Ben White explained to the board how Darrell met the requirements. John Young stated that he liked the project. Ben White stated that the City would be supplying all materials for this project.
- Discussion on Brochure or Flyers for Dedicating swings and park bench etc. Ben explained things get weird when you put peoples' names on them. It makes it hard to upgrade, etc. because they become sacred.

Suzie ask if there is a need for this and maybe we need to take an inventory on the park equipment we already have.

E. Discussion on Basketball and Tennis Courts for Recreation Area

The board discussed the thoughts of a Recreation Center and at this time the City does not have the funds to build. It is something that board would like to keep in mind for the future maybe team up with Farmersville ISD. Suzie would still like to see Basketball Courts and John stated Ramblers Park would be a good place for it. Miranda Martin stated she would like to see Volleyball court too.

F. Wild Flowers - Charlotte Holloway stated she had spoken to someone who has the seed but it would only cover 1500sf. Ben stated it would be around \$250.00 for seed to cover 2500sf, but the cost does vary. Glenn ask if the seed could be placed on the dam. Ben stated yes, and we would just tell the people who do the mowing to leave it and not mow the dam area. Martin stated we could advertise after planting so people will know not to mow.

G. Music in the Park – this is the last one for this year and it should be a good one. Home Town Bakery will be there serving food and drinks.
