### 3.14 SPECIAL DISTRICT REGULATIONS

#### 3.14.1 HIGHWAY COMMERCIAL OVERLAY DISTRICT

1) **Purpose**

The Highway Commercial (HC) Overlay District is intended to provide for retail, service, and office uses within the Highway 380 and Highway 78 corridors, with the high traffic volumes and high visibility. The regulations and standards of this district are designed to enhance the aesthetic and functional characteristics of this transportation corridor. Overlay zoning district regulations apply in combination with underlying (base) zoning district regulations and all other applicable standards of this zoning ordinance. All applicable regulations of the underlying base zoning district apply to property in an overlay zoning district unless otherwise expressly stated. When overlay district standards conflict with standards that otherwise apply in the underlying, base zoning district, the regulations of the overlay zoning district govern.

2) **Permitted Uses**

All applicable land uses of the underlying base zoning district apply to property in the HC overlay zoning district unless otherwise expressly stated. See Subsection 3.6 Schedule of Permitted Uses for a complete listing.

The following uses are allowed by right within the HC overlay zoning district:

- a. Big box retail development

3) **Specific Use Permit Required**

The following uses require a specific use permit within the HC overlay zoning district:

- a. Automobile repair, major
- b. Building materials and hardware sales, outside storage
- c. Equipment and machinery sales and rental, major
- d. Print shop, major
- e. Warehouse/distribution center

4) **Prohibited Uses**

The following uses are prohibited within the HC overlay zoning district:

- a. Car wash, self-service
- b. Contractor's shop and storage yard
- c. Game rooms
- d. Mini-warehouse/self-storage

## 5) Area, Yard and Bulk Requirements

Description		Requirements
Minimum Lot Area		None
Minimum Lot Width		None
Minimum Lot Depth		None
Minimum Front Yard		25 feet
Minimum Side Yard	<i>Interior Lot</i>	10 feet
	<i>Corner Lot</i>	25 feet
Minimum Rear Yard		20 feet
Maximum Lot Coverage		50%
Maximum Height		None, unless single family or two family zoning districts or developments are within 200 feet of the property line, in which a 40 foot height maximum shall apply.
Maximum Floor Area Ratio		1.5:1

## 6) Highway Commercial Overlay District Regulations

- a. Façade Design and Exterior Materials and Products – 75 percent of any front and side exterior wall must be faced with individual unit masonry consisting of brick, native or precast stone, glass and textured concrete masonry. Precast tilt wall systems may be used for 100 percent of the rear façade if it does not face a public street. Precast panels on all sides of the building shall be scored or seamed to provide visual interest and a repeating pattern.
- b. Buildings shall be articulated at all entrances facing streets by a minimum of two offsets (façade articulations that extend outward from the building must be set back at some point in a corresponding manner) in the façade of a minimum two (2) feet in depth. Main building entrances shall be covered by an awning, canopy or building overhang.
- c. The Planning and Zoning Commission may consider waivers of the building façade material and design requirements for expansions and reconstruction of buildings that existed within the HC district on the date of adoption of this ordinance in accordance with the requirements below:

