2024 Town Report Dedication

Thank you to everyone who will take the time to read this dedication page. I want to start by wishing a truly well deserved CONGRATULATIONS to this years Town of Greene Annual Report dedication to my father, George Farris, Jr. I was asked to write a bit about him, as sort of the "expert" on Jr, since I have known him for almost 46 years and share his DNA. Many of you know who my father is. You have seen him around town. Maybe you have had him do some work for you or he has been a first responder in your time of need, but I want to take the time to explain more of who this man is to his family and his community.

Jr has spent his entire life in Greene. Born in 1950, he is the eldest son of the late George and Dell Farris, Sr. He was fortunate to be able to be raised around many cousins and I am sure they would probably describe him as a "cheeky little boy" when he was growing up - with his dark brown hair and bright blue eyes - he was a charmer. He learned to play the accordion when he was "knee high to a grasshopper" as people might say. Jr even participated in some talent shows where the view of him from the audience was of an accordion with legs and arms because it was almost bigger than he was.

Jr's dedication to family and community started at a young age. He started working for his father at Farris Construction in 1965 - learning how to pour foundations, repair and replace culverts, install/replace septic systems and even build bridges. Throughout his construction career he has helped build 6 bridges and who knows, if you ever found yourself in Brownville Junction, Bethel, Litchfield, Skowhegan, Lovell or Sabattus you may just have driven over one of his. His love of construction comes down to being a little boy at heart - he loves running the equipment. With a mind meant for learning and an uncanny ability to figure things out, Jr was able to not only run the large equipment for the construction business but he was able to make repairs including teaching himself how to paint and weld the vehicles. At 74 he still enjoys "playing in the dirt", though now he utilizes his mini Kubota to do most of the dirt moving.

At the age of 18 he joined Greene's volunteer Fire Department because he had such a strong desire to help people and give back to his community. Having always had an interest in medicine he obtained his EMT license in 1975 and 12 years later was a graduate of the 3rd Maine Paramedic class. So while he is an original kind of guy, he truly is one of the original Maine Paramedics, a fact you will never hear him brag about. He spent 41 years working for Allied Ambulance/United Ambulance, helping to create a bridge from volunteer EMS responders in Greene (at one point he was the only EMT in town) to those responding to the call from United. Jr's passion for helping people branched out to becoming a CPR instructor in 1975. He wanted to continue serving his community by providing his community members with life saving knowledge. If you have ever worked for one of the local daycares, you may just have had the opportunity to have your CPR class taught by him.

In 1975 he married the love of his life, Gayle. In 1976 they welcomed their son Andrew and in 1979 they completed their family with the arrival of myself, Joline. My brother and I grew up differently than a lot of our peers. We knew that at any moment our dad could leave on a rescue/fire call. Sometimes that meant missing meals together, parts of holidays together and even not knowing when we might see him again. But we were proud. We knew that by him leaving our family moment, there was someone else who needed him more. His dedication to his family and community did extend it's reach beyond EMS and construction. In 1986 he began volunteering as an umpire for the River Valley Youth Baseball Association. He continued this service for over 25years - well beyond my brother's little league career.

Jr is a humble man. When he wakes up each day, he doesn't think about being a hero or what kind of accolades he may be presented with. I am sure if you ask him about any awards he will have forgotten that he received them - not because they don't mean a lot to him, but he is who he is and he does what he does because he loves it. In 2006 Turner Rescue presented him with the Harris Award for Clinical Excellence. In 2018 the Greene Fire Department and Rescue recognized him as the longest active member and then in 2022 Maine EMS awarded him the Lifetime Achievement Award. Today we can add this dedication to a well deserved lifetime achievement. My dad loves to be a part of this town, his town. He takes ownership in helping it to be the best town it can be, whether on an individual basis helping someone with their construction needs or his countless hours of service to the Fire/EMS department. You can always know that he puts his mind, heart and soul 1000% into whatever it is he is asked to do.

Board of Selectmen Report

To the citizens of Greene:

As we close out fiscal year 2024, we continue to work on the recovery from the winter storms last year. Working with FEMA to identify all damages to the town roads, costs to repair and mitigate future damages from recurring as well as removing roadside debris from those storms and obtain reimbursement through FEMA for those costs. This effort will recover all costs associated with those projects.

Town Manager and the Town office personnel continue to do a great job. We would like to also welcome the newest town clerk, Sally Lester. We are confident that she will do a great job for the town.

The Public Works has done a great job in being a big part in the recovery from last winters storms as well as keeping up with plowing and making sure the roads are safe to travel. Paving of School St and the public works yard have been completed and East Main St Culvert will be installed between July and September and paved shortly after. Several other roads are slated to be repaved this year and preparations are currently underway for those projects, so please be patient when traveling in those areas.

The crew at the transfer station has been doing a great job keeping everything in order and making Improvements to keep traffic flowing smoothly up there. The new sign has been installed at the entrance displaying the new fee schedule. Punch cards have been eliminated and stickers are now good for two years.

Fire Department is continuing to provide a valuable service to the town for fire and EMS emergencies. The new pumper has recently been delivered and is being prepared to be put in service. We appreciate the dedication and hard work from the men and women of the Greene Fire Department.

The Selectboard is proud to announce that the town continues to do well financially. At last years town meeting, we voted to use $300+ thousand for our portion of the Sabattus Pond Dam repairs. Fortunately, the NOAA grant was approved saving the town most of that cost. We encourage everyone to attend a Selectboard meeting or watch on WGLT tv7 on Spectrum cable or live stream on the web at https://greenemetv7.vod.castus.tv. If you want to be involved and make a difference, please volunteer. A volunteer is the backbone of every community and we welcome you to join on any committee that's in need of volunteers. Please inquire at the tow office if interested.

In closing we would like to thank the citizens of Greene for giving us the opportunity as Selectboard members, to serve our community.

Respectfully Submitted

John Soucy (Chairman), George Farris, Sheldon Bubier, Amanda Leclerc and Mark Randall.

Town Manager Report

To the Citizens of Greene,

It is with great pleasure that I present to you the Annual Report for the Town of Greene, fiscal year ending June 30, 2024. It is the purpose of the Annual Report to inform the Citizens of Greene on the financial condition of the town and to report on the operations aspects as well.

