City of Farmersville, Texas 205 South Main Street Farmersville, Texas 75442

Dear Mayor & Council:

The following represents our understanding of the services we will provide the City of Farmersville, Texas (the "City).

You have requested that we audit the financial statements of the governmental activities, the business-type activities, the discretely presented component units, each major fund, and the aggregate remaining fund information of the City of Farmersville, as of September 30, 2020-2022, and two optional years as of September 30, 2023-2024, for the years then ended and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents. We are pleased to confirm our acceptance and our understanding of this audit engagement by means of this letter. Our audit will be conducted with the objective of our expressing an opinion on each opinion unit.

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, pension information, and budgetary comparison information be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

As part of our engagement, we will apply certain limited procedures to the required supplementary information (RSI) in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist primarily of inquiries of management regarding their methods of measurement and presentation, and comparing the information for consistency with management's responses to our inquiries. We will not express an opinion or provide any form of assurance on the RSI. The following RSI is required by accounting principles generally accepted in the United States of America.

City of Farmersville Engagement Letter Page 2 of 8

This RSI will be subjected to certain limited procedures but will not be audited:

- 1) Management's discussion and analysis
- 2) Budgetary Comparison Information
- 3) Pension and OPEB schedules

Supplementary information other than RSI will accompany the City's basic financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the basic financial statements and perform certain additional procedures, including comparing and reconciling the supplementary information to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and additional procedures in accordance with auditing standards generally accepted in the United States of America. We intend to provide an opinion on the following supplementary information in relation to the financial statements:

- 1) Individual nonmajor fund financial statements and schedules
- 2) Combining statements

The Objective of an Audit

The objective of our audit is the expression of opinions as to whether your basic financial statements are fairly presented, in all material respects, in accordance with generally accepted accounting principles and to report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America and will include tests of the accounting records and other procedures we consider necessary to enable us to express such opinions. We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which it is necessary for us to modify our opinions or add emphasis-of-matter or other-matter paragraphs. If our opinions on the financial statements are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or to issue a report as a result of this engagement.

General Audit Procedures

We will conduct our audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the basic financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to error, fraudulent financial reporting, misappropriation of

City of Farmersville Engagement Letter Page 3 of 8

assets, or violations of laws, governmental regulations, grant agreements, or contractual agreements. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Internal Control Audit Procedures

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements may not be detected exists, even though the audit is properly planned and performed in accordance with U.S. GAAS.

In making our risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit.

Compliance with Laws and Regulations

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the City's compliance with the provisions of applicable laws, regulations, contracts, and agreements. However, the objective of our audit will not be to provide an opinion on overall compliance and we will not express such an opinion.

Management Responsibilities

Our audit will be conducted on the basis that management and those charged with governance acknowledge and understand that they have responsibility:

- a. For the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America;
- b. For the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to error, fraudulent financial reporting, misappropriation of assets, or violations of laws, governmental regulations, grant agreements, or contractual agreements; and
- c. To provide us with:
 - Access to all information of which management is aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation, and other matters;

- ii. Additional information that we may request from management for the purpose of the audit; and
- iii. Unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence.
- d. For including the auditor's report in any document containing financial statements that indicates that such financial statements have been audited by the entity's auditor;
- e. For identifying and ensuring that the entity complies with the laws and regulations applicable to its activities; and
- f. For adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the current year period(s) under audit are immaterial, both individually and in the aggregate, to the financial statements as a whole.

With regard to the supplementary information referred to above, you acknowledge and understand your responsibility: (a) for the preparation of the supplementary information in accordance with the applicable criteria; (b) to provide us with the appropriate written representations regarding supplementary information; (c) to include our report on the supplementary information in any document that contains the supplementary information and that indicates that we have reported on such supplementary information; and (d) to present the supplementary information with the audited financial statements, or if the supplementary information will not be presented with the audited financial statements, to make the audited financial statements readily available to the intended users of the supplementary information no later than the date of issuance by you of the supplementary information and our report thereon.

As part of our audit process, we will request from management and those charged with governance, written confirmation concerning representations made to us in connection with the audit.

With respect to any nonattest services we perform, we will assist the City with the preparation of the City's financial statements and certain schedules. The City's management is responsible for (a) making all management decisions and performing all management functions; (b) assigning a competent individual to oversee the services; (c) evaluating the adequacy of the services performed; (d) evaluating and accepting responsibility for the results of the services performed; and (e) establishing and maintaining internal controls, including monitoring ongoing activities.

Reporting

We will issue a written report upon completion of our audit of the City's basic financial statements. Our report will be addressed to the governing body of the City. We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which it is necessary for us to modify our opinions, add an emphasis-of-matter or other-matter paragraph(s), or withdraw from the engagement.

	e State of Texas.			•	•	

Recitals

- 1. The County operates the Collin County Detention Facility, including the Minimum Security facility, (the Detention Facility or County Jail) under chapter 351 of the Local Government Code and part 9 of title 37 of the Texas Administrative Code.
- 2. The County generally operates the County Jail for the confinement of persons accused or convicted of a violation of state law. See Code of Crim. Proc., arts. 2.17–2.18. But the Sheriff may also accept custody of persons accused of class C misdemeanors. See Tex. Att'y Gen. Op. No. JM-0151 (1984).
- 3. The City desires to obtain certain jail services from the County to be performed for the City to insure the confinement of persons accused or convicted of a class C misdemeanor or other violation of a municipal ordinance.