- i. The expansion or reconstruction does not increase the square footage of the existing building by more than 50 percent; and
- ii. Strict compliance with these standards would result in significant inconsistency in appearance between existing and proposed sections of the building.
- d. Prohibited Exterior Materials and Products – the following materials and products shall not be used for exterior walls or exterior accents on any building within the HC district: metal panels, wood siding, Masonite, particle board, stucco foam insulation systems, vinyl siding, and aluminum siding. Metal panels may only be used for decorative architectural features, awnings and canopies and may not constitute the exterior building material of any wall.
- e. Building Orientation – Bays for car washes, auto repair and other automotive uses shall not be oriented to face public streets.
- f. Mechanical Screening – Roof mounted mechanical units shall be screened from view at a point 5' 5" above the property line by solid panels, parapet walls, mansard roofs or other architectural feature. Ground mounted mechanical units, compressors, generators and other equipment must be screened by a minimum six (6) foot tall solid screening wall or solid, irrigated landscape screen of shrubs that will achieve a height of six (6) feet within two (2) years of planting.
- g. Open Storage and Outside Display – No outside storage and display, sales, or operations shall be permitted unless such activity is visually screened from all streets and adjacent residential property in accordance with Section 4.8. Outside garden centers are allowed only if attached to the main building and screened by masonry walls constructed of the same materials and manner of construction as the main building. The walls may be interspersed with ornamental metal panels.
- h. Loading Area Placement and Screening – Loading areas shall be located on the side and/or rear sides of buildings within the HC district. The loading areas shall be screened from view of public streets and from adjacent residential uses by wing walls, landscaping or other screening features.
- i. Screening of Automobile Storage Areas – Storage areas for automobiles that have been towed, are being staged before or after repairs, and/or stored for auction shall be screened by a minimum six (6) foot tall masonry wall or a solid, irrigated landscaped screen of shrubs that will achieve a height of 6 feet within two (2) years of planting.
- j. Cross Access – Cross access easements shall be required between properties within the HC district to allow access to existing and proposed median openings and left turn lanes and to provide access to two public streets. Access drives/aisles/access easements should be extended to the development's property boundary in order to provide for connectivity with future development(s). The Planning and Zoning Commission may determine that cross access is not appropriate for security reasons or where topography and existing site conditions make cross access difficult.

- k. Utility services – All utility service lines shall be underground.

**7) Highway Commercial Overlay District Landscape Regulations**

Landscaping shall conform to the following:

- a. Landscaping shall be required on all developments and shall be completed prior to the issuance of the certificate of occupancy. All detention ponds shall be landscaped.
- b. Landscaping adjacent to public right-of-ways
  - i. Every site adjacent to the highway right-of-way shall include a buffer strip, landscaped and irrigated, being ten (10) feet in depth adjacent to the highway right-of-way.
  - ii. A minimum 10 foot landscape buffer adjacent to the right-of-way of any minor thoroughfare is required. If the lot is a corner lot, all frontages on minor thoroughfares and private drives of 2 lanes or greater shall be required to observe the ten-foot buffer.
  - iii. Developers shall be required to plant 1 large canopy tree per 40 linear feet or portion thereof of street frontage, not including entry drives or visibility triangles. These required trees must be planted within the landscape setback along thoroughfares, unless otherwise approved. Trees may be grouped or clustered to facilitate site design. Ornamental trees may be substituted for canopy trees at the ratio of 2:1 along the street frontage for up to 50 percent of the required canopy trees.
- c. Screening of parking areas and drive aisles adjacent to public right-of-way
  - i. Landscaped screening is required for all parking areas and drive aisles within 50 feet of the property line.
- d. Landscaping adjacent to buildings
  - i. Foundation plantings with a minimum 6 foot depth are required along 50 percent of a building façade facing a major or minor thoroughfare.
  - ii. Entries should be accented.
- e. General landscaping standards
  - i. All trees shall be a minimum of 4 feet from all pavement and underground utilities.
  - ii. Canopy trees shall be a minimum of 3 inches in caliper (measured 6 inches above the ground) and 7 feet in height at time of planting.
  - iii. Accent or ornamental trees shall be a minimum of 1-inch in caliper (measured 6 inches above the ground) and 5 feet in height at time of planting.
  - iv. Evergreen shrubs shall be a minimum height of 24 inches at time of planting.

**SECTION 4. AMENDING SECTION 77-54(A), "HIGHWAY COMMERCIAL OVERLAY DISTRICT," AS IT APPLIES TO USES ALLOWED IN THE NEW "HII - HIGH IMPACT INDUSTRIAL" ZONING DISTRICT**

From and after the effective date of this Ordinance, Section 77-54(a), "Highway Commercial Overlay District," is hereby amended as it applies to uses allowed in the new "HII - High Impact Industrial" zoning district.