I have completed my third year as Greene Town Manager and continue to be very busy. As I continue to work through our budget process, we are again finding ourselves in a good financial position. The Board of Selectmen, Budget Committee and I have put together a conservative municipal budget this coming year with hopes to hold the tax rate. We will be able to utilize money from our undesignated fund account to cover some of our budgetary items, thus not having to increase the local share of our taxpayers.

A few challenges came up last year, but we are moving forward on projects, some more quickly than others but we are making progress. Public Works Supervisor Greg Keene, Eric Farrenkopf, John Soucy and I are finishing up the FEMA projects from the storm damage of December 2023. Due to lack of public works employees, the town hired local contractors to get the road damage completed. Many thanks to Amos Development, TAZ Excavation LLC, Bubier Construction Inc, George Farris construction, and Complete Excavation for their expertise to get the jobs completed in a timely manner. Also want to thank the Fire Department crew for helping with debris cleanup. They are always ready and willing to lend a helping hand and are much appreciated!

Another challenge last year was the United States Supreme Court issued a ruling that changed how towns in Maine dealt with the proceeds from the sale of property acquired for non-payment of taxes. Maine's Legislature weighed in with the ruling that requires towns a very specific procedure to sell tax-acquired property. Prior to the ruling, towns were allowed to keep whatever they received from the sale. The ruling now requires the town to hire a realtor to list and sell the property and the town is to return the excess proceeds from a sale to the former property owners. Excess meaning whatever funds remain after satisfying the taxes, interest, fees, plus any municipal expenses occurred from the foreclosure and sale. The Town of Greene had 4 foreclosed properties that were sold last year. This new foreclosure process seems to be time consuming and tedious. However, I try to work with taxpayers whenever possible to help them get their taxes up to date and back on track, which is the best possible outcome.

Transfer Station is running smoothly and has another yearly DEP inspection with only a few updates needed. The town thanks Tim Girard, Walter Stevens and Gus Clark for a job well done.

In 2024 the Planning Board welcomed Lisa Merrill as secretary. Lisa is also an amazing research assistant that helps the Code Enforcement Officer on an as-needed basis. Lisa has organized all CEO and Planning Board files and she plans to digitize all mylar maps.

Some town organizations have benefited from several donations this year. A generous donor came forth and paid to put new roofing shingles on the Androscoggin Grange and the Old Town Hall which houses the Greene Historical Society. Along came another donor and offered to paint the Old Town Hall. The town has some amazing people that love and appreciate our ever-growing town. (cont.)

(cont.)

The descendants of Barbara Sawyer Nelson's estate donated the warehouse at 193 Main Street including contents to the Town of Greene. The warehouse is full of the important town history of the Sawyer family and others area families. Many thanks to all donors! Jonathan Hall, of New England Vintage Building Advisors, has been hired to manage inventorying and creating an accession system for what's inside. Jonathan is formerly the Field Services Manager for Maine Preservation and is currently restoring the antique wooden windows of Greene's Old Town House/Greene Historical Society building.

I encourage all citizens of Greene to attend the Annual Town Meeting. Our Town Meeting is a two-part meeting. Municipal elections will take place on Friday, August 1st from 1:00pm to 7:00pm at the Town Office, where you'll vote secret ballot on Articles 1 & 2. (Elect a moderator and vote for Selectmen and MSAD#52 School Board Directors). The second part of the meeting will continue Saturday, August 2nd at 9:00am at the Greene Central School gymnasium where you'll vote on Articles 3 through 59.

Article #6 is asking if the citizens of Greene want to change the date of the annual town meeting to the second Friday and Saturday in April. This would be a big change but coincide with area towns in our district (Turner & Leeds) and may make it a better time of year for citizens to attend. The Town will continue to have a fiscal year of July 1 to June 30.

The Town Office continues to run efficiently with friendly customer service. With the resignation of Anne Swiatocha, Sally Lester is settling in nicely. Sally was Town Clerk for the Town of Chelsea; we welcome her municipal expertise and positive attitude to the office.

The Public Works has had a few crew changes and is currently hiring a laborer/truck driver. Dale Newton was promoted to Road Foreman. Many culverts are being replaced on several roads and plans are underway to pave Lane, Brule, Hills Ridge, & County Roads, Deer Run & Fawn Lane this year. East Main Street culvert/bridge replacement will take place in August 2025.

The Greene Community is coming together. Lots of interesting programs are planned for the upcoming year at the Library, Historical Society, Grange and area churches. This year marks the 25th anniversary of the Greene Village Day Celebration on September 13th. Julia Coady has done a fabulous job organizing these celebrations but with family obligations, she is looking for someone else to take over. The town has many opportunities for you to get involved and make a difference.

I look forward to serving you in the upcoming year. Please do not hesitate to stop in at the Town Office, and to speak with me, at any time. It is my pleasure to answer questions and hear your concerns.

Respectfully submitted,

Carol Buzzell

Dear Maine Resident:

I have always been guided by the belief that to strengthen our state, we have to invest in our greatest asset: the people of Maine. With the support of the Legislature, my Administration has been investing in what people need to succeed, like job training, child care, health care, education, broadband, and housing.

We are seeing results — small businesses are expanding their operations; people are moving here to work and raise their families; and graduates are staying in Maine to pursue rewarding, life-long careers. These are all encouraging signs that are reflected in the strength of our economy. In fact, Maine has one of the best rates of economic growth in the nation.

That's good news, but I know that not everyone is feeling the benefits of our strong economy. The cost of living in Maine, as in much of America, is too high. The price of fuel, the cost of supplies, utilities and labor have driven up expenses for families across the country and impacted the budgets of towns, counties and nearly every state, including Maine.

I want everyone to benefit from the availability of good jobs, a good public education, and good health care in our state. That is why I have put forward a balanced budget proposal that proposes some savings and certain targeted revenue increases to maintain things we all support, like the state paying 55 percent of the cost of education and 5 percent municipal revenue sharing, to keep all these costs from being passed along to property taxpayers.

We have made good progress over the past six years to ensure that every person in Maine can find a good-paying job in a rewarding and stable career; go to the doctor when they feel sick because they have health insurance; and have the peace of mind that their children are safe at home and at school.

I look forward to working with communities and citizens across the state to solve problems, manage our finances, and keep our people healthy and safe.

Sincerely,

Janet T. Mills

Congress of the United States
2nd District of Maine

Dear Friends,

I hope this letter finds you well. It's an honor to continue serving as your representative in Congress, and I take the responsibility very seriously. Thank you for the opportunity to share an update on the work I've been doing for the people of the Second Congressional District.

