LETTER OF COMMENDATION

Mayor & City Council Farmersville, Texas 75442

October 19, 2012

On the morning of 10-15-12, I was so dizzy that I could not get out of bed. After nearly three hours, my wife dialed 911. The EMS from Farmersville arrived. Immediately they started asking me questions and checking me out.

They transported me to Presbyterian hospital in Rockwall. The EMS team was very professional, courteous, informative, and patient. I really felt like they went beyond the call of duty.

Fortunately, my condition turned out not to be life threatening. After running a CAT scan and an MRI, it was determined that I had Vertigo.

Thanks for everything!

Sincerely,

James (Jim) R. White

FARMERSVILLE CITY COUNCIL MEETING MINUTES OCTOBER 9, 2012

The Farmersville City Council met in a regularly called session on October 9, 2012 at 6:00pm in the Council Chambers at City Hall with the following members present: Mayor Joe Helmberger, Pansy Hundley, Billy Long and Jim Foy. Michael Carr and Russell Chandler were absent. Staff members present were City Manager Ben White, Police Chief Mike Sullivan, Fire Chief Kim Morris, Assistant to the City Manager Paula Jackson, Court Clerk Christi Dowdy, Finance Director Daphne Hamlin, Librarian Trisha Dowell, City Attorney Alan Lathrom and City Secretary Edie Sims.

Item I) CALL MEETING TO ORDER, ROLL CALL

Mayor Helmberger called the meeting to order. Edie Sims called the roll and announced a quorum was present. Mayor Helmberger welcomed all guests and visitors. Reverend Pam Zolczer with First United Methodist Church offered the invocation.

Mayor Helmberger thanked all the staff for the work performed in preparation of the Old Time Saturday event.

Mayor Helmberger announced a Proclamation naming October 7 – 13, 2012 as Fire Prevention Week and also a Proclamation naming November 5 – 9, 2012 as Municipal Court Week.

Other announcements made by Mayor Helmberger included National Night Out on October 16th at the Onion Shed and the Chamber events on October 27th, the Trick It Up Bike Ride and Scare on the Square events.

City Manager Ben White acknowledged Paula Jackson and Christi Dowdy for their attendance to the Council meeting.

Item II) CONSENT AGENDA

Mayor Helmberger acknowledged the efforts to continue improving upon the Rike Library through the Tocker Foundation Grant.

Jim Foy requested to pull Item H – Public Works Report and Item J – City Managers Report for discussion. Billy Long motioned to approve the items A, B, C, D, E, F, G and I of the Consent Agenda as presented with Pansy Hundley seconding the motion. A poll of the Council was taken as follows: Pansy Hundley yes, Billy Long yes and Jim Foy yes. Motion passed with full Council approval.

Item H – Public Works Report: Jim Foy expressed satisfaction with the water usage chart where it shows we are well below the water usage for the past two years.

Item J-City Manager's Report: Mr. Foy stated he was glad to see the progress with the Railroad right-of-way mowing. City Manager Ben White indicated that once this contract is finalized, the income will be around \$16,000 which was not budgeted. The contract is presently with the Kansas City Southern Railroad attorneys.

Jim Foy motioned to approved Items H and J with Billy Long seconding the motion. A poll of the Council was taken as follows: Pansy Hundley yes, Billy Long yes and Jim Foy yes. Motion passed with full Council approval.

Item III) INFORMATIONAL ITEMS

Council did not request further information or clarification regarding Informational Items.

<u>Item IV – A) PUBLIC HEARING – SECOND PUBLIC HEARING FOR CONSIDERATION OF COMMENTS ON THE ANNEXATION OF 20.537 ACRES (CORRECTED TO 5.921 ACRES) BY THE CITY OF FARMERSVILLE</u>

Mayor Helmberger clarified that 14.616 acres already resides within the City Limits of Farmersville, and the City will only be annexing the remaining 5.921 acres thereby making the complete tract of 20.537 acres to be within the City Limits of Farmersville.

Mayor Helmberger opened the Public Hearing at 6:10pm and asked for those to come forward who were for approving the annexation of property. With no one coming forward, Mayor Helmberger asked for those who were opposing the annexation of property to come forward. With no one coming forward, Mayor Helmberger closed the Public Hearing at 6:10:15pm.

<u>Item V – A) FIRST READING – CONSIDER, DISCUSS AND ACT UPON AN ORDINANCE TO ANNEX 20.537 ACRES INTO THE CITY LIMITS OF FARMERSVILLE</u>

Mayor Helmberger requested the Council to take no action on this item as the ordinance for annexation should be presented on November 13th for the first reading to allow proper timing from the public hearing. Council took no action on this item.

Item V – B) SECOND READING – CONSIDER, DISCUSS AND ACT UPON AN ORDINANCE TO CHANGE THE MASTER FEE SCHEDULE TO INCREASE THE WATER RATES EFFECTIVE OCTOBER 1, 2012 DUE TO THE PASS THRU FROM NTMWD

Mayor Helmberger opened the item stating that the Council approved the first reading on September 25, 2012. With no discussion from the Council, Billy Long motioned to approve the ordinance to change the Master Fee Schedule to increase the water rates to be effective October 1, 2012 due to the NTMWD pass thru costs. Jim Foy seconded the motion. A poll of the Council was taken as follows: Pansy Hundley yes, Billy Long yes and Jim Foy yes. Motion passed with full Council approval.

<u>Item VI – A) CONSIDER, DISCUSS AND ACT UPON APPROVING A RESOLUTION TO DESIGNATE THE OFFICIAL NEWSPAPER FOR FISCAL YEAR 2012-2013</u>

City Secretary Edie Sims indicated that the Resolution presented is an annual presentation to the Council to make a designation of the official newspaper for each fiscal year. Pansy Hundley motioned to approve the Resolution as presented with Billy Long seconding the motion. Jim Foy addressed the fact that Farmersville Times will be the primary newspaper of publication unless there is a timing issue; in that case the McKinney Courier-Gazette will be utilized. A poll of the Council was taken as follows: Pansy Hundley yes, Billy Long yes and Jim Foy yes. Motion passed with full Council approval.

<u>Item VI – B) CONSIDER, DISCUSS AND ACT UPON APPLYING FOR A TRANSPORTATION</u> ENHANCEMENT GRANT THROUGH TXDOT IN THE AMOUNT OF \$250,000

City Secretary Edie Sims informed the Council that the TxDOT grant presented will allow the City to fully complete the Chaparral Trail to include the restrooms, park benches and other amenities to enhance the Trail. Grantworks will be assisting the City with the application process; however the City will be charged a \$3,500 application fee due to the short period of time left to complete the application process. A Resolution finalizing the request to apply will be presented at the October 23rd Council meeting. Billy Long motioned to approve moving forward with the grant application with Pansy Hundley seconding the motion. A poll of the Council was taken as follows: Pansy Hundley yes, Billy Long yes and Jim Foy yes. Motion passed with full Council approval.

<u>Item VI - C) CONSIDER, DISCUSS AND ACT UPON A RESOLUTION TO ADOPT THE FINANCIAL POLICIES FOR THE CITY OF FARMERSVILLE</u>

City Manager Ben White indicated that all discrepancies have been resolved and that Finance Director Daphne Hamlin has poured a tremendous amount of effort to have the Financial Policies correct and tied together with other policies the City presently follows. The purpose of having these policies will allow the City to better perform procedurally as well as please the auditors. Billy Long motioned to approve the Resolution as presented with Pansy Hundley seconding the motion. Jim Foy requested the investment policy be reviewed at the next renewal season to see what the City can invest in. A poll of the Council was taken as follows: Pansy Hundley yes, Billy Long yes and Jim Foy yes. Motion passed with full Council approval.

