:

- 1) The City shall initiate the availability of Visa, Mastercard and Discover card transactions for the purpose of making utility billing payments.
- 2) That such credit card transactions shall be made in person, at City Hall, during regular business hours.
- 3) That the amount designated on the utility billing statement as "Pay this Amount Before the 10th" shall be the balance due for any current payments made with cash, by check, or by ACH transfer.
- 4) That the amount designated on the utility billing statement as "Pay this Amount After the 10th" shall be the balance due for any late payment made with cash, by check or by ACH transfer or for any current balance payment made by credit card.

PASSED AND APPROVED this 14th day of January, 2008.