Fisheries: This spring, the Atlantic States Marine Fisheries Commission (ASMFC) announced a gauge increase for lobsters caught in the Gulf of Maine beginning in January 2025. Maine fishermen warned that this decision is founded on incomplete and inaccurate data. Additionally, this gauge increase could put Mainers at a competitive disadvantage to Canadian fishermen with looser regulations. That's why I sent a letter to the ASMFC urging them to delay their decision until they can evaluate data with fishermen, whose proactive stewardship provides invaluable insight. I have also submitted an amendment to this year's funding bill that would block federal funding from being used to implement and enforce a gauge increase. Because of these efforts, the ASFMC made the decision to delay the implementation of this new requirement. I'll always stand with Maine lobstermen against unfair, unnecessary regulations that threaten their livelihoods and industry.

Veterans: The first meeting I attended as an elected official was with a large group of veterans and the former Director of the Maine Bureau of Veterans Services. We discussed a lot, but one issue rose above the rest: how little was being done for Maine veterans who needed treatment for mental health issues or substance use. At the time, there were no in-patient treatment beds in Maine, so veterans had to wait for a bed to open up at an out-of-state facility. Fast forward 10 years, through unending red tape, and I'm delighted to report we just broke ground on a treatment facility at the Togus VA Medical Center in Augusta. This was the direct result of the tireless advocacy of veterans from across our state — this win is theirs.

Postal Service: This spring, the U.S. Postal Service (USPS) announced plans to consolidate and move some processing operations from the Eastern Maine Processing & Distribution Center in Hampden to Scarborough. This would have caused significant mail delivery delays that disproportionately harm rural communities. That's why I introduced the *Timely Mail Delivery*

and Postal Services Protection Act, which would have halted this planned consolidation across the country. Following these efforts, the USPS announced they have scrapped their plan entirely. While this is a win for Maine, it is also evidence that we cannot become complacent. That's why I recently introduced the bipartisan *Postmaster General Reform Act*, which would establish term limits for the United States Postal Service's (USPS) postmaster general and require nominations to be confirmed by the Senate.

Regardless of the year, one of my top priorities is ensuring I'm accessible to you. My staff and I can help navigate federal programs; find resources in Maine; and resolve issues with Medicare, Social Security, the VA, and other federal agencies and programs. We are here to help:

SELECT COMMITTEE ON INTELLIGENCE

Dear Friends:

It is an honor to represent Maine in the United States Senate, and I welcome this opportunity to share several key accomplishments for our state from the previous year.

As Vice Chair of the Appropriations Committee in 2024, I have secured nearly $580 million for 230 projects across all of **Maine's 16 counties to promote job creation, workforce training, and economic** development; expand access to health care; support law enforcement; improve public education and infrastructure; and protect our environment. As the new Congress begins, I am honored to be taking the helm of the Committee, the first Mainer to do so in nearly a century, and I remain committed to ensuring that federal spending produces real results for our state and nation.

Maine has the oldest average age in the country, which is why I have long prioritized health-focused legislative efforts. There were more than 1,860 health care bills introduced during the 118th Congress. Only 15 health care bills were signed into law, and I was a lead sponsor of five of them. These bills will enhance care for **individuals with Alzheimer's,** autism, and substance abuse issues through improved research funding, strengthened public health programs, and increased support for rural first responders.

Another important bill that I coauthored was the *Social Security Fairness Act*. Since 2003, when I led the first-ever Senate hearing on the Windfall Elimination Provision and the Government Pension Offset, I have sought to end these provisions of the *Social Security Act* that unfairly reduce the Social Security benefits that public employees or their spouses have earned. I am pleased to say that with the passage of my bill, the *Social Security Fairness Act*, in December, public sector retirees will now receive the full Social Security benefits they have earned.

When the Maine way of life was under threat, I was certain to defend the interests of our state. I worked to protect **Maine's potato farmers when the Department of Agriculture tried to reclassify t**he potato from a vegetable to a grain. I thwarted efforts to consolidate USPS mail operations at the Hampden postal facility, which would have disrupted mail delivery throughout our state. I sounded the alarm with leaders at the FBI and Departments of State and Treasury on the spate of illicit marijuana growing operations that are destroying properties and providing refuge to foreign criminals in our state. Following damage to our working waterfronts **after last winter's storms, I secured $15 million to help** fishing communities recover. I championed funding to support the Maine Air National Guard base, Bath Iron Works, and Portsmouth Naval Shipyard.

As of last December, I have cast more than 9,100 consecutive votes, continuing my record of never missing a roll-call vote since my Senate service began in 1997. My ranking as the most bipartisan Senator **reflects Maine's tradition of** working with a spirit of cooperation and respect.

My highest priority as a Senator is to ensure that Maine's needs are met. If ever I can be of assistance to you, please contact one of my state offices or visit my website at collins.senate.gov.

January 1, 2025

Dear Friends,

Each year comes with renewed hope – to celebrate each other's successes and care for each other in times of need. I am thankful to each town in Maine for their commitment to their communities, to their citizens, and to this country. We always work together to get things done. This past year was no different.

First, it was a true honor to be reelected to the United States Senate for another six-year term. Throughout my travels around the state, I heard many concerns about the cost of living and affordability of housing. Many of you also shared your concerns about access to medical and mental health services. The *Inflation Reduction Act* has been incredible for older people in Maine – Medicare is finally negotiating lower prices for prescription drugs, on top of the $35 per month cap for insulin that took effect in 2023. We have an opportunity to build on what we have in common and do what Maine people do best; we will continue to help each other and lead through example.

I have also been consistently working to help our veterans. My team has repeatedly been successful in securing long-overdue recognition of military medals for many of Maine's combat veterans and working to resolve issues with claims, travel pay, and access to healthcare and benefits our veterans earned through their selfless service to our country. I have also worked with my Veterans Affairs and Defense partners in Washington to successfully pass a national defense bill that strengthens our national security, takes care of our service members, and supports Maine businesses from Aroostook to York County.

I am also thankful to have such an incredible team across Maine available to you for hurdles you may face with the federal government. Whether it be veteran issues, social security problems, student loans, immigration, IRS and more, please never hesitate to reach out to my offices in Presque Isle, Bangor, Augusta, Portland, or Biddeford and allow us the chance to be part of your solutions.

