CHEMICAL REQUEST FORM FOR 2024

I, _____, am the landowner, or I am authorized to act on behalf of this land. I ask the Grant County Weed Board to furnish chemical to the below listed contract sprayer. _____

The chemical prices are as follows: Tordon is \$52/gal, Plateau is \$119/gal, Milestone is \$74/qt, MSO is \$20/gal, Liberate (Surfactant) is \$29/gal, DuraCor/HighNoon is \$95/gal, Method is \$360/gal, FreeLexx is \$33.50/gal, and Facet L is \$126/gal. Cost share for Tordon, Plateau, DuraCor, Facet L, Method and Milestone is 70% per gallon. All cost share will be deducted off the statement. You will be billed by the weed board for the chemical only. You will be billed for the labor by the contract sprayer directly. (Please be advised that some of the above chemicals may have a carryover residue. Please call the above number for questions or concerns.) **Payment will be due immediately upon receipt of the bill.** If not paid in 30 days, interest will be applied to the bill at a rate 1 % per month on all unpaid bills. I also understand that if this bill, including finance charges, is not paid by December 31st, of this year, I will be unable to have this land sprayed next season, unless reinstated by the Weed Board. Also, if this bill is not paid, the balance will be applied to my taxes upon approval of the Grant County Weed Board and the Grant County Commissioners.
