The Main Street Program focuses on downtown revitalization with a focus on historic preservation. This photo was taken during Audie Murphy Day, an annual Main Street event.

Notice the flowers (made possible by the downtown median irrigation system), as well as the banners, trash cans, and gazebo. The historical marker was a Main Street project.

As a Main Street America™ Accredited program, Farmersville, Texas is a recognized leading program among the national network of more than 1,200 neighborhoods and communities who share both a commitment to creating high-quality places and to building stronger communities through preservation-based economic development.