Together, over the next six years, I know we can continue to build a stronger, brighter future for our great state. Thank you for being one of the reasons Maine is so special; it is not only a pleasure to serve you — it is a pleasure to know you. Mary and I wish you a happy and safe 2025.

Best Regards,

132nd Legislature

Senate of Maine

Senate District 17

Senator Jeffrey Timberlake
3 State House Station
Augusta, ME 04333-0003
(207) 287-1505

Dear Friends and Neighbors:

I am deeply honored and humbled to continue serving as your State Senator for a fourth term. The trust you have placed in me is something I do not take lightly, and I remain committed to being a strong voice for you, your family, and our community in Augusta.

As I continue my work on the Veterans and Legal Affairs Committee, I am also pleased to announce that I have again been appointed to the Government Oversight Committee. I will continue to focus on ensuring accountability in key state programs, with a particular emphasis on the Office of Child and Family Services (OCFS).

The First Regular Session of the 132nd Maine State Legislature began on December 4, 2024, with our swearing-in ceremony led by Governor Janet Mills. It was a day filled with tradition, attended by family and friends of incoming members, as we set the stage for the work ahead.

Many of you have reached out to me about the challenges you are facing—rising costs of energy, housing, child care, and concerns about education, mental health, substance abuse, workforce development, and community safety. As your State Senator, I am committed to working with my colleagues to find common-sense solutions to these pressing issues.

In addition, addressing Maine's anticipated budget gap and setting priorities for the next biennium will be a significant focus this session. I am confident that through collaboration, we can work to balance fiscal responsibility with investments in the well-being of all Mainers.

Once again, I want to thank you for re-electing me to represent you in the State Senate. Please don't hesitate to reach out to me with any questions, comments, or concerns. I am here to help, whether it's navigating state programs or working to address issues important to you and our community.

Sincerely,

Jeffrey Timberlake

State Senator

June 2025

Dear Friends & Neighbors:

State lawmakers took their oath of office on December 4, 2024, with a more balanced partisan composition of the Legislature being sworn in. The House of Representatives currently has 76 Democrats, 73 Republicans, one independent, and one unenrolled, while the Maine Senate consists of 20 Democrats and 15 Republicans.

Amongst the many challenges we, as policymakers, have addressed since convening late last year are housing, energy, child welfare, and property taxes. Subject matter gaining much of my attention have been those that fall under the jurisdiction of the Inland Fisheries and Wildlife Committee, to which I have been assigned.

As I write this letter, long days consisting of 12 hours or more have commenced with hope of finalizing the work before us in a timely manner. Despite efforts made early on to streamline the legislative process, we still find ourselves rushing issues that deserve closer scrutiny. I encourage you to keep an eye out in the mail for my end-of-session mailer later this summer for a briefing about what transpired under the State House dome during the First Regular Session and First Special Session of the 132nd Legislature.

It is an ongoing honor and pleasure to be serving the good people of Greene! As always, feel free to reach out to me personally if there are any State-related issues you would like to discuss.

Best regards,

Stephen J. Wood

To the Citizens of Greene:

It is with great pride that I write this letter nearing the completion of my third year as the superintendent for your schools. This past year has been one of great progress and improvement. As we remain committed to the goals outlined in our Strategic Plan, I submit the following report on the two main areas of focus this year.

Facilities Repair Planning
With the experiences of failed school buildings in neighboring school districts in the forefront of our planning, we have a Capital Improvement Plan to address the needs of our facilities. The immediate projects that we are tackling with the funds provided for in our Capital Reserve account approved by the voters last May include the following:

- The completion of the new wastewater treatment plant serving the four schools in Turner
- The replacement of part of the roof at Leeds Central School
- The repair of the water system serving Turner Primary School

At Greene Central School we have replaced the boiler and replaced aging air handling units with high efficiency units that include dehumidification to address excessive heat in some parts of the school building. Other projects we will be planning for in the future include the replacement of the roof and repair of the elevator at Leavitt Area High School, the expansion of the undersized cafeteria at Tripp Middle School, and the replacement of water tanks at Leeds Central School, Greene Central School and Tripp Middle School.

Student Academic Achievement
In response to ongoing concerns about our student achievement in Reading and Math, we introduced new reading instructional materials in our elementary schools this year. We were able to invest in these new materials with a Literacy Grant from the Maine Department of Education, Federal ARP ESSER funding, as well as local budget funds. Federal ESEA funding has supported ongoing professional development for our teachers. This has been very hard work for our teachers but it has been the right decision for our students.

In the FY26 budget, we will invest in new math instructional materials in grades 3-8. A team of teachers and administrators spent months reviewing a variety of materials, visited other schools, and reviewed achievement data to recommend the new materials. We are excited for the improved learning opportunities for all of our students across the district.

I truly appreciate the ongoing commitment by the community to the education of your students as we prepare them to contribute to their communities as informed, productive and engaged citizens.

Respectfully,

Cari Medd, Superintendent

Report of Town Clerk

The population of Greene reported from the 2020 Census was 4,376. That would be a growth of 26 people in a 10-year span.

Greene recorded: 2024: 44 marriages 35 births 39 deaths.

Marriage License intentions can be obtained from the Clerk; the fee is $40.00.

If you plan to apply for a marriage license, please be at the office no later than 3:00 p.m. as this is a time-consuming process.The following information is needed when applying for a license: Maiden name of mother for both parties; the state both your parents were born in and a certified copy of a divorce decree or death certificate if applicable.

Marriage license, birth and death certificates are not automatically sent to you. You must come to the town office for a certified copy. The fee is $15.00 for one copy and $6.00 for each additional copy purchased at the same time.

Dogs licensed in July 1, 2023 to June 30, 2024

24	Males/Females	0	Service Dog
206	Neutered/Spayed	0	Kennels

Fees to license a dog are $6.00 for Neutered/Spayed and $11.00 for Male/Female. Late fees begin February 1st of $25.00 per dog. All dogs over 6 months of age SHALL be licensed, even if the dog stays inside the house. If the dog is new to Greene, it must be licensed in Greene. Replacement tags for this are available for $1.00.

'New registrations will not be processed 15 minutes before the office closes.'

Titles: Titles are required for vehicles 2000 and newer. Information on the back of the title **must** be done by the seller of the vehicle. This would include names and address of who is buying the vehicle, current mileage, and signatures of who is selling the vehicle. Mileage is required on ALL vehicles, even if the title has exempt written on it. If the odometer is broken, we need the mileage that is there, and we will address the issue at the time of registration.