**"Sec. 77-54. - Special district regulations.**

*(a) Highway commercial overlay district.*

- (1) *Purpose.* The highway commercial (HC) overlay district is intended to provide for retail, service, and office uses within the Highway 380 and Highway 78 corridors, with the high traffic volumes and high visibility. The regulations and standards of this district are designed to enhance the aesthetic and functional characteristics of this transportation corridor. Overlay zoning district regulations apply in combination with

underlying (base) zoning district regulations and all other applicable standards of this chapter. All applicable regulations of the underlying base zoning district apply to property in an overlay zoning district unless otherwise expressly stated. When overlay district standards conflict with standards that otherwise apply in the underlying, base zoning district, the regulations of the overlay zoning district govern unless the regulations of the base zoning district are more stringent, in which event the more stringent or restrictive standards shall apply.

- (2) *Permitted uses.* All applicable land uses of the underlying base zoning district apply to property in the HC overlay zoning district unless otherwise expressly stated. See section 77-46, Schedule of permitted uses for a complete listing.

The following uses are allowed by right within the HC overlay zoning district unless the base zoning district is HII – High Impact Industrial, in which base zoning district the following uses are allowed, or not, as reflected in Section 77--46, "Schedule of Permitted Uses":

- a. Big box retail development.

- (3) *Specific use permit required.* The following uses require a specific use permit within the HC overlay zoning district unless the base zoning district is HII – High Impact Industrial, in which base zoning district the following uses are allowed, or not, as reflected in Section 77--46, "Schedule of Permitted Uses":

- a. Automobile repair, major.
- b. Building materials and hardware sales, outside storage.
- c. Equipment and machinery sales and rental, major.
- d. Print shop, major.
- e. Warehouse/distribution center.

- (4) *Prohibited uses.* The following uses are prohibited within the HC overlay zoning district unless the base

zoning district is HII – High Impact Industrial, in which base zoning district the following uses are allowed, or not, as reflected in Section 77--46, "Schedule of Permitted Uses":

- a. Car wash, self-service.
- b. Contractor's shop and storage yard.
- c. Game rooms.
- d. Mini-warehouse/self-storage.

(5) *Area, yard and bulk requirements.*

Description		Requirements
Minimum Lot Area		None
Minimum Lot Width		None
Minimum Lot Depth		None
Minimum Front Yard		25 feet
Minimum	<i>Interior</i>	10 feet
Side	<i>Lot</i>	
Yard	<i>Corner</i>	25 feet
	<i>Lot</i>	
Minimum Rear Yard		20 feet
Maximum Lot Coverage		50%
Maximum Height		None, unless single family or two-family zoning districts or developments are within 200 feet of the property line, in which a 40-foot height maximum shall apply.
Maximum Floor Area Ratio		1.5:1

(6) *Highway commercial overlay district regulations.*

- a. *Façade design and exterior materials and products* — 75 percent of any front and side exterior wall must be faced with individual unit masonry consisting of brick, native or precast stone, glass and textured concrete masonry. Precast tilt wall systems may be used for 100 percent of the rear façade if it does not face a public street. Precast panels on all sides of the

building shall be scored or seamed to provide visual interest and a repeating pattern.

- b. Buildings shall be articulated at all entrances facing streets by a minimum of two offsets (façade articulations that extend outward from the building must be set back at some point in a corresponding manner) in the façade of a minimum two feet in depth. Main building entrances shall be covered by an awning, canopy or building overhang.
- c. The planning and zoning commission may consider waivers of the building façade material and design requirements for expansions and reconstruction of buildings that existed within the HC district on the date of adoption of the ordinance from which this chapter is derived in accordance with the requirements below:
  - 1. The expansion or reconstruction does not increase the square footage of the existing building by more than 50 percent; and
  - 2. Strict compliance with these standards would result in significant inconsistency in appearance between existing and proposed sections of the building.
- d. The standards set out in subparagraphs a, b and c of this Paragraph (a)(6) shall not be required for the following uses if the base zoning district in which the use is situated is HII – High Impact Industrial:
  - 1. Concrete/asphalt batching plant;
  - 2. Concrete/asphalt batching plant, temporary;
  - 3. High impact use; and
  - 4. Sand and gravel storage.
- e. *Prohibited exterior materials and products.* The following materials and products shall not be used for exterior walls or exterior accents on any building within the HC district: metal panels, wood

