

**Cherokee Regional Library System  
Permanent and/or Temporary Attachments To/  
Changes in the Structural and Decorative Elements  
of Library Buildings.**

No person, group of persons, or organizations that are not staff or boards of the libraries may make any permanent and/or temporary changes or improvements to the structure, inside or out, or to the decorative elements of the public library buildings in the Cherokee Regional Library System until such proposed changes have been approved by the Cherokee Regional Library Board of Trustees or its designee(s).

Persons proposing the changes or additions must provide a written description to the Cherokee Regional Library Board. The Board may require further documentation or drawings.

Decisions on proposed additions or changes will be made at regularly scheduled board meetings unless the Director deems the situation urgent. Emergency repairs that involve changes may be approved by (the Director) *or* (the Building Committee of the Cherokee Regional Library Board) *or* (the Director and the Chair of the Regional Library Board).

Temporary exhibits organized and scheduled by the library managers to be placed in the libraries for a specified period of time are accepted.