Bill of Sale: Must include date sold, buyer, seller, VIN, mileage and the amount sold for. Both buyer(s) and seller(s) must sign the bill of sale.

SR22 Insurance Filers: Please inform us of your status before we begin your registration. This applies to new and renewal registrations. We now have a phone number to call and will save you a trip to the BMV.

Transfers: You can only receive credit on a transfer if you have sold or transferred ownership of the vehicle. Please bring your old yellow registration with you to the Town Office.

Insurance Card: You must have an insurance card valid for the day you register. If you do not have a current insurance card, you can have your insurance company fax us a copy at (207) 946-2102.

Online Renewal Registration: You can renew your registration online by clicking on the Rapid Renewal icon on the Town of Greene's website. Have your current registration, mileage, and insurance card available. (new registrations cannot be done through Rapid Renewal.)

Payments Accepted: Cash, checks (**payable to Town of Greene**), debit or credit cards. There is a 2.5% convenience fee charged by the vendor to process credit and debit card payments.

Report of Registrar

As of December 31, 2024, the registered voters in the Town of Greene are as follows:

699	Democrat	176	Green Independent
1250	Republican	980	Unenrolled
34	Libertarian	73	No Labels

Total 3212 voters

Please remember it is your responsibility to keep your voter registration information up to date. Your name, mailing and physical address must be current to vote. It will take more time to vote if we have incorrect information. This could also hinder petitions you may have signed. Next time you are at the town office to register your car you can always check to make sure your information is current.

Greene is one of the few communities that still have the Town Meeting form of government. This is a two-part meeting. The first part will be held on August 1st, 2025, at the Town Office from 1:00 p.m. to 7:00 p.m. when you vote for Board of Selectmen and School Board Director. The second part is when the residents convened at the Greene Central School Saturday August 2nd, 2025, at 9:00am to vote on the town's budget. Absentee ballots are available for the first part of the meeting. The second part of the meeting you must be present to vote.

The election dates for 2025 are listed inside the back cover of the Annual Report. If you have any questions about voting and elections, please contact the Greene Town Office (207-946-5146) or visit our website at townofgreene.net.

I personally want to thank the warden, election clerks and helpers who take time out of their busy schedules to work the elections. The success of our election relies upon the dedication and work that they perform. If you would like to be an election clerk, please contact the Greene Town Office or visit our website at townofgreene.net.

E-Mail: ceo@townofgreene.net

Hello friends and neighbors;

It is a pleasure to have worked with you for another year and I look forward to all that 2025 will bring.

The Town of Greene continues to grow at a consistent pace. We are looking forward to some much needed commercial growth along the Route 202 corridor, specifically in the area of Gowell's Shop-N-Save with the addition of Aroma Joe's and a nearby multi use commercial development, and the addition of Pro-Decks of Maine at the intersection of Rt 202 and Allen Pond Rd. and The Greene Village Bakery on Patten Rd.

I want to extend my appreciation and respect to Don Bedford, Joe Turmel, Ben Westman, Dave Warriner, Byron Boyington and Mark Randall, who collectively make up the Town of Greene Planning Board, for their efforts in reviewing site plans and applying the Land Use Ordinance.

2024 saw a total of 84 Building Permits issued. The detail follows:

22 New Single Family Homes
16 Garages
16 Sheds
4 Additions
8 Decks
2 Swimming Pools
15 Residential Solar
1 Commercial Permits

The following plumbing permits were issued:

33 Sub Surface Waste Water Disposal Permits
29 Plumbing Permits

The town of Greene also issued 6 Marijuana Licenses for cultivation facilities.

I'm here at the town office Monday through Friday, 8:30 AM to 4:00 PM, or by appointment, to fit your schedule.

Best wishes for success in all you do in the coming year.

Respectfully,

Brent Armstrong
CEO/LPI; Town of Greene

Planning Board Report

The town of Greene Planning Board has been busy this past year. A good part of our meetings have been going over the town of Greene land use ordinance, as well as State of Maine regulations to plans that will affect the growth of the town. Any changes to the town of Greene land use ordinance that we have approved will be voted on at the annual Town meeting.

You may or may not know that. The Planning Board has approved a new bakery in town also an expansion of a repair shop to also do repairs on ATV vehicles so please help out these new businesses in town and seek them out

Anyone thinking of getting involved in a committee for the town of Greene. The Planning Board is a great one to start with either as a member or an alternate. Seeing on paper, a seven-lot subdivision finally taken place is very satisfying for a board number. Like the one that's taking place right now on Sedgley Road. We have just started looking over another seven-lot subdivision for the town. All you have to do is reach out to the Town office and they can set you in the right direction.

The work of the Planning Board could not be done without the help and leadership of our CEO Brent Armstrong and Lisa Merrill, our secretary! Thank you to both. And also a thank you to our selectman liaison Mark Randall.

The Planning Board members are Dave Warriner, Byron Boyington, Joe Turmel, Ben Westman, Leah Chouinard, and Donald Bedford.

GREENE VOLUNTEER FIRE DEPARTMENT

It is with great pleasure to present you with the 69th Greene Volunteer Fire Department annual report. The men and women of our department take great pride in our town and are committed to helping our community stay safe. In 2024, our Firefighters and EMT's responded to 504 calls within the Town of Greene and our neighboring towns.

In the past year, we continued to train our firefighters and EMT's in Ice Water Rescue training, boat rescue training and Firefighter I and II, our weekly and annual mandatory training as well as classes offered by our mutual aid towns and agencies.

As always, The Greene Volunteer Fire Department would like to recommend ways to help you stay safe and healthy.

- Install smoke and Co detectors in your home. Replace the batteries twice a year.
- Keep an adequate amount of fire extinguishers. Know how to use them and inspect them frequently.
- If you burn wood or wood pellets, be sure to clean or have your chimney or stove pipe cleaned regularly.
- Use your seat belts while driving.
- Slow down when roads are wet, icy or snow covered.
- Don't hesitate to dial "911" in an emergency. Seconds count.
- If you plan to burn brush, please obtain a free burning permit at Wardensreport.com or apps1.web.maine.gov and be aware of changing conditions that can cause a fire.

We would like to extend a sincere thanks to all of our Mutual Aid Fire Departments, The Greene Highway Dept, Androscoggin County Sheriffs Department, Androscoggin County Dispatch, Maine State Police and United Ambulance Service for their continued support to our town.