siding, Masonite, particle board, stucco foam insulation systems, vinyl siding, and aluminum siding. Metal panels may only be used for decorative architectural features, awnings and canopies and may not constitute the exterior building material of any wall. Notwithstanding the foregoing, architectural metal panels (not corrugated metal or galvanized metal) may be used in conjunction with uses situated within the base zoning district of HII – High Impact Industrial.

- f. *Building orientation.* Bays for car washes, auto repair and other automotive uses shall not be oriented to face public streets.
- g. *Mechanical screening.* Roof mounted mechanical units shall be screened from view at a point five feet five inches above the property line by solid panels, parapet walls, mansard roofs or other architectural feature. Ground mounted mechanical units, compressors, generators and other equipment must be screened by a minimum six-foot tall solid screening wall or solid, irrigated landscape screen of shrubs that will achieve a height of six feet within two years of planting.
- h. *Open storage and outside display.* No outside storage and display, sales, or operations shall be permitted unless such activity is visually screened from all streets and adjacent residential property in accordance with section 77-68. Outside garden centers are allowed only if attached to the main building and screened by masonry walls constructed of the same materials and manner of construction as the main building. The walls may be interspersed with ornamental metal panels.
- i. *Loading area placement and screening.* Loading areas shall be located on the side and/or rear sides of buildings within the HC district. The loading areas shall be screened from view of public streets and from adjacent residential uses by wing walls, landscaping or other screening features.

- j. *Screening of automobile storage areas.* Storage areas for automobiles that have been towed, are being staged before or after repairs, and/or stored for auction shall be screened by a minimum six-foot tall masonry wall or a solid, irrigated landscaped screen of shrubs that will achieve a height of six feet within two years of planting.
- k. *Cross access.* Cross access easements shall be required between properties within the HC district to allow access to existing and proposed median openings and left turn lanes and to provide access to two public streets. Access drives/aisles/access easements should be extended to the development's property boundary in order to provide for connectivity with future development(s). The planning and zoning commission may determine that cross access is not appropriate for security reasons or where topography and existing site conditions make cross access difficult.
- l. *Utility services.* All utility service lines shall be underground.
- m. *Extra requirements for uses in the HC district having a base zoning district of HII – High Impact Industrial.* In addition to complying with the other requirements set forth in this Section 77-54, any use in the HII – High Impact Industrial base zoning district shall to the extent it is situated within the HC district provide a minimum six-foot tall masonry screening wall such that all HII – High Impact Industrial activity on and about the property is visually screened from U.S. Highway 380 and State Highway 78.

(7) *Highway commercial overlay district landscape regulations.* Landscaping shall conform to the following:

- a. Landscaping shall be required on all developments and shall be completed prior to the issuance of the certificate of occupancy. All detention ponds shall be landscaped.
- b. Landscaping adjacent to public right-of-ways.

1. Every site adjacent to the highway right-of-way shall include a buffer strip, landscaped and irrigated, being ten feet in depth adjacent to the highway right-of-way.
  2. A minimum 10-foot landscape buffer adjacent to the right-of-way of any minor thoroughfare is required. If the lot is a corner lot, all frontages on minor thoroughfares and private drives of two lanes or greater shall be required to observe the ten-foot buffer.
  3. Developers shall be required to plant one large canopy tree per 40 linear feet or portion thereof of street frontage, not including entry drives or visibility triangles. These required trees must be planted within the landscape setback along thoroughfares, unless otherwise approved. Trees may be grouped or clustered to facilitate site design. Ornamental trees may be substituted for canopy trees at the ratio of two to one along the street frontage for up to 50 percent of the required canopy trees.
- c. Screening of parking areas and drive aisles adjacent to public right-of-way
1. Landscaped screening is required for all parking areas and drive aisles within 50 feet of the property line.
- d. Landscaping adjacent to buildings.
1. Foundation plantings with a minimum six-foot depth are required along 50 percent of a building façade facing a major or minor thoroughfare.
  2. Entries should be accented.
- e. General landscaping standards.
1. All trees shall be a minimum of four feet from all pavement and underground utilities.
  2. Canopy trees shall be a minimum of three inches in caliper (measured six inches above the ground) and seven feet in height at time of planting.