<u>Item VI – D) CONSIDER, DISCUSS AND ACT UPON A RESOLUTION REGARDING A CONTRACT AMENDMENT FOR THE TEXAS COMMUNITY DEVELOPMENT BLOCK GRANT ON MAIN STREET</u>

City Secretary Edie Sims informed the Council that the purpose of the resolution is to submit a contract amendment to the Texas Community Development Block Grant to continue utilizing the remaining funds from the sidewalk project and complete more sidewalks and upgrade the lighting downtown. Mayor Helmberger stated he wanted to make sure all sidewalks will be in compliance with the ADA Plan that is forthcoming. City Manager Ben White indicated that the light poles are to be replaced with a new version of poles and lighting apparatus. Jim Foy brought forward another ADA compliance issue in front of the Dollar General where the wheel stops are not compliant for wheel chair usage. Due to this being on private property, it could be covered during the Transition Plan.

Mayor Helmberger expressed that the old street lights downtown do not allow for ADA compliancy and those lights are from the newspaper office heading south to the Onion Shed. Mr. White stated he will investigate if the lights should be attached to the buildings and hang over versus free standing. Jim Foy motioned to approve the resolution as presented with Billy Long seconding the motion. A poll of the Council was taken as follows: Pansy Hundley yes, Billy Long yes and Jim Foy yes. Motion passed with full Council approval.

<u>Item VI – E) CONSIDER, DISCUSS AND ACT UPON REGULATING THE PARKING ON</u> MERIT STREET AND MURCHISON STREET AT THE SPAIN ATHLETIC COMPLEX

Councilman Chandler asked for this item to be discussed; however Mr. Chandler was not available to attend this meeting. During football and baseball games, the parking at the Spain Athletic Complex is not enough to accommodate the need. With the newly purchased property through the Community Development Corporation, this problem is hopefully soon to be alleviated; however this will take time. The existing streets are narrow and this is a safety concern. Mr. Chandler had previously discussed this matter with City Manager Ben White who agreed that the parking is an issue and having the area marked as "No Parking" is a good idea. The problem is to have a parking area if the street right-of-way is removed as a parking area. Another issue is the signage that will be required, i.e. how many signs, how far apart must the signs be installed, the continued maintenance of the area around the signs. Mr. White requested if signage is installed, that the minimum amount be considered. Mayor Helmberger stated he is aware of the congestion issues and thinks having a solution will be great. This problem should take care of itself when the new parking becomes available which is anticipated by spring of 2013.

Police Chief Sullivan stated the Police Department has received calls regarding the parking concerns; however since the City does not have an ordinance restricting the parking, parking citations cannot be issued at this time unless the vehicles are prohibiting traffic. Another item to add to this problem is the spectators are being charged to park. Many do not wish to pay to park thereby they are parking along the street right-of-way. In order to enforce a no-parking standard, the City must have a "No Parking" designation. Another issue, per Chief Sullivan, is that people want to park close to the park area. Billy Long stated as soon as access is made available to the new parking area, the "No Parking" signs must go up. Mayor Helmberger agreed that the City should work toward accommodating the parking problem and also cleaning out the tree lines and improve the lighting standards at the Spain Athletic Complex. No action was taken by the Council.

ITEM VII) REQUEST FOR CONSIDERATION OF PLACING ITEMS ON FUTURE AGENDAS

No one had items to be placed on future agendas.

Item VIII) ADJOURNMENT

Council adjourned at 6:25pm.

FARMERSVILLE CITY COUNCIL MEETING MINUTES OCTOBER 23, 2012

The Farmersville City Council met in a regularly called session on October 23, 2012 at 6:00pm in the Council Chambers at City Hall with the following members present: Mayor Joe Helmberger, Pansy Hundley, Michael Carr, Billy Long, Russell Chandler and Jim Foy. Staff members present were City Manager Ben White, Police Chief Mike Sullivan, Fire Chief Kim Morris, Librarian Trish Dowell and City Secretary Edie Sims.

Item I) CALL MEETING TO ORDER, ROLL CALL

Mayor Helmberger called the meeting to order. Edie Sims called the roll and announced a quorum was present. Mayor Helmberger welcomed all guests and visitors. Councilman Billy Long offered the invocation.

Mayor Helmberger welcomed Boy Scout Troop 417 for their attendance. Several of the troop members are working towards their Citizenship and Community Merit Badges.

<u>Item II - A) CONSIDER, DISCUSS AND ACT UPON AN INTERLOCAL AGREEMENT WITH</u> COLLIN COUNTY FOR LIBRARY SERVICES

City Manager Ben White indicated the Interlocal Agreement is the standard agreement with the only change being the amount funded by Collin County. Trish Dowell, Librarian, informed the Council that the Collin County Commissioner's Court will be meeting on November 5th to discuss the reallocation of funds since Plano and Frisco have removed themselves from the County's library funding. The discussion turned to membership charges and how other libraries are finding other funding mechanisms. Frisco charges a membership fee of \$40-\$50 annually. Librarian Trish Dowell stated that approximately 25% of the Farmersville Library patrons are residents of the County. City Manager Ben White stated one day may come when our Library must be self supportive and a membership fee may help offset costs. Pansy Hundley expressed dissatisfaction with this idea and not to take away the Library's opportunity offering books and furthering education for children. Mayor Helmberger stated the membership fee is something to think about in the future.

Russell Chandler motioned to approve the Interlocal Agreement with Collin County for Library Services with Jim Foy seconding the motion. A poll of the Council was taken as follows: Pansy Hundley yes, Michael Carr yes, Billy Long yes, Russell Chandler yes and Jim Foy yes. Motion passed with full Council approval.

<u>Item II - B) CONSIDER, DISCUSS AND ACT UPON THE CITY'S SIDEWALK POLICY</u> INCLUDING MAINTENANCE AND REPAIRS

City Manager Ben White stated he wanted to have a discussion regarding the sidewalks system in front of the citizens of Farmersville. Presently the City is working with TxDOT on a Safe Routes to School sidewalk grant where sidewalks will connect the schools. Recently the City completed \$150,000 sidewalk project downtown to improve the sidewalks and add ADA compliancy. Outside of those areas, the residential sidewalks are deteriorating. A longtime question has arose as to who is responsible for the maintenance of sidewalks since a majority are on private property. The City is also having an ADA compliance assessment which will help identify needed areas of improvement.

Mr. White proposed to have reconstruction of sidewalks paid through City funds. Mr. White has further proposed to apply \$25,000 taken from the street fund to be utilized for sidewalks specifically. The purpose for this sidewalk planning and reconstruction is due to

requirements which were passed by the Department of Justice approximately 20 years ago. For most cities, it would take years if not decades to bring the sidewalk standards up to required specifics. Most cities have not followed through with a plan and action for deteriorating sidewalks. The City of Winnsboro was recently audited and the outcome was not favorable to the City.

Mr. White proposed the following priority for sidewalk reconstruction as follows: a) sidewalks affected by major changes such as public utility relocation and street reconstruction; b) interconnections between public schools; c) downtown business district interconnections; d) interconnections between downtown business district and park areas; e) interconnections between the public schools and the downtown business district; f) residential streets – distributed among four quadrants, Main/McKinney/College; and g) collector roadways – distributed among four quadrants, Main/McKinney/College. The sidewalk policy will be formalized in the ADA Transition Plan which is being developed.

Mr. White stated he wished to use the priority list as a point of reference and to ask the Council for their guidance. Mayor Helmberger stated that if the Justice Department came to Farmersville, the City would be responsible for the condition of the sidewalks. If a sidewalk is removed, then it is no longer deemed an accessible route. Cost of the removal of sidewalks would also need to be considered. By the end of December, Mr. White will get a recommendation of the immediate responses which will be preliminary but allow us to move forward with this project.

Jim Foy expressed concerns of items D & E. Item B will be resolved with the Safe Routes to School project. Mr. Foy stated he didn't know if the sidewalks are needed from the downtown area to the City Park as they are already connected. What Mr. Foy thought as more important is the need for a crossover on Highway 380. The Main Street Bridge is the only crossing opportunity and until that bridge is widened, the sidewalks are not wide enough for safety. In general, the sidewalks from the residential areas to the schools should be a higher priority.