Julia Adams Morse Memorial Library

Morse library fosters a vibrant community by promoting reading, lifelong learning, and personal growth. We offer a welcoming space where people of all ages can explore materials, engage in programs, and connect with one another.

This year marks 70 years of operation for Morse library. The original Trustees wanted a place that welcomed readers, and the librarians strive to maintain that tradition today. The library has an average of 500 visits a month. Patrons enjoy seeing neighbors and meeting other residents of Greene. What started as a library that loaned books, has grown to include much more—films, puzzles, rock hounding equipment, telescope, cameras, microscope, snowshoes, garden seeds, and State Park passes. The support for the library from the voters at Town Meeting makes it possible.

The library's new, monthly e-mail newsletter is way to learn of library events, especially for patrons who do not use social media. Sign up at the library or email library@townofgreene.net.

Friday morning Story Time for our smallest patrons continues to be a well-attended event. We work with Greene Central School to promote the Summer Reading program and recently, all the GCS kindergarteners came to the library and now have their own library cards.

The book group for adults meets periodically-check the FB page or newsletter for upcoming dates. New members are always welcome. The presentation by Maine author, Tess Gerritsen, was well received.

In addition to our dedicated librarians and custodian, long-time volunteer Sue Turcotte helps with whatever needs doing. Linda Langlin, and Candy Greenwood sort through book donations to prepare for the annual book sale. Brenda Theriault has donated hundreds of Beanie Babies for the enjoyment of patrons, young and old. Student volunteer, Kimmie Ducharme, brings her smile, and skill with the Cricut and other mechanical challenges. Ryan McArthur assists with getting the newsletter out.

Our Facebook page is **Morse Library**. Follow the page for updates on happenings at the library. The library catalog is online at www.jammlibrary.org. You can also request books through Interlibrary Loan.

Greene Village Day Celebration Committee Report 2024-2025

We had another successful year celebrating Greene Village Day. The event took place on Saturday September 14th, 2024. The festivities began with the traditional Pancake Breakfast hosted by the Androscoggin Grange #8. The Greene Village Day Parade began with opening ceremonies conducted by Scout Troop #187. The National Anthem was played and sung by local residents, Mike Pond and Lori Witherell Russell. The parade then proceeded down Main Street. Thank you to Fire Chief and Board of Selectmen Representative, John Soucy for organizing the parade participants that morning and making sure things ran smoothly. We would like to thank all of our parade participants this year:

Town Of Greene (Office)
Kora Shriners: Kora Crazy Cops & Kora Drifters
Greene Youth Athletic Association (GYAA)
Androscoggin Grange #8
Greene Christian Community Church
Vista of Maine
Splash Trucking
Tickles the Clown
Androscoggin Sheriffs Department
Maine State Police
Forestry Service
Mark Burgess (Classic Cars)
Cecile Aube (Classic Cars)
Lindy's Auto
Harmon Woodworks
Children & Families that walked in the parade
Town of Greene Highway Department
Greene Fire Department
Greene Historical Society
Morse Memorial Library
Greene Baptist Church
Bubier Construction
Turner Fire Department
Leeds Fire Department
Monmouth Fire Department
Wales Fire Department
Stepping Stones Daycare
Rhymes & Reasons Daycare
Davis Farms
R & S Excavation
Scout Troop #187

We would also like to extend a heartfelt thank you to all those last minute participants that helped make the parade the success that it most certainly was. Your creativity, time, and community spirit helped make the day truly special. We could not have done it without your involvement and support. Our wonderful organizations in Greene continued hosting several events throughout the Greene Village Day.

The Androscoggin Grange #8 had Chili & Pie contests mid-day. It was a great turnout and 1st, 2nd 3rd & People's Choice contest winners received engraved spoon trophies. Later that evening, The Androscoggin Grange #8 hosted their 150th Anniversary Celebration with a 1920's inspired Gala. This event was created and executed by our beloved longtime Grange member and chairperson, Carol Buzzell. It was a wonderful evening, celebrating the Grange's rich history with hors d' oeuvres, mock-tails and dancing the night away!

The Morse Memorial Library was open to the public and hosted their annual Greene Village Day Book Sale on the front lawn and inside their facility. Our library does so much more than lend books, it helps to bring our community together, offers a safe and welcoming space for learning and supports individuals of all ages with resources, programs, and kindness. We are truly blessed to have such a dedicated, caring place in the heart of our town.

The Greene Historical Society was open to the public throughout the day and hosted a program, "Highlight" of Dr. Robert Hanscom Family display. They also handed out fresh popcorn throughout the day and held a bubble gum blowing contest. Our Greene Historical Society is truly a treasure, preserving out rich local history while bringing it to life though incredible events, exhibits, and educational programs. Their efforts deserve our support, and together, we can help preserve out town's story for future generations.

The Greene Youth Athletic Association participated in the parade and held soccer games throughout the day for their youth sports program's opening day. Always there to support Greene Village Day, their dedication to our kids and community is truly appreciated.

We hoped you had a wonderful time filled with fun, tradition, and wholesome hometown community festivities. Please understand the immense amount of effort that goes into creating, planning and putting on an event such as this. The committee at the moment consists of one member and a Board of Selectmen Representative. If you would like to see more events and things organized for Greene Village Day, we encourage you to go to the Town Office and register to join the committee. Without your help and support, none of this could be possible. Thank you.

Conservation Commission Committee Report 2024-2025

The Town of Greene Conservation Committee may be small, but we are proud of the impact we strive to make in our community. Our dedicated volunteer members work hard to maintain, improve and promote the safety, accessibility and preservation of our Town's walking trails and public spaces. From clearing debris and posting signage, to planning improvements and preserving the natural beauty, we are committed to making these outdoor spaces enjoyable for all. Our goal is to provide a welcoming environment where residents and visitors alike can connect with nature, stay active, and enjoy the peaceful surrounding Greene has to offer. Every effort we make is rooted in our love for this town and our belief in the value of public outdoor spaces. We appreciate the support that we have received thus far and encourage more community members to get involved. Together, we can continue to keep these spaces safe, clean, improved and inviting for generations to come.

We had another successful year. Our focus and efforts were on the continued progress of maintaining and improving the trail system off of Recreation Drive here in Greene. We would like to thank our fellow committee member Mike Gagnon for his drive and dedication for monitoring the trail systems and always being "ready with a chainsaw" and tools to cleanup the trails when possible.

