Jackie Steinmetz presented UTL-7/8 13388-65 between parcels # 27351100 and 27350400 for domestic water line bored under county road. Approved by planning and zoning board on August 12, 2021. Motion made by Reinhardt to approve permit. Seconded by Zenker. All in favor voting aye.

Jackie Steinmetz presented revisions to building permits. Reinhardt moved to approve revisions to permit. Seconded by Zenker. Roll call vote – Reinhardt – aye, Zenker – aye. Motion approved.

Patrick Diehl brought copy of the letter from Governor Burgham to President Biden for the disaster declaration for the southeastern part of the county from June rainstorm.

Commissioner received application for abatement for parcel number 37081400 which had a rural residence in taxable status. The occupant provided application and supporting document to have the 2021 value for the residence exempted. Reinhardt moved to approve, seconded by Zenker. Roll call vote – Reinhardt – aye, Zenker – aye. Motion carried.

Duane Johnson, Deloris Johnson, Dennis Johnson, and Darren Johnson met with the Board to discuss the removal of the bridge located north and east of Carson. They asked that other options be considered before removing the structure. Zenker stated that replacing the structure would be very expensive. I-beams are cracked, and Department of Transportation has required reduction in the load restrictions. Chairman Zenker stated they would discuss the options more with the county engineer and DOT, but the existing structure is not safe for heavy traffic.

The Board interview Leroy Harsche for Equipment operator/Truck Driver position. Mr. Harsche will begin August 23, 2021 at an hourly rate of \$17.00.

Being no further business, Zenker adjourned meeting at 11:40 a.m.

FYI: next scheduled meetings will be August 18 and September 1, 2021.