Therefore, under the authority of the Interlocal Cooperation Act, Chapter 791, Texas Government Code, the parties agree as follows:

Section 1. Definitions

1.01 Jail Services

The term "jail services" means all services legally necessary to provide for the confinement in the County Jail of persons accused or convicted of an offense.

Section 2. Term

2.01 Term

The term of this agreement shall commence on October 1, 2020, and shall continue in full force and effect through September 30, 2021. This agreement may be renewed for additional one (1) year periods at the rates established and agreed upon by both parties each renewal year.

2.02 Termination

A party may terminate this Agreement for any reason by giving 90 days written notice to the other party.

Section 3. Services

3.01 Services

The County agrees to provide to City jail services necessary for the confinement of persons accused or convicted of an offense, subject to the availability of space at the County jail at the time the City requests jail services. Space will be unavailable when the County Jail is filled to 100% of its capacity and unable to accept additional inmates.

The Jail Administrator may determine when the County Jail is filled to 100% capacity and unable to accept additional inmates. The Jail Administrator will consider the jail's population, expected incoming inmates (e.g. under other jail-services agreements), expected releases, the gender and security-classification mix of the inmate population, inmates' health restrictions, space or cells needed to house and care for problematic or vulnerable inmates, and state law, including the rules and regulations of the Texas Commission on Jail Standards. At times, particular pods or cells may be unavailable for some reason, such as maintenance which shall be taken into account in determining whether the County Jail is filled ot 100% of its capacity.

3.02 Persons Accepted

- (1) The Detention Facility will accept persons arrested via a Class C warrant, if the detainee is presented by a Peace Officer with the original warrant, a certified or facsimile copy of a valid arrest warrant, or if the jail staff receives a teletype or email confirmation of the warrant.
- (2) The Detention Facility will allow any Peace Officer to execute any Class C warrant on any detainee in the facility's custody, if the warrant is an original, certified, facsimile, or similarly reliable copy, or if the jail staff receives teletype or email confirmation.
- (3) The Detention Facility will accept all on-view or warrantless arrests of Class C violators. An arresting officer must provide the Detention Facility with (i) the time of arrest and (ii) a properly completed and signed probable-cause affidavit for each person arrested, for compliance with art. 17.033(a) of the Code of Criminal Procedure. Alternatively, an arresting officer must provide an original, certified, facsimile, or similarly reliable copy or confirmation of a magistrate's determination that probable cause exists to believe the arrestee committed the offense as required by art. 17.033(a) of the Code of Criminal Procedure.
- (4) When a defendant has been convicted of a Class C misdemeanor, a Judgment & Sentence is entered against the defendant under to art. 45.041 of the Code of Criminal Procedure. If the defendant defaults in the discharge of the judgment, a Judge may order the defendant confined in a jail. The Detention Facility will accept defendants on such jail commitments only if they are accompanied by a certified copy of the Judgment, Sentence and Order that complies with art. 45.046 of the Code of Criminal Procedure, and that states in part:

- a. "the defendant is not indigent and the defendant has failed in good faith to discharge the fines and costs" or
- b. "the defendant is indigent and has failed to make a good faith effort to discharge the fine and costs under Article 45.049; and could have discharged the fine and costs under Article 45.049 without experiencing any undue hardship."

Section 4. Non-Exclusivity of Service Provision

The County may contract to perform services similar or identical to those specified in this Agreement for other municipalities, utility districts, or governmental entities as the County, in its sole discretion, sees fit.

Section 5. Compensation

5.01 Basic Charge

The City will pay the County a Basic Charge of \$91.41 per day or part of a day per inmate that the City requests be confined on the City's charges, and who is confined, in the County Jail. This Basic Charge, along with Additional Charges under sections 5.02–5.04, will fairly compensate the County. See Gov't Code, § 791.011(e).

5.02 Additional Charges

In addition to paying the Basic Charge, the City will reimburse the County for expenses associated with providing jail services to inmates held on the City's charges (the City's inmates). The City will reimburse the County for providing health-care services, including ambulance, medical, hospital, dental, and psychiatric or psychological services to the City's inmates. Where reasonable and consistent with the County's legal obligations to care for inmates, including providing them with first aid and emergency and non-emergency medical care and care and monitoring for an at-risk inmate, the County will take reasonable steps to confer with the City about the reasonably foreseeable costs of maintaining the City's inmates in the Detention Center before incurring an undue balance of such costs.

For conference purposes, "the City" means an officer with sufficient authority to make binding decisions about an inmate's care or whether to issue a personal recognizance bond with respect to an inmate.