This year we were able to complete our restoration project of one of the Red Trail bridges. With the help of Conservation Committee members, Mike Gagnon, Joe Coady, Megan Bates, Nicole Camire, Julia Coady and beloved community member Barry Beauchesne, who gave up his Sunday to help assist, we were able restore and make significant improvements to it. Our goal was to replace the damaged and rotting materials and ensure the longevity and safety of the bridge.

We partnered with Coach Milliken and the Leavitt Boys Soccer Team to have them volunteer their time to cleanup the trails. It was a wonderful day and we appreciated their hard work and dedication to volunteering their time to our community.

We continued our collaboration with Mathew Irish, Lisa Woody Irish and members of their Scout Troop on restoration and improving the amphitheater area on the trail system. Mathew Irish held a presentation of his proposal for this project and met with members of the Conservation Committee and Board of Selectmen Representative, Sheldon Bubier. It was a great presentation and we are looking forward to working with them this summer and fall on this project. This will help enhance this unique space for community gatherings, outdoor learning and recreation.

We would like to thank our Board of Selectman Representative, Sheldon Bubier for his continued support and involvement on this committee. We would also like to thank the Town of Greene, Town Manger and Selectmen for their continued support as well. Most of all we would like to thank the citizens of Greene for entrusting us to maintain these trails and other recreational areas within Greene. Without the support of the citizens and the dedicated volunteers of this committee, none of this would be possible.

We continue to encourage the citizens of Greene to explore these trails for walking, running, cross country skiing and snowshoeing throughout the year.

Respectfully Submitted,

Julia Coady Michael Gagnon Nicole Camire

Greene Historical Society 2023-2024

The Greene Historical Society had a "maintenance year" –- a year of reflecting, rebuilding, re-roofing, re-painting, receiving, and reciprocating.

Reflecting. Since last summer, we have spent time considering what our priorities should be. How can we support what Greene citizens want from their historical society? We looked to our lengthy "great ideas" list as well as the Greene Comprehensive Plan and realized that there are so many ideas and directions we could go, and yet too few active people to make it all happen. Being strategic and prioritizing our efforts is necessary.

Rebuilding. Encouraging more people to join GHS so we have a broad membership to tap into for guidance and activities is essential. (Shameless plug: please see our updated brochure, on the counter at the Town Office or on line [http://bit.ly/4n1g3fl)] and send in your membership form and 2025 dues! It's only $10 for the entire household.)

Re-roofing/Re-painting. Eternal gratitude goes to our two anonymous donors for the much-needed facelift! Preserving the Old Town House (GHS "home base") is such an amazing gift. Thank you. We also thank Jonathan Hall for his work restoring the historic windows. Rod Spear is also working to repair/replace our front door. Now it's up to us to spruce up the rest! Join us for some projects, including light housekeeping, repainting the shutters and re-hanging them, floor oiling, and more!

Receiving. The Norman family bequeathed Barbara Sawyer Nelson's yellow freight shed to the Town to benefit GHS (more details in Facebook: https://www.facebook.com/groups/559017109261804). While the transfer is still being finalized, we are excited to see what historical gems it might contain and understand what expectations/responsibilities are involved in caretaking.

GHS has also received several smaller donated items we'd love to show off when you visit! Look for our children's school desk, an old-fashioned ice cream churn, a gorgeous crazy quilt, and a sign from the Sisters of Immaculate Conception. If you have a historical treasure that needs a good home, please keep GHS in mind.

Reciprocating. Receiving is nice but giving back is so rewarding! Greene Village Day festivities, Trunk-or-Treat, Sheldon's gift of hundreds of pumpkins to sell in collaboration with the Grange, and Wreaths Across America were wonderful ways to celebrate our town, our children, and our veterans. We love throwing a party, making exhibits (such as that about the Hanscom Family) and hosting interesting programs.

Article 57: To see if the citizens of Greene will vote to authorize the Board of Selectmen and/or the Town Manager to apply for and accept State and Federal Grants and grants from non-profits organizations, donations or other revenues, on behalf of the Town for municipal purposes, including when necessary, the authority to sign grant contracts, documents and/or other paper work and accept the conditions that accompany grant funds, and to appropriate and expend grant funds and/or other funds for authorized purposes, as the Board of Selectmen deem in the best interest of the Town during the fiscal year July 1, 2025 through June 30, 2026.

Article 58: Shall the citizens of Greene amend the Ordinance entitled, Greene Land Use Ordinance as follows?

Land Use Amendments 2025

Amendments to Road Construction Standards, as recommended by George Farris to update to current best practices. Suggested amendments page 54 through page 57.
Words replaced or removed highlighted RED with ~~strikeout~~, words to replace or add highlighted YELLOW.

I've attached the entire LUO. The amendments are in Chapter 5, other than the ADU amendment shown above.

Amendment to 3-101.16 Accessory Dwelling Units

3-101.16 Accessory Dwelling Unit

A. Purpose

To meet the requirements set forth by the state of Maine in 30-A M.R.S.A. §4364

B. Applicability of Standards

a. All dimensional and setback requirements, as set forth in 3-101.2.F apply.
b. The accessory dwelling unit must meet all state subsurface waste water disposal rules.
c. One accessory dwelling unit permitted per qualifying lot.
d. A common driveway meeting the requirements of 5-201.1.J shall be utilized to access the primary structure and accessory structure, unless it can be demonstrated that a separate driveway will create a safer entrance.
e. The accessory dwelling unit shall have its own utilities, water supply and waste water disposal system separate from the primary structure.
f. Separation of primary and accessory structures of 50 feet minimum.

Amendments to Chapter 5 Roads Standards

5-201.1 Street Design Standards

H. Dead End Streets: In addition to the design standards above, dead-end streets shall be constructed to provide a cul-de-sac turnaround with the following requirements for radii. Property line sixty-five (65) feet; outer edge of pavement fifty (50} feet. The use of a hammerhead (also called a T or L) turnaround may be permitted as an alternative to a cul-de-sac turnaround where, in the opinion of the Planning Board, such a turnaround may provide for improved environmental protection, future extension of the street, future connection to another subdivision or subdivision expansion, or access to common land or facilities. In the case of a hammer-head turnaround, the street shall extend 125 feet beyond the furthest edge of the last driveway with a travel way width equal to that of the street. The centerline of the hammerhead or L portion of the turnaround shall be located 65 feet beyond the furthest edge of the last driveway and 60 feet from the end of the street. The width of the travel way of the hammerhead (L portion of the turnaround) shall be thirty (30} feet and the hammerhead shall be sixty (60) feet long measured from the center line of the street. (See sketch at end of Chapter). The width of the right of way for the hammerhead portion of the turnaround shall be 60 feet, minimum.