The discussion then turned to the cost of sidewalks and Council was informed that \$25,000 would only construct less than 1/2 a city block. Mr. White stated he will build from the comments made and make a more cohesive plan. Council concurred to proceed with a Sidewalk Plan.

Item II - C) UPDATE ON THE ELECTRICAL SYSTEM

City Manager Ben White announced that the Farmersville Economic Development Corporation has fully funded the modeling and pole-by-pole inventory of our electrical system. Sharyland Utilities will work with us on the inventory with McCord Engineering. The plan is to have the model and inventory completed by March 2013.

On another note, the Safe Routes to School grant will not fund through the grant to relocate utilities which will conflict with the sidewalk route. The City is expected to clear the right-of-way which can be done as the project moves along.

Upgrades to the electrical system will be relayed to include change outs of lines. Having the electrical assessment will complete our utility structure. We can then move forward and realize the need to utilize the Electric Fund for maintenance. The City has not funded any efforts into the maintenance of the electrical system and we are feeling the pains of financial need in the system. Mr. White stated he has briefly discussed an electrical surcharge in the recent past and would like to discuss this issue more seriously with the Council. We cannot continue to repair issues which are funded through our surpluses. Mayor Helmberger stated the system belongs to Farmersville and we have not taken care of the system.

Sharyland's responsibility is when something breaks to make repairs and we pay for the materials. Due to the volume purchased by Sharyland, there is a cost savings for us to go through Sharyland. However, this does not solve the ongoing problem.

Jim Foy stated \$150,000 could be raised with 1/2¢ per kWh increase which would average 11¢. Mr. White also indicated that rate increases must be shared with Sharyland; however a surcharge would go to the City directly. A surcharge fund would help to pay for ongoing maintenance and upcoming issues. Council concurred to move forward with a discussion at length at our next meeting in November.

<u>Item II - D) UPDATE ON COMPREHENSIVE PLAN</u>

City Manager Ben White conveyed the Comprehensive Planning Schedule to the Council. The drafts will be coming at the end of this week for review. The goal is to have the adoption of the Plan by January 22, 2013. Collin County has requested this information to help with their planning as well. Mr. White stated being aligned with Collin County is critical and this plan will aid us in many areas.

<u>Item II - E) CONSIDER, DISCUSS AND ACT UPON A PRESENTATION FROM CITY ENGINEER EDDY DANIEL REGARDING THE CITY'S WASTEWATER TREATMENT SYSTEM</u>

Ken Wessner, Wastewater Systems Manager for North Texas Municipal Water District, came before the Council with Eddy Daniel, City Engineer, to discuss the present condition of the City's wastewater treatment system. With the City holding two wastewater permits and two plants, NTMWD has being overseeing/operating our plants since 1993. The last 10 years have seen issues with capacity especially during huge rain events. Our wastewater system has been greatly affected by inflow and infiltration problems.

The City has been cited on numerous occasions from Texas Commission on Environmental Quality (TCEQ). Over the years, some of the manholes and other inflow problems have been repaired, but due to the age of the wastewater system, the repairs are only short term band-aids. Every time we have a large rain event, we have issues. Every month NTMWD's discharge monitoring is reported to TCEQ. With the City having repeat issues, TCEQ can cite the City and require enforcement action. We have come very close to having enforcement action placed upon us. Capacity has been an ongoing problem, even when Alan Hein was City Manager. A great concern is during January, February and March which is a regulatory period for a violation. If during those three months the City is outside the discharge permit allowances, the City can be cited. An inspection from TCEQ is due any time.

Eddy Daniel stated the challenge is due to the peaking capacity of inflow and infiltration due to heavy rain events. The City promised an SSO Initiative through grants and working with NTMWD. This effort gave us a little more time, but this is a planning tool only. With smoke testing, manhole repairs and clay line replacement over the past years, the peaking is dramatically less, but it is still not enough with a system of this age. We have done selective sewer system rehabilitation and replacement. Mr. Daniel stated he believes there is a clay line or open manhole that has not been identified which is still allowing inflow directly into the system. Futuristically, a SCADA system will be installed to monitor for specific areas of the City, but funding is not available at this time. Recently, the City had a wastewater treatment study which helped to identify other problems.

With discussion of a large development south of town, a placement of a regional wastewater treatment facility has been discussed for several years. Questions have arisen whether to wait and see if the Municipal Utility District comes to fruition or move ahead with other avenues. Cost factors are reaching \$20 million dollars.

The biggest issue for Farmersville has been the wastewater which if resolved would allow future growth. Mayor Helmberger stated he has made this statement for years that until our wastewater system is available for more capacity we will not be able to grow.

Ken Wesson described our two discharge permits. The oldest being a filter plant which is capable of 225 thousand gallons per day which was built in the 1960's. The second plant is a more modern active sludge plant which is capable of 530 thousand gallons per day. A total volume of 755 thousand gallons per day could be utilized; however the oldest plant will not meet current plant requirements and therefore cannot be utilized to treat and discharge. Plant 1 is used to remove some silage, but overall the entire wastewater treatment is operated through Plant 2 which actually treats the silage. Presently Plant 2 exceeds 75% of the flow and must have a solution. If we reach 90% of flow, per TCEQ's regulations, we must already be in construction. This means that with Plant 2 not being utilized, we have a permit that is not being used to full capacity. Future growth is expected with Collin College and other developments.

The solutions will continue to be reducing the inflow and infiltration; fully utilizing the existing permitted wastewater plant capacity; commence planning for a new wastewater plant for the City; and the potential participation in a future regional wastewater treatment plant. By using the permit for Plant 1, it is an asset for us to upgrade that plant to meet current standards.

Mr. Daniel also spoke of attaining a package plant which could be bought or leased or even purchase a used plant. The package plant's life could be quite lengthy and be a great asset for present capacity needs. Package plants are very effective with some maintenance. The plant is above ground but this is not a long term solution, only 5-10 years maximum. Recommendations include proceeding with preliminary design to determine budget considerations for the addition of a package sewer plant to be located at the existing plant site in order to maximize the existing discharge permit; begin applying for a discharge permit and clearly know the affects of Lake Lavon and the future Municipal Utility District. This option is very costly to attain a permit and very time exhaustive. There is a good chance that a permit could be protested and could take 1-1 ½ years of processing. Lastly, to work with other developments for a joint regional wastewater treatment plant IF developments come online.

Mayor Helmberger expressed the need to have the wastewater issue resolved. This side of the County is hard pressed due to wastewater capacity. Mayor Helmberger hoped to turn the existing plants into a junction and move the plant southward by gravity flow. We may have enough capacity to handle the upcoming College. Eddy Daniel stated we will continue with efforts through grant funding to reduce inflow and infiltration problems and work toward a package plant. Camden Park's development is on a 10 year build-out, so the immediate need is not present for that development.

Impact fees are also going to be a big part of this process. The Comprehensive Planning will also include updating our impact fees.

One point specific to our plant was that anyone within a 3 mile radius must use our wastewater treatment facility through a facilities agreement. This will allow more watersheds under the City's control. Per Mayor Helmberger, we cannot wait on the potential utility district to come to fruition. The economic conditions may never line up to for a new treatment facility. Therefore, it would be most advantageous to proceed to review the costs to maximize the two existing plants and scope out the cost of a package plant. Per Eddy Daniel, a package plant system could happen very quickly. Mayor Helmberger suggested returning with hard numbers of a package plant to the Council for further discussion.

Item III) REQUEST FOR CONSIDERATION OF PLACING ITEMS ON FUTURE AGENDAS No items were requested for consideration on future agendas.