3. Accent or ornamental trees shall be a minimum of one-inch in caliper (measured six inches above the ground) and five feet in height at time of planting.
4. Evergreen shrubs shall be a minimum height of 24 inches at time of planting.
- f. The standards set out in subparagraphs c and d of this Paragraph (a)(7) shall not be required for the following uses if the base zoning district in which the use is situated is HII – High Impact Industrial:
  1. Concrete/asphalt batching plant;
  2. Concrete/asphalt batching plant, temporary;
  3. High impact use; and
  4. Sand and gravel storage."

#### **SECTION 5. SEVERABILITY**

It is hereby declared to be the intention of the City Council that the several provisions of this Ordinance are severable, and if any court of competent jurisdiction shall judge any provisions of this Ordinance to be illegal, invalid, or unenforceable, such judgment shall not affect any other provisions of this Ordinance which are not specifically designated as being illegal, invalid or unenforceable.

#### **SECTION 6. REPEALER**

This Ordinance shall be cumulative of all other Ordinances, resolutions, and/or policies of the City, whether written or otherwise, and shall not repeal any of the provisions of those ordinances except in those instances where the provisions of those ordinances are in direct conflict with the provisions of this Ordinance. Any and all ordinances, resolutions, and/or policies of the City, whether written or otherwise, which are in any manner in conflict with or inconsistent with this Ordinance shall be and are hereby repealed to the extent of such conflict and/or inconsistency.

#### **SECTION 7. PENALTY**

Any person, firm, partnership, corporation, or other entity violating any provision contained in this Ordinance shall, upon conviction, be fined an amount not more than \$2,000.00; and each day a violation exists shall be deemed a separate offense. A culpable mental state is not required.

## **SECTION 8. PUBLICATION**

OWNERS DECLARATION

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

That SHO LAND INVESTMENTS OF FARMERSVILLE, LTD., acting herein by and through its duly authorized officers, does hereby dedicate the herein above described property as CAMDEN PARK ADDITION, PHASE 2, an addition to the City of Farmersville, Texas, and does hereby dedicate, in fee simple, to the public use forever, the streets, rights-of-way, and other public improvements shown thereon. The streets and alleys, if any, are dedicated for street purposes and any and all related necessary improvements. The easements and public use areas, as shown, are dedicated, for the public use forever, for the purposes indicated on this plat. No buildings, fences, trees, shrubs or other improvements or growths shall be constructed or placed upon any or across the easements as shown, except that landscape improvements may be placed in landscape easements. If approved by the City Council of the City of Farmersville, in addition, utility easements may also be used for the mutual use and accommodation of all public utilities desiring to use or using the same unless the easement limits the use to particular utilities, said use by public utilities being subordinate to the public's and City of Farmersville's use thereof. The City of Farmersville and public utility owners shall have the right to remove and keep removed all or parts of any buildings, fences, trees, shrubs or other improvements or growths which may in any way encroach on or interfere with the construction, maintenance, or operation of their respective systems in said easements. The City of Farmersville and public utility owners shall at all times have the full right of ingress and egress to or from their respective easements for the purpose of constructing, reconstructing, maintaining, repairing, and adding to or removing all or parts of their respective systems without the necessity at any time procuring permission from anyone.

This plat approved subject to all planning ordinances, rules, regulations and resolutions of the City of Farmersville, Texas.
