

# NOVEMBER 2023 OPEN HOUSE SUMMARY

The City of Victoria, in partnership with Carver County and MnDOT held an open house in November 2023 to share and collect feedback on the design concepts for the Hwy 5/11 Downtown West Improvement Project. Materials and feedback opportunities were also available on the project website. The following is a summary of the feedback we heard.

~20 COMMENTS

~50 ATTENDEES

## WHAT'S NEXT?

Following the open house, the project team will use this feedback to inform the next steps in the design process. Another open house will be held sometime in spring/summer 2024 to share the proposed design and details on construction staging.

Bookmark the project webpage for more information on the project and upcoming engagement opportunities!