FARMERSVILLE FIRE DEPARTMENT CITY COUNCIL MONTHLY REPORT OCTOBER, 2012

- 1. The ISO Audit was conducted and everything went extremely well. He will have to wait until the new fire truck has arrived and can visibly see it before he turns in the report. He expects to be able to give us some preliminary numbers around Christmas but he didn't find anything that had him concerned.
- 2. The department took on two new members in the department this month and will be taking on another member the first meeting of November. This will bring our volunteer membership up to 27.
- 3. The department completed its annual pump test for the trucks that was held in Princeton and also had the annual tests for air bottles and packs completed November 01.
- 4. The Department participated in Trick-it-up, Scare on the Square, and the Baptist Church Fall Festival this past month.

Other Items of Interest:

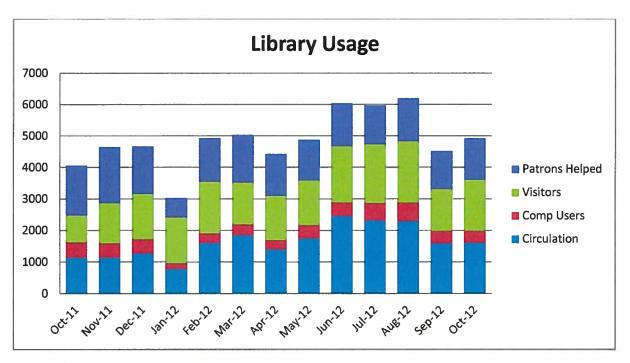

With the help of Genealogist Sandra Fritz and the Church of Latter Day Saints, our genealogy books have been reordered on the shelf and an ongoing project has begun to reorganize and recatalog our genealogy collection so it will be easier for researchers to find the materials we have available. There are many great books at the library that genealogists and family researchers come to use from all around the country. We hope this reorganization will helps us to better assist them in finding what they want. Also, with Sandra's help it is our goal to offer genealogy workshops in the near future.

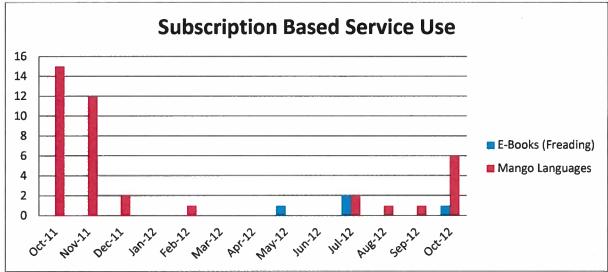

Trisha Dowell attended a 5 week webinar course given by the Texas State Library. It was one in a series of five classes that concentrates on Small Library Management. This class covered Collection Development.

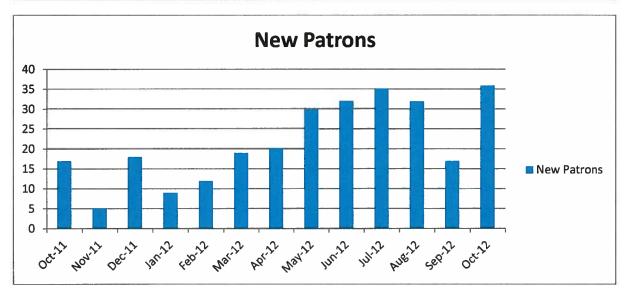

Included is one of our "New and Coming Soon" flyers that list our newest titles for our patrons. These flyers can found in the library, accessed on our website and are announced on our Facebook page.

The three library employees dressed up for Halloween as Thing 1, 2 and 3 and gave out treats to the children who visited the library on Halloween week. We had so much fun and look forward to next year!

^{*} Patron Saved \$ Amount: This amount is how much our patrons save by borrowing books and videos from the Library versus buying them from a bookstore. It is a number that our automation system tracks when there is a price attached to a material.

FARMERSVILLE COMMUNITY DEVELOPMENT CORPORATION MINUTES October 8, 2012 DRAFT

CALL TO ORDER, ROLL CALL AND RECOGNITION OF VISITORS

The Farmersville Community Development Corporation met on October 8, 2012 at the Best Community Conference Center. President Diane Piwko convened the meeting at 5:47 p.m. and announced that a quorum was present after roll call by Adah Leah Wolf. The following board members were present: Diane Piwko, Del Sergent, Leaca Caspari, Jim Dawkins, Phil Weiss, and Dick Seward. Board member absent: David Reynolds. President Piwko welcomed Main Street Manager Adah Leah Wolf, City Manager Ben White, Mayor Joe Helmberger, and City Councilman Billy Long.

CONSIDER FOR APPROVAL SEPTEMBER 10, 2012 MEETING MINUTES

On a motion by Leaca Caspari, and a second by David Reynolds, the Board approved the meeting minutes of September 10, 2012 as written.

CONSIDERATION AND POSSIBLE APPROVAL OF ITEMS FOR PAYMENT

Diane Piwko questioned the check made to the Farmersville Heritage Museum for \$20,000, voicing her concern that there might not be adequate controls/ accountability for the expenditure. Jim Dawkins explained that the museum planning committee will use this as seed money, and they will be reporting their progress to the 4B board. Dick Seward suggested that any specific conditions on how monies are to be spent should be set forth during the budgeting process. Leaca Caspari said if a commitment has been made the money should be paid, and suggested we ask for reporting. Phil Weiss asked if the board has required any specific conditions on any donations to other groups.

Dick Seward made the motion that the board approve all of the items presented for payment. Dick Seward amended the motion to add: that the board approve the monthly loan payments (for land purchase) for the months of October, November, and December, and thereafter make quarterly payments. Motion seconded by Jim Dawkins, and carried.

City Manager Ben White discussed the need for an \$800 survey expense associated with the land purchase; this will allow Roome Land to establish new and correct benchmarks so that the Spain complex land survey and the survey of the new land purchase will coincide. This to be paid from Chaparral Trail budget category.

CONSIDERATION & POSSIBLE ACTION REGARDING FINANCIAL STATEMENTS FOR SEPTEMBER 2012 AND REQUIRED BUDGET AMENDMENTS

A motion was made by Leaca Caspari to accept September financial statements as written; motion seconded by Jim Dawkins and carried. Monies will need to be transferred into the operating account from the TexPool account to cover this month's expenditures.

UPDATE FROM BEN WHITE, CITY MANAGER

Ben White distributed a written report, and highlighted the following: The church of Latter Day Saints is planning a 200+ community service project on October 20; this will include installation of an irrigation system on field 3 at the Spain Complex. City is awaiting restroom construction estimate. Splash pad water recycle system is still being considered. Downtown plants to be repotted for fall foliage; planter near Farmersville Times has been relocated. Onion Alley street signs are now in place. Chaparral Trail construction has begun and will be completed by the end of December. City is awaiting award of Collin County Open Space grant. We will be applying for a TXDOT Enhancement Program Grant for the chaparral Trail. Old Time Saturday a success. Hwy 380 Phase III is now underway.

CONSIDERATION AND POSSIBLE ACTION ON CITY FLAGPOLE & INSTALLATION AREA

Estimates for new/improved flagpoles were received from Symonds Flags and Poles, and included in board packets. Ben White recommended that this year's budgeted flagpole amount of \$12,000 be used for flags and an associated landscaping area in front of City Hall, as well as for retrofitting the flagpoles at the Police Station, Library, and Senior Center to an internal lanyard system. This system will be theft and vandal proof. He is working with Oak Grove Landscaping and Bill Daniel for the landscaping design for City Hall.

MAIN STREET MANAGER REPORT

Main Street Manager Adah Leah Wolf provided a written monthly report for September 2012, and highlighted the following: The Museum planning committee and subcommittees met several times in September, and architectural renderings are underway. The annual report was submitted to the Texas main Street office. A motorcycle ride organized by The Motorcycle Outpost passed through town with approximately 300 bikers. On December 1, the metroplex Toys for Tots bike ride will also pass through town, coinciding with the Farmers & Fleas Market. Manager met with Ann Cardon of the Farmersville Quilters Guild, regarding plans to display quilts downtown during next year's Old Time Saturday event. New downtown merchant Bo Blackstock is next door to the Main Street Music Hall, and will sell vintage items with a music theme.

