Re: Four Suspects arrested for Unauthorized Entry

On Tuesday- February 17, 2016 at approx. 6:00pm Mansfield Police were notified of an incident in the 600 block of Chamberlin Street involving four suspects having entered a residence without the homeowner's permission. Upon arrival, Officers discovered the homeowner was in a back room of her residence and heard a noise coming from the front of the house. When she went to the front room she discovered four subjects had entered her residence through an unlocked front door. When the suspects realized someone was home they immediately ran from the residence. Officers responded to the scene, and with assistance from the De Soto Sheriff's Office was able to set up a perimeter around the neighborhood.

The four suspects were located running in a wooded area behind the 600 block of Herndon. After a brief foot chase, three of the four suspects were apprehended in the woods. The fourth suspect was later identified and located at a residence on Pegues Street. He too ran from officers when approached but was quickly apprehended near the railroad tracks on Pegues Street.
