

## **Cherokee Regional Library Public Notices Procedures**

The Cherokee Regional Library System permits the posting of notices, advertisements, promotional materials, brochures, or flyers advertising activities or services sponsored by non-library groups only in designated areas, specified in each branch. All such literature shall be restricted to these areas. The location of such materials will be at the discretion of the library staff, and materials placed without permission of the library will be discarded. Staff may remove items which are deemed to be inappropriate under these guidelines, out of date, or otherwise no longer useful.

Materials which advocate the election or defeat of a candidate for public office, or which advocate an affirmative or negative note for or against any proposition, whether political or otherwise, may not be displayed or distributed.

No organization or individual shall be permitted to place in the Library a box, receptacle, or canister which solicits donations, nor shall any poster or display be permitted which advocates or solicits consideration of any product or item sold.