WRAP-UP AND DISCUSSION OF PLACING ITEMS ON FUTURE AGENDAS

Next board meeting to be held November 19, at 5:45 PM in the Best Center. There will be no board meeting in December.

<u>ADJOURN</u>

Staff members present were City Manager Ben White, City Accountant Daphne Hamlin and Ted Zadah

CALL TO ORDER

Robbie Tedford convened the meeting at 12:12 p.m. and announced that a quorum was present.

RECOGNITION OF CITIZENS/VISITORS

Guests recognized was City Manager Ben White, City Accountant Daphne Hamlin and Ted Zadah

RECEIVE REPORT ON STATUS OF STATE HIGHWAY 380 RECONSTRUCITON PROJECT FROM LAKE LAVON TO THE COLLIN/HUNT COUNTY LINE

Ben White updated the EDC 4A board on the progress of the Highway 380 Project.

Phase II is complete

Phase III is under construction. Main Street Bridge construction will be (1) one year. Railroad Bridge construction will also be (1) one year.

UPDATE REGARDING COMPREHENSIVE PLAN

Robbie Tedford asked Ben White for an update on the comprehensive Plan. Ben White stated a meeting was held last month to formalize presentation to City Council. Ben White stated things are proceeding forward.

UPDATE REGARDING COLLIN COLLEGE

Robbie Tedford asked Bob Collins for an update on the Collin College. Bob Collins stated strategic plan wording will be on the October 2012 Collin College Board Agenda.

CONSIDERATION AND POSSIBLE ACTION REGARDING CAMDEN PARK CONCEPT DISCUSSION WITH TED ZADAH

Ted Zadah the developer of Camden Park addressed the 4A Board regarding his proposed development. Ted Zadah presented to 4A Board a concept plan including a Retirement Facility and Medical Facility located on County Road 611.

Ted Zadah suggested that maybe TIRZ Board could assist in the proposed development and make the facility available of all citizens in Farmersville over the age of (55) fifty five.

Ted Zadah also stated he is aware that 4A Board cannot assist with the housing development but possibly could aid in assistance with the medical facility.

Also, mentioned was EB5 (foreign investors, investing (1) million dollars and generating (10) jobs for (2) two years and in turn the investor will obtain permanent

residency in the United States). Ted explained there are a lot of wealthy foreigners who want to obtain citizenship.

Ted Zadah suggested the City create a regional center and have a staff of 2-3 employees to concentrate on projects, creating jobs, and construction of the City.

Bob Collins said one of the things missing in our Community is a small hospital medical facility like a Baylor Healthcare Clinic.

Ted said he has been in discussion in regards to medical facility with several physicians. Bob Collins said he would like to see that approach.

Robbie Tedford said 4A Board is very interest in what Ted has to offer. Robbie suggested to Ted Zadah to be more specific on what he is requesting from 4A Board and return to discuss with the Mayor, City Manager, and 4A Board President with his proposal.

DISCUSSION REGARDING POSSIBLE FUTURE PROJECTS

Ben White updated the 4A Board regarding Ameri-Steel Presentation. Ben Stated he had been in discussion with Matt the Manager of Ameri-Steel and Tony Ewing owner of AFI.

Ben stated that Matt has gone to Ameri-Steel Headquarters based in Florida to give them his ideas on expanding Ameri-Steel in the North Texas Area. Matt felt as thou when they go to South America to finalize expansion of Ameri-Steel that he has every confidence that the expansion plan for Ameri-Steel will be approved.

Additionally, Matt has been in discussion with the current owner of the property Kirk Kaufman and negotiations to purchase the property are going well.

CITY OF FARMERSVILLE PARKS AND RECREATION BOARD MINUTES OCTOBER 16, 2012

The Farmersville Parks and Recreation Board met in regular session on October 16, 2012 at 6:00 p.m. at City Hall with the following members present: Chairman Mark Vincent, Marianne Politz, Del Sergent and Susan Dann. City Manager Ben White and staff member Christi Dowdy were also present.

CALL TO ORDER

Mark Vincent called the meeting to order at 6:03 pm, and roll was called by Christi Dowdy who announced that a quorum was present.

APPROVAL OF MINUTES

Marianne Politz made a motion to approve the minutes from the September 18, 2012 meeting, with a second from Del Sergent. Motion passed all in favor.

DISCUSSION OF KEEP FARMERSVILLE BEAUTIFUL PROGRAM

Information on various aspects of the program was presented to the Board by city staff for review. A packet from the Keep Texas Beautiful organization will be presented at the next meeting. The Board will review the information and decide which variables they wish to implement.

DISCUSSION OF SHORT-TERM AND LONG-TERM GOALS

The Board agreed to move forward with the goals presented by City Manager Ben White with one exception. The members felt that the issue regarding the batting cages at the J.W. Spain Athletic Complex was a safety concern and wanted that item moved from the list of long-term projects to the short-term project list. Mr. White will move the item and get estimates for the project. Once the estimates are in, the Board will determine what other projects can be done in this budget year.

DISCUSS PLACING ITEMS ON FUTURE AGENDAS

Since the projects and goals have been decided, the Board wants to focus on the Beautification Program at the next meeting.

<u>ADJUURNMENT</u>
Chairman Mark Vincent moved to adjourn the meeting at 6:50 p.m. with a second from Marianne Politz.

CITY OF FARMERSVILLE ORDINANCE #O-2012–1211–001

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF FARMERSVILLE, TEXAS, ANNEXING ADJACENT AND CONTIGUOUS TERRITORY, AS HEREINAFTER DESCRIBED AND COMPRISING 5.921 ACRES, MORE OR LESS; FINDING THAT ALL NECESSARY AND REQUIRED LEGAL CONDITIONS HAVE BEEN SATISFIED; PROVIDING THAT SUCH AREA SHALL BECOME A PART OF THE CITY AND THAT THE OWNERS AND INHABITANTS THEREOF SHALL BE ENTITLED TO THE RIGHTS AND PRIVILEGES OF OTHER CITIZENS AND BE BOUND BY THE ACTS AND ORDINANCES NOW IN EFFECT AND TO BE HEREAFTER ADOPTED; ADOPTING A SERVICE PLAN; FURTHER PROVIDING FOR AMENDING AND CORRECTING THE OFFICIAL BOUNDARIES OF THE CITY AS HERETOFORE ADOPTED; PROVIDING THAT THE CITY MANAGER UNDERTAKE CERTAIN ACTIONS RELATIVE TO SAID ANNEXATION; PROVIDING A SEVERABILITY CLAUSE; AND PROVIDING FOR SAID ORDINANCE TO TAKE EFFECT AND BE IN FORCE FROM AND AFTER ITS PASSAGE.

WHEREAS, the City of Farmersville, Texas is a Type A General-Law Municipality located in Collin County, created in accordance with the provisions of Chapter 6 of the Texas Local Government Code, and operating pursuant to the enabling Legislation of the State of Texas:

WHEREAS, a petition has been duly signed and acknowledged by each and every person or corporation having an interest in the territory proposed to be annexed;

WHEREAS, said tract of land is contiguous to the City and is not more than one-half (1/2) mile in width;

WHEREAS, the City accepted the Petition pursuant to Chapter 43 of the Texas Local Government Code and has instituted annexation proceedings to annex the territory covered by such petition for annexation; and

WHEREAS, the City published notice of the public hearings on said annexation in a newspaper of general circulation in the City and in the territory proposed to be annexed and held two separate public hearings in accordance with Chapter 43 of the Texas Local Government Code; and

WHEREAS, the public hearings were conducted and held in accordance with Chapter 43 of the Texas Local Government Code; and

WHEREAS, all required written notices were timely sent to all property owners and others entitled to written notice at least thirty-one (31) days before the first public hearing; and

WHEREAS, all required statutory notices pursuant to the Chapter 43 of the Texas Local Government Code have been accomplished; and

WHEREAS, in accordance with Chapter 43 of the Texas Local Government Code, a service plan, attached hereto as Exhibit "B" and incorporated herein for all purposes, was prepared by the City Manager, or his designee, before the date that notice of the

first public hearing was published and posted, which plan was made available for inspection and explained at the public hearings conducted as herein described; and

WHEREAS, annexation proceedings were instituted and completed relative to the territories to be annexed on September 11, 2012, by the introduction and adoption of this annexation ordinance during a Regular Session of the City Council of the City of Farmersville on said date; and

NOW THEREFORE, BE IT ORDAINED BY THE CITY COUINCIL OF THE CITY OF FARMERSVILLE, TEXAS:

SECTION 1: That all of the above premises are found to be true and correct and are incorporated into the body of this Ordinance as if copied in their entirety.