Hammerhead preferred. Diameter of cul de sac shall be minimum of 75 feet. Closed cul de sac only.

I. Grades, Intersections, and Sight Distances

1. Grades of all streets shall conform to general to the terrain so that cut and fill is minimized while maintaining the grade standards above.

2. All changes in grade shall be connected by vertical curves to provide for the minimum site distances below.

3. Where new street intersections or driveway curb-cuts are proposed, site distances, as measured along the street onto which traffic will be turning, shall be based upon the posted speed limit and conform to the table below.

~~Posted Speed limit (MPH)~~	~~25~~	~~30~~	~~35~~	~~40~~	~~45~~	~~50~~	~~55~~
~~Sight Distance (FT)~~	~~250~~	~~300~~	~~350~~	~~400~~	~~450~~	~~500~~	~~550~~

Replace with chart on page 69, 6-501.1.C.2

Posted Speed Limit	Sight Distance
25 mph	200 ft
30 mph	250 ft
35 mph	305 ft
40 mph	360 ft
45 mph	425 ft
50 mph	495 ft
55 mph	570 ft

Where necessary, corner lots shall be cleared of all growth and site obstructions including ground excavation to achieve the required visibility.

J. Common Driveways

1. Common driveways may serve two (2) single-family dwelling units. The Code Enforcement Officer shall review and approve all plans for common driveways.

2. The following design and construction standards shall apply to common driveways:

Minimum travel width	~~16 feet~~ 20 feet
Minimum angle of street Intersections	75 degrees
Maximum grade within thirty (30) feet of intersections	2 percent

5-301.1 Street Construction Standards

A. Minimum thickness of material after compaction:

Description	Collector	Minor	Privately Owned Street	Existing Private Road	Industrial/ Commercial	Mobile Home Park
Aggregate sub-base course	24"	18"	18"	12"	24"	18"
Crushed aggregate base course	3"	3"	3"	N/A	4"	3"
Hot bituminous pavement						
total thickness	3"	~~2.5"~~	2.5"	N/A	4.5"	2.5"
Surface course	3"	2.5"	2.5"	N/A	1.5"	2.5"
Base course				N/A	3"	

Total thickness should be minimum 4 inch.

B. Preparation

1. Before any clearing has started on the right-of-way, the centerline and side lines of the new street shall be staked or flagged at fifty (50) foot intervals.

2. Before grading is started, the entire right-of-way, width necessary for travel way, shoulders sidewalks, drainage ways, and utilities shall be cleared of all stumps, roots, brush, and other objectionable material. All shallow ledge, large boulders, and tree stumps protruding above the natural profile of the land shall be removed from the travel way, shoulders, sidewalks, and drainageways.

3. All organic materials shall be removed to a depth of two (2) feet below the subgrade of the roadway. Rocks exceeding twelve (12) inches in any dimension shall also be removed to a depth of two (2) feet below the subgrade of the roadway. On soils that have been identified as not suitable for roadways, the subsoil shall be removed from the street site to a depth of two (2) feet below the subgrade and replaced with material meeting the specifications for gravel aggregate sub-base below. Road stabilization fabric shall be placed between natural grade and placed materials. Fabric shall be overlapped 6 inches and extend minimum 3 feet beyond travel way.

4. Culvert Installation and Drainageway (Roadside Ditch) Construction

   a. Culverts shall be Installed in a trench a minimum width of 2 1/2 times the outside diameter of the culvert. In no case shall trenches be less than three {3) feet on each side to allow for compaction. Back fill material shall be in six (6) to eight (8) inch lifts and compacted. The area just outside the culvert end shall be lined with rip rap stone in a 5' linear direction. Minimum culvert length shall be 30 feet.

   b. Roadside ditches shall be constructed wherever necessary to collect runoff from the road and divert it away from adjacent property and/or collect runoff from adjacent property so that it would not flow onto the road or otherwise damage the road, its base, or appurtenant structures.

   c. Drainage Ways (Ditches): Drainage ways shall have a rounded {parabolic) cross section. Ditches shall be of sufficient depth to provide capacity for the anticipated stormwater flows, protection of the road and road sub-base, and diversion of surface and groundwater flows (approximately 18" deep). The ditch shall have sufficient width such that a line drawn from the center of the ditch to either edge of the ditch shall have a slope of no greater than three (3) horizontal to one (1) vertical.

5. Pavements

   a. Minimum standards for the base layer of pavement shall be the MDOT specifications for plant mix grade B with an aggregate size no more than 3/4 inch maximum. (19.5 mm)

b. Minimum standards for the surface layer of pavement shall meet the MDOT specifications for plant mix grade C with an aggregate size no more than 1/2-inch maximum (12.5 mm), minimum aggregate 9.5 mm.

c. All intersections shall have Hot Bituminous Pavement, meeting the standards set forth in Section 5-101.13.A, in each direction extending 50 feet from the edge of the intersecting travel way.

D. Additional Improvements and Requirements

1. Erosion Control: The procedures outlined in the erosion and sedimentation control plan using best management practices shall be implemented during the site preparation, construction, and clean up stages.

2. Cleanup: Following street construction the developer or contractor shall conduct a thorough cleanup of stumps and other debris from the entire street right-of-way. If on-site disposal of the stumps and debris is proposed, the site shall be indicated on the Plan and shall be suitably covered with fill and topsoil, limed, fertilized, and seeded.

3. Street Names, Signs, and Lighting: Streets that join and are in alignment with streets of abutting or neighboring properties shall bear the same name. Names of new streets shall not duplicate, nor bear phonetic resemblance to the names of existing streets within the municipality and shall be subject to the approval of the 911 Addressing Officer. The developer shall reimburse the Municipality for the costs of installing street name sign, traffic safety signs and speed limit control signs. Street lighting shall be installed as approved by the Annual own Meeting.

4. For emergency response, house numbers shall be minimum 4 inch height, on contrasting background, visible within 50 feet from street and from either direction.
