CONSTRUCTION/DEMOLITION

All construction/demolition debris must be weighed. Scale IN and OUT. Sign the ticket when you scale out. Cost is \$40.00 per ton. NO TRASH IN C/D SITE!

NOTE: Effective May 1, 2011, all charge accounts at the Cloud County Transfer Station will be DUE UPON RECEIPT OF STATEMENT! If your account becomes past due, you will be put on a cash/check only basis at time of disposal for one (1) year. Your drivers will need to verify that they have the funds to pay for disposal of the load. Failure to provide proof of cash/check will result in a refusal to unload at the Transfer Station.

The Transfer Station will no longer be able to charge to a second party unless prior approval has been given and an address is provided. Failure to do so will result in the Contractor being responsible for the amount due. All tickets are to be signed with a printed or written signature.

Remember – you are responsible for separating and unloading at the correct sites. If you have any questions, please ask an employee at the Transfer Station.

TRASH, SHEETROCK, LOOSE C/D – TARP OR NET