SECTION 2: That the following described territory shall be and is hereby annexed into the corporate limits of the City of Farmersville, Collin County, Texas:

An approximately 5.921 acre tract of land located along the Northwest line of Chaparral Trail, Collin County, Texas, and being situated in the W. B. Williams Survey, Abstract No. 952, and being a portion of a tract of land described in a deed to Bobby R. Roan, individually and Odie Hall, trustee of the Odie Hall Living Trust as recorded under CC # 20060607000776690 of the Official Public Records of Collin County Texas, and as further described in Exhibit "A" attached hereto and incorporated herein for all purposes.

- **SECTION 3:** That the municipal service plan for the herein annexed territory, attached hereto as Exhibit "B" and incorporated herein for all purposes, was submitted in accordance with Chapter 43 of the Texas Local Government Code and is hereby approved as part of this Ordinance, and is made a part hereof.
- **SECTION 4:** That the territory described in Exhibit "A" shall bear its pro rata share of the taxes levied by the City, and the inhabitants of the areas herein annexed shall be entitled to all of the rights, privileges, and responsibilities of other citizens of the City and are hereby bound by all acts, ordinances and all other legal action now in full force and effect and all those which may be hereafter adopted.
- **SECTION 5:** The official map and boundaries of the City heretofore adopted and amended be and are hereby amended so as to include the territory depicted in Exhibit "A" as part of the City.
- **SECTION 6:** The City Manager is hereby directed and authorized to perform or cause to be performed all acts necessary to effectuate this Ordinance including, but not limited to, any corrections to the official map of the City to add the territory hereby annexed as required by law.
- **SECTION 7:** The City Manager is hereby directed and authorized to file or cause to be filed a certified copy of this Ordinance with the necessary governmental agencies, including the United States Department of Justice.
- **SECTION 8:** If any section, subsection, sentence, phrase, or word be found to be illegal, invalid or unconstitutional, or if any portion of said properties is incapable of being annexed by the City of Farmersville, Texas, for any reason whatsoever, the

adjudication shall not affect any other section, sentence, phrase, word, paragraph or provision of this Ordinance or the application of any other section, sentence, phrase, word, paragraph or provision to any other person or portion of said properties, situation or circumstance, nor shall the adjudication affect any other section, sentence, phrase, word, paragraph or provision of any other ordinance of the City of Farmersville, Texas. The City Council declares that it would have adopted the valid portions and applications of this Ordinance and would have annexed the valid properties without the invalid part and invalid properties and to this end the provisions of this Ordinance are declared to be severable.

SECTION 9: This Ordinance shall take effect and be in full force from and after its passage, as provided by the laws of the State of Texas.

PASSED on first reading on the 13th day of November, 2012, and second reading on the 11th day of December, 2012 at properly scheduled meetings of the City Council of the City of Farmersville, Texas, there being a quorum present, and approved by the Mayor on the date set out below.

APPROVED THIS 11th DAY OF DECEMBER, 2012.

- (4) Maintenance of water and wastewater facilities in the annexed area that are not within the service area of another water or wastewater utility;
- (5) Maintenance and operation of roads and streets, including road and street lighting;
- (6) Maintenance and operation of parks, playgrounds, and swimming pools;
- (7) Maintenance and operation of any other publicly owned facility, building or service; and
- (8) Emergency medical services.

The City of Farmersville will also provide other services such as planning, zoning, code enforcement, subdivision regulation, animal control, court, construction codes and general administration; to the extent it now provides any such service, on the effective date of the annexation.

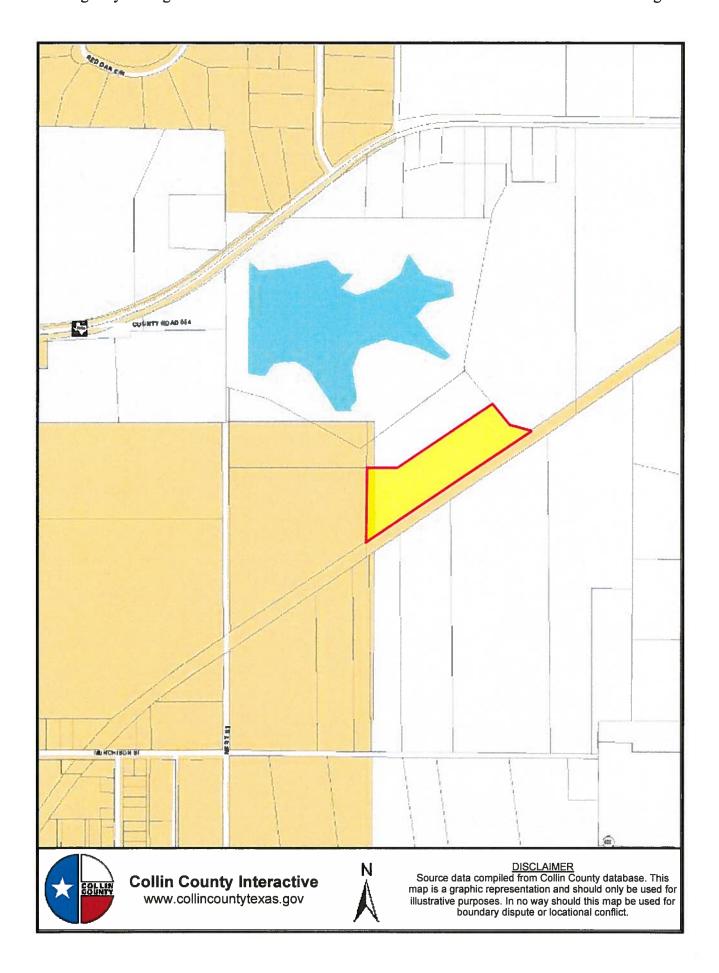

Full municipal services, including electric power services, will be made available to this property as provided by the development ordinances of the City, provided the property owner pays the cost of the extension of any lines or construction of any such municipal services to the property.

Miscellaneous Provisions:

(1) This service plan is valid for ten years. Renewal of the service plan is at the discretion of the City of Farmersville.

- (2) This service plan does not require a uniform level of full municipal services to each area of the City, including the annexed area, if different characteristics of topography, land use, and population density are considered a sufficient basis for providing different levels of service.
- (3) This service plan shall not be amended unless public hearings are held in accordance with Texas Local Government Code, § 43.052.
- (4) This service plan is adopted as Exhibit "B" to the Ordinance annexing the property described in Exhibit "A" to the City of Farmersville. The City shall provide the following described area or cause the area to be provided with services in accordance with this service plan: an approximately 5.921 acre, more or less, tract of land situated in Collin County, Texas, in the William B. Williams Survey, Abstract No. 952, and being a portion of a tract of land described in a deed Bobby R. Roan, individually, and Odie Hall, trustee of the Odie Hall Living Trust as recorded under CC# 20060607000776690 of the Official Public Records of Collin County, Texas and as further described in Exhibit "A."