In provisions of the Sandra Bland Act, the legislature directed the Texas Commission on Jail Standards to adopt rules and procedures with regard to a county jail providing access to a mental-health professional through a telemental health service 24 hours a day, access to a health professional at the jail or through a telehealth service 24 hours a day, or, if a health professional is unavailable at the jail or through a telehealth service, provide for the City's inmate to be transported to access a health professional. See Sandra Bland Act, S.B. 1849 (2017), 85th Reg. Sess., § 3.05 (codified at Gov't Code, § 511.009(a)(23)); id.

§ 3.10 (requiring the Commission to adopt rules and procedures under § 511.009(23) no later than Sept. 1, 2018, and requiring a county jail to comply with such rules and procedures on and after September 1, 2020). It is possible that Collin County—with advice from its health-services provider or other expert—will voluntarily take steps to comply with such rules and procedures or provide these types of access to inmates before September 1, 2020. If so, then Collin County will confer with the City about its plans to comply with the Sandra Bland Act, regulations resulting from the Act, or similar law, and the parties will negotiate terms for the City to reimburse the County for reasonable costs of providing such services to the City's inmates.

5.03 Billing

The County will bill the City monthly for jail services. The City will pay the bills under Chapter 2251 of the Government Code, including interest on payments that are not timely made as provided therein.

5.04 Cost of Additional Charges

The County will charge the City for services under section 5.02 of this Agreement at the cost to the County of providing those services to the inmates. The County will provide reasonable documentation or other support of such charges upon the City's request.

5.05 Source of Payment

The City will make all payments required under this Agreement from current revenues available to the City. See Gov't Code, § 791.011(d)(3).

Section 6. Lawful Arrest and Detention

The City will comply with all federal, state and local laws regarding conditions precedent to arrest and detention including, but not limited to, determinations of probable cause and other requirements necessary for lawful arrest and detention. Further, the City is solely responsible for compliance with pre-detention procedures and that the City will hold the County harmless from any liability, including, but not limited to, obligations, costs, claims, judgments, attorneys' fees and litigation costs, and attachments, caused by or flowing from the City's alleged or actual failure to comply with conditions precedent to lawful arrest and detention.

Section 7. Procedures

7.01 Delivery and Release of Inmates

The City agrees to comply with all County rules and procedures regarding jail security in delivering inmates to the Collin County Jail and receiving inmates to be released.

7.02 Removal on Termination

The City agrees to remove all persons confined on the City's behalf in the Collin County Jail pursuant to this Agreement at least one day before the date of this Agreement's termination.

Section 8. Civil Liability

The City is responsible for any civil liability that arises from the County's provision of services under this Agreement. See Gov't Code, § 791.006(b). The City will defend, indemnify, and hold harmless the County from and against all demands, claims, damages, losses and liabilities, including reasonable attorney's fees and litigation expenses, that arise directly or indirectly from the County's performance of this Agreement. This provision falls under subsection (b) of sections 5 and 7 of article XI of the Texas Constitution.

For purposes of this section 8, "County" includes its officials, officers, deputies, employees, insurers, and agents.

With regard to the provision of a defense under this paragraph, the County will reasonably cooperate with the City in defending a claim or suit, including providing reasonable access to, and copies of, documents, electronic or magnetic data, and access to witnesses or other persons with discoverable knowledge such as detention officers, employees, or other persons under the County's supervision or control.

This agreement does not create any form of personal liability on the part of any official, officer, employee, or agent who is an individual of the City of Farmersville or Collin County. Each party will not sue or try to hold an official, officer, employee, or individual agent of the other party personally liable for any personal injuries or property damage.

The parties do not waive any form of immunity by signing this agreement other than as provided herein.

The parties do not intend to create a claim or right for, or in favor of, a person who is not a party to this agreement.

Section 9. Amendment

This Agreement will not be amended or modified other than in a written agreement signed by the parties. No party will try to enforce a purported amendment that is not written and properly approved by each party's governing body under section 791.011(d) of the Government Code.

Section 10. Controlling Law

Texas law will govern this Agreement and the parties' claims and defenses arising out of, or related to, their relationship and performances under this Agreement, regardless of a forum's choice-of-law rules.

Section 11. Notices

11.01 Form of Notice

Unless otherwise specified, the parties will communicate under this Agreement in writing or by email. A party will send important communications, including communications under section 12, in writing and by certified mail to the liaisons in section 11.02.

11.02 Addresses

Section 12. Resolution of Disputes

Should a dispute arise out of this agreement, the County and the City will first attempt to resolve it through direct discussions in a spirit of mutual cooperation. If the Parties' attempts to resolve their disagreements through negotiations fail, the disputes will be mediated by a mutually acceptable third party to be chosen by the County and the City within fifteen days after written notice by one Party to the other demanding mediation under this section. The County and City will share equally in the costs of the

mediation. This section's purpose is to reasonably ensure that the County and the City will in good faith use mediation or another non-binding dispute resolution process before pursuing litigation. A Party's participation in mediation or another non-binding dispute resolution process will not be construed as a waiver by a Party of (1) any rights, privileges, defenses, remedies or immunities available to a Party; (2) a Party's termination rights; or (3) other termination provisions or expiration dates provided herein. In the event of a lawsuit or any form of ADR, each party will bear its own attorney's fees and expenses.
