### North Pocono Planning Association

Elmhurst neighbors: your voice shapes our future! Eight local municipalities are drafting one regional plan, and we need your ideas on housing, roads, open space, and jobs. The survey is quick (about five minutes) and completely anonymous. Use the QR code here, or visit [northpoconoplan.com](http://northpoconoplan.com) for more information.

### WARNING TO ALL RESIDENTS REGARDING TANK PUMPING

If you request your tank be pumped and it is found to have wipes, cigarettes/butts, grease, sanitary products, or high phosphorus detergent build-up while being pumped, residents will be responsible for hauling and disposal of the waste. Also, if your tank requires pumping, you are responsible to have both the vent pipe and clean out pipe exposed before you can contact the Sewer Authority. The Sewer Authority will not respond to requests without the pipes exposed.

### NOTICE

The International Property Maintenance Code requires that all premises and exterior property be maintained free from all weeds or plant growth in excess of eight (8) inches. Let's keep Elmhurst a beautiful township for all who visit us and for those who live here.