CITY OF FARMERSVILLE ORDINANCE O-2012-1211-002

AN ORDINANCE AMENDING THE BUDGET FOR THE FISCAL YEAR 2012 – 2013 IN ACCORDANCE WITH EXISTING STATUTORY REQUIREMENTS, APPROPRIATING THE VARIOUS AMOUNTS HEREIN; REPEALING ALL PRIOR ORDINANCES AND ACTIONS IN CONFLICT HEREWITH; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City of Farmersville, Texas is a Type A General-Law Municipality located in Collin County, created in accordance with the provisions of Chapter 6 of the Texas Local Government Code, and operating pursuant to the enabling legislation of the State of Texas;

WHEREAS, the City Manager of the City of Farmersville has reviewed the budget and which budget was adopted by the City Council for the Fiscal Year 2012 – 2013; and

WHEREAS, the City Manager has determined that the effects of the budget amendment will be in the best interest used for an expenditure from the General Fund Reserves to accommodate an unbudgeted expense for the purchase of matching grant funds regarding the Collin County Open Space Grant and the TxDOT Transportation Enhancement Program as shown on Exhibit "A"; and

WHEREAS, the City Manager of the City of Farmersville believes that the budget requires certain amendments and has submitted to the Mayor and the City Council proposed amendment(s) to the budget of the revenues and expenditures of conducting the affairs of said City, and providing a complete financial plan for the Fiscal Year 2012 – 2013; and

WHEREAS, the City Council has determined that it is in the best interest of the City to amend the Fiscal Year 2012 – 2013 budget to adopt the proposed amendment(s) to the budget of the revenues and expenditures of conducting the affairs of said City as submitted by the Interim City Manager.

NOW THEREFORE BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF FARMERSVILLE, TEXAS:

SECTION 1. BUDGET AMENDMENT ADOPTION

1.1 From and after the effective date of this Ordinance, the amendments to the budget of the revenues and expenditures for the Fiscal Year 2012 – 2013 that are attached hereto as Exhibit "A" and incorporated herein by reference are hereby adopted and the budget for Fiscal Year 2012 – 2013 is hereby accordingly so amended and the amended budget for Fiscal Year 2012 – 2013 adopted.

SECTION 2. SEVERABILITY

It is hereby declared to be the intention of the City Council that the several provisions of this Ordinance are severable, and if any court of competent jurisdiction shall judge any provisions of this Ordinance to be illegal, invalid, or unenforceable, such judgment shall not affect any other provisions of this Ordinance which are not specifically designated as being illegal, invalid or unenforceable.

SECTION 3. REPEALER

This Ordinance shall be cumulative of all other Ordinances, resolutions, and/or policies of the City, whether written or otherwise, and shall not repeal any of the provisions of those ordinances except in those instances where the provisions of those ordinances are in direct conflict with the provisions of this Ordinance. Any and all ordinances, resolutions, and/or policies of the City, whether written or otherwise, which are in any manner in conflict with or inconsistent with this Ordinance shall be and are hereby repealed to the extent of such conflict and/or inconsistency.

SECTION 4. ENGROSSMENT AND ENROLLMENT

The City Secretary of the City of Farmersville is hereby directed to engross and enroll this Ordinance by copying the exact Caption and the Effective Date clause in the minutes of the City Council of the City of Farmersville and by filing this Ordinance in the Ordinance records of the City.

SECTION 5. SAVINGS

All rights and remedies of the City of Farmersville are expressly saved as to any and all violations of the provisions of any Ordinances which have accrued at the time of the effective date of this Ordinance; and, as to such accrued violations and all pending litigation, both civil and criminal, whether pending in court or not, under such Ordinances, same shall not be affected by this Ordinance but may be prosecuted until final disposition by the courts.

SECTION 6. EFFECTIVE DATE

This Ordinance shall take effect immediately upon its adoption and publication in accordance with and as provided by Texas law.

CITY OF FARMERSVILLE RESOLUTION # R-2012-1113-001

A RESOLUTION OF THE CITY OF FARMERSVILLE, TEXAS, APPROVING THE SUBMITTAL OF AN APPLICATION TO THE TEXAS DEPARTMENT OF TRANSPORTATION STATEWIDE TRANSPORTATION ENHANCEMENT PROGRAM (STEP) FOR A PROJECT ELIGIBLE UNDER THE SAFE, AFFORDABLE, FLEXIBLE, EFFICIENT TRANSPORTATION EQUITY ACT – A LEGACY FOR USERS (SAFETEALU).

WHEREAS, the lack of connecting pedestrian walkways throughout the City of Farmersville creates a safety hazard for both pedestrians and motorists; and

WHEREAS, the Texas Department of Transportation has issued a call for projects seeking funding assistance that will enhance the surface transportation system; and

WHEREAS, the extension of the Chaparral Trail in the City of Farmersville will enhance the surface transportation system by providing alterative off-street routes for residents to travel from the central business district to residential areas to schools, recreational facilities, public facilities, and other commercial centers; and

WHEREAS, the City desires to establish its commitment to pledge the 20% match in accordance with the Texas Statewide Transportation Enhancement Program guidelines; and

WHEREAS, the City commits to the project's development, implementation, construction, maintenance, and financing.

BE IT RESOLVED by the City Council of the City of Farmersville as follows:

- Section 1. That the City Council authorizes the submission of an application for STEP (SAFETEA-LU) funding to assist in the construction of the Chaparral Trail extension to link identified high pedestrian traffic destinations.
- Section 2. That the City Council agrees to comply with all assurances executed in connection with the application and, if funded, the award.
- Section 3. That the Mayor and City Manager are hereby authorized and directed to act on the City's behalf in all matters pertaining to this application.

PASSED AND ADOPTED at a regular meeting of the City Council of the City of Farmersville, Texas, held on November 13, 2012, by the following vote:

REVOCABLE LICENSE AGREEMENT

THIS LICENSE AGREEMENT (this "Agreement"), is made as of the ____ day of ____, 20___, by and between the CITY OF FARMERSVILLE, TEXAS (the "City") and ONEOK STERLING III PIPELINE, L.L.C., an Oklahoma limited liability company, whose mailing address is P.O. Box 871, Tulsa, Oklahoma 74102 ("Applicant") witnesseth that:

- WHEREAS, City owns a strip of land that is fifty feet (50') wide on either side of the center line of the railroad right-of-way according to the A.T. & S.F. Ry Co. Right-of-Way and Track Map, Northern Division, Paris sub-division, extending from its inception within the City of Farmersville and extending generally northward to the Collin County Line and which area contains approximately 2.86 acres of land in the James Ellison Survey, Abstract No. 293, in Farmersville, Collin County, Texas (hereinafter called the "Property") as recorded in 2002-0701000928400 of the Deed Records of Collin County, Texas;
- WHEREAS, Applicant has requested permission to construct and install, and thereafter maintain, operate, repair, replace, inspect, patrol, protect, test, relocate, alter or remove, an underground natural gas pipeline and necessary related appurtenances including valves and markers (whether one or more, the "Improvements") in, upon, under, and across the Property; and
- WHEREAS, this License Agreement allows the Improvements to be placed in, upon, under, and across the Property provided that such Improvements strictly conform with all provisions of the City's Code of Ordinances and Applicant obtains all such permits and variances as may be required to place the Improvements at the location specified in Exhibit "A" attached hereto and incorporated by reference herein; and
- WHEREAS, City Staff has reviewed Applicant's request and recommends approval thereof, subject to Applicant's agreement to be solely responsible for the construction, maintenance, removal and replacement of the Improvements as set forth herein, and Applicant's further agreement to hold the City harmless with respect to any damage to, or necessary removal or relocation of, the Improvements and to indemnify the City from and against any and all claims or causes of action arising out of or related to Applicant's installation, use, maintenance and operation of the Improvements in, upon, under, and across the Property.

NOW, THEREFORE, for and in consideration of the sum of TEN AND NO/100 DOLLARS (\$10.00) and the mutual covenants herein contained, and for other valuable and good consideration in hand paid by Applicant to the City at or before the sealing of these presents, the sufficiency and receipt of which are hereby expressly acknowledged and confirmed, the parties hereby agree as follows:

1. <u>Installation and Maintenance of Improvements</u>. The City does hereby agree that, notwithstanding any contrary provision in any document granting or conveying the Property to the City, Applicant may install and maintain at Applicant's sole cost and expense the Improvements in, upon, under, and across the Property as specifically described and depicted in <u>Exhibit "A,"</u> subject to the terms of Paragraph 2, below. In connection with the foregoing, the City specifically consents to the construction and installation of the Improvements in, upon, under, and across the Property by and through this Revocable License Agreement, only, and not otherwise. In the event the City grants any rights in the Property to third parties (provided the City is permitted to do so pursuant to the terms of the conveyance of the Property to the City), any such third parties shall enjoy the same rights and benefits to the Property as enjoyed by the City hereunder.

Applicant shall construct and install such Improvements by boring under the entire Property and providing PVC or steel encasement for the carrier pipe. Encasement shall be a minimum of 60 inches below existing grade.

Improvements shall not prevent the installation of City utilities or City franchise utilities buried up to a depth of 48 inches from the bottom of the pipe, or of overhead utilities.

In no event shall Applicant ever utilize a trench cut or open cut to construct, install, maintain, operate, repair, replace, inspect, patrol, protect, test, relocate, alter or remove the Improvements. In this regard, it is specifically agreed and understood that the Property is used by the City for trail purposes and that any such trench cut or open cut would undermine the City's continued use of the Property for trail purposes, and may very well violate the rights reserved by City's grantor regarding the use of the Property as a trail as set forth in that certain Quitclaim Deed from Chaparral Rails to Trails, Inc., unto the City of Farmersville, Texas, recorded on or about July 1, 2002 and found at Clerk's No. 2002-0701000928400 of the Deed Records of Collin County, Texas. In the event of any conflict between the provisions of this Revocable License Agreement and Exhibit "A" the terms and conditions of this Revocable License Agreement shall control.

2. <u>City Ordinances.</u> This Agreement is not intended to and it does not waive or grant a variance from any requirements of the City's Code of Ordinances that must be met for the Improvements to be constructed and installed in, upon, under, and across the Property as specifically described and depicted in <u>Exhibit "A."</u> Applicant expressly acknowledges that by entering into this Agreement, Applicant, its

expressly acknowledges that by entering into this Agreement, Applicant, its successors, assigns, vendors, grantees, and/or trustees, shall not construe any language contained herein or in any exhibits as waiving any of the requirements of the City's Zoning Ordinance or Subdivision Ordinance or any other ordinance of the City, as applicable. Applicant shall strictly conform to all provisions of the City's Code of Ordinances and Applicant shall obtain all such permits and variances as may be required to place the Improvements at the location specified within the Property BEFORE constructing and installing such Improvements.

3. Hold Harmless; Relocation. Applicant agrees to hold the City harmless from and against (a) any financial responsibility for removing or relocating the Improvements, if the City determines, in its sole discretion, that the then-current location of the Improvements will unreasonably prevent the City's use and enjoyment of the Property for the purposes contemplated therefor, and (b) any damage to the Improvements. In the event the City determines that the Improvements must be removed or relocated from the position described and depicted in Exhibit "A" to allow the City full use and enjoyment of the Property for its intended purpose(s), the City agrees that, if requested by Applicant, the City will allow the Improvements to be relocated (at Applicant's sole cost and expense) within the Property if reasonably practicable and to the extent only that such relocation strictly conforms with all provisions of the City's Code of Ordinances and Applicant obtains all such additional permits and variances as may be required to remove and relocate the Improvements in a location acceptable to and approved by the City Manager or his designee.

In the absence of an emergency, the City will provide Applicant thirty (30) days written notice of the need to remove the Improvements from the Property. Applicant shall have ninety (90) days from the date it is provided such written notice to remove the Improvements from the Property. However, in case of an emergency, which necessitates the immediate removal of the Improvements for access to such public improvements, the City shall have the right to remove the Improvements and any associated appurtenances thereto and shall not be responsible for any damages incurred to such Improvements and associated appurtenances.

4. Indemnification. Applicant hereby assumes all liability and responsibility for and agrees to fully indemnify, hold harmless and defend the City and its officers, agents, servants and employees from and against all claims, suits, judgments, demands, damages, losses and expenses, including but not limited to attorney's fees, for injury to or death of a person or damage to property, arising out of or in connection with, directly or indirectly, Applicant's use of the Property that forms the basis of this License specifically including but not limited to the construction, maintenance, operation and use of the Improvements in, upon, under, and across the Property. Applicant further assumes all liability and responsibility for and agrees to fully indemnify, hold harmless and defend the City and its officers, agents, servants and employees

from and against all claims, suits, judgments, demands, damages, losses and expenses, including but not limited to attorney's fees, arising out of or related to any violation of the rights reserved by City's grantor regarding the use of the Property as a trail as set forth in that certain Quitclaim Deed from Chaparral Rails to Trails, Inc., unto the City of Farmersville, Texas, recorded on or about July 1, 2002 and found at Clerk's No. 2002-0701000928400 of the Deed Records of Collin County, Texas. The provisions of this paragraph are solely for the benefit of the parties hereto and are not intended to create or grant any rights, contractual or otherwise, to any other person or entity.

5. Notices. All notices or requests required or authorized hereunder shall be in writing and shall be deemed effective upon receipt (or refusal thereof) when (i) delivered in person, (ii) sent by U.S. Postal Service, postage prepaid, as overnight mail or certified mail, return receipt requested, (iii) delivered by a nationally recognized delivery service for same-day or overnight delivery, or (iv) transmitted by facsimile (with proof of confirmed transmission) to the respective parties hereto as follows:

- 6. <u>Binding Effect</u>. The benefits and burdens of this Agreement shall be exclusive to Applicant and shall benefit and bind Applicant and the City and their respective successors, successors-in-title, legal representatives and assigns as provided herein.
- 7. <u>Assignability.</u> This Agreement shall not be assignable by Applicant without the prior written consent of the City, and such consent shall not be unreasonably withheld, conditioned or delayed.
- 8. **Waiver.** The failure of the City or Applicant to exercise any right given hereunder or to insist upon strict compliance with any term, condition or agreement specified herein, shall not constitute a waiver of either party's right to exercise such right or to demand strict compliance with any such term, condition or agreement under this Agreement.
- 9. **Governing Law.** This Agreement shall be governed by and construed under the laws of the State of Texas. Venue shall be exclusive in Collin County, Texas.

10. <u>Counterparts</u>. This Agreement may be executed in any number of counterparts, each of which will be deemed to be an original, but all of which together will constitute one instrument.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed the day and year first above written.

SUBJECT: Wastewater Issues

In accordance with the wastewater presentation at the October 23rd City Council Meeting; the following recommendations were presented jointly by DBI and North Texas Municipal Water District:

- 1. Proceed with preliminary design to determine budget considerations for the addition of a package sewer plant to be located at the existing plant site in order to maximize existing discharge permit;
- 2. Begin the process for identifying the location of a new wastewater treatment plant and obtaining a new wastewater discharge permit for the City;
- 3. If appropriate, take advantage of the opportunity to joint venture with developer/others for a regional wastewater treatment plant.

Our research and preliminary engineering has identified that Item #1 which includes the design and construction of a 225,000 gallon per day package wastewater treatment plant will have a budget cost of approximately \$875,000.00. The design and construction schedule is approximately 12 months.

The process for the accomplishment of Item #2 can be divided into various categories. The initial category which includes the identification of narrowing the location for a new wastewater treatment plant and the preparation of a budget and timeline for the discharge permit approval and design and construction of the wastewater treatment plant can be accomplished for a budget of \$5,000.00. The complete discharge permit process is expected to take approximately 12 months and have a budget cost of approximately \$75,000.00-\$100,000.00.

Item #3 will depend upon movement by the developer districts; therefore, responses can't be predicted or counted on.

I will be at the next City Council meeting to discuss the recommendations further and to answer any questions you may have.

Sincerely

V. Daniel, P.E.
