"ONE STRIKE & YOU'RE OUT" POLICY

I. Introduction

On March 28, 1996, President Clinton issued an Executive Order requiring the implementation of screening procedures and immediate eviction or termination of assistance from federally funded housing programs of persons who engage in drug related or serious criminal activity. President Clinton directed HUD to issue national guidelines to enforce this policy through tenant screening and lease agreements.

In response to that executive order, the Hall County Housing Authority has adopted a "One Strike & You're Out" policy.

II. Applicant Screening

All applicants, including all members of the family 18 years or older, will be screened for suitability of tenancy as stated in the Admissions and Continued Occupancy Policy and the Administrative Plan. A family will be denied housing opportunities if the following apply:

A. Drug-related Criminal Activity

Drug-related criminal activity is defined as the illegal manufacture, sale, distribution, use or possession with the intent to manufacture, sell, or use a controlled substance. HCHA will consider applicants with any drug related history in violation of this policy. This includes but is not limited to possession of drug paraphernalia, possession of marijuana and other relatively less severe criminal drug related acts.

B. Alcohol Abuse

Alcohol abuse is defined as reasonable cause to believe that a person abuses alcohol in a way that may interfere with the health, safety or right to peaceful enjoyment of the premises shared by other residents.

C. Serious Criminal Activity

Serious criminal activity is defined as any crime which is of a violent, sexual, or drug related nature. Any crime that is considered a felony by law enforcement agencies will also be considered as serious criminal activity.

D. Outstanding Warrants

Any applicant with an outstanding warrant will not be admitted to housing while that warrant is active regardless of what that warrant is for. Warrants will be resolved prior to admittance to any HCHA Programs.

E. Gang Related Activity

Any person listed on the application that has been identified as a gang member by a law enforcement agency or has been involved in gang related activity (on or off HCHA property) in the last five years will be subject to this policy. HCHA will consider any

evidence provided that may refute the gang membership or activity when making this determination.

If a member of a family has engaged in any of the above definitions within the last 5 years, they will be denied. Certain violations such as a conviction of manufacturing or producing Methamphetamine will result in lifetime housing denials (see Admissions & Continued Occupancy Policy or Administrative Plan for detailed information).

Any applicant family that is deemed ineligible as a result of the Hall County Housing Authority's screening process shall be afforded the opportunity for an informal review pursuant to the established policy.

III. Tenant Eviction – Termination of Assistance

It is the policy of the Hall County Housing Authority that the public housing and Section 8 programs shall not be available to tenants or members of their households who engage in criminal activity or who have guests or other invitee who engage in such activity. To this end, tenant hereby covenants and agrees as follows:

A. During the term of his or her tenancy hereunder, tenant shall not engage in any criminal activity whether the activity occurs on the leased premises, on or near the development or in any other location whatsoever; and

B. During the term of his or her tenancy, no member of tenant's household that resides with the tenant during the term hereof, whether a minor or an adult, shall engage in any criminal activity, whether that activity is on the leased premises, on or near the housing development of which the leased premises are a part, or in any other location whatsoever. It shall be presumed that any individual who is listed on this lease as a member of tenant's household, or who otherwise is listed in management's files as a member of tenant's household and who engages in any criminal activity resides with tenant unless tenant before the date of any incident giving rise to criminal activity, shall have specifically informed management, in writing, that said individual is no longer a member of his or her household and no longer resides upon the leased premises. Further, tenant is responsible for the actions of any guest invited onto the grounds by the tenant or on the grounds by tenant consent; and

C. For purposes of this covenant, criminal activity shall include, but not be limited to any of the following serious misconduct.

1. Physical assault or the threat of physical assault to any person whatsoever;
2. Illegal use of a firearm or other weapon or the threat of illegal use of a firearm or other weapon.
3. Illegal possession, manufacture, sale, distribution, use or possession with intent to manufacture, sell, distribute or use of a controlled substance, unless such controlled substance was obtained directly from or pursuant to a valid

prescription or order by a practitioner as defined by (21) of section 28-401 of the laws of the State of Nebraska, while acting in the course of his or her professional practice. HCHA will consider tenants who have committed any drug related crime in violation of this policy. Drug related crime includes but is not limited to possession of drug paraphernalia, possession of marijuana and other relatively less severe criminal drug related acts as well as all misdemeanor and felony related drug activity.

4. Sexual molestation, debauchery of a minor, prostitution and other similar related serious misconduct.
 5. Inviting a known banned person onto the property by a resident is grounds for lease termination and eviction from the premises. For purposes of this policy an invitation would be defined as allowing a known banned individual into the tenant home or accompanying them on the property without notifying law enforcement within 10 minutes of their arrival. A list of such persons is printed at the Administrative office.
 6. If HCHA determines that a tenant's excessive use or habitual misuse of alcohol interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents, the HCHA may terminate the lease.
- D. Tenants identified as gang members or involved in gang related activity (on or off HCHA property), as determined by law enforcement agencies, will be terminated from the Housing Choice Voucher program or be evicted from Public Housing.
1. Gang members identified on HCHA grounds will be subject to HCHA Ban and Bar provisions.

Compliance with this covenant is a material condition for continued occupancy of the leased premises by the tenant or continued tenant based assistance, and any breach of this covenant by tenant shall be cause for termination of this lease and eviction from the premises or termination of assistance. If the HCHA believes, in good faith, that a breach of this covenant has occurred, it may terminate this tenancy or assistance without regard to the following:

1. Whether or not any person, whose conduct is at issue, has been arrested, charged, or convicted by law; or
2. Whether or not the tenant had any knowledge in fact, of criminal activity engaged in by a member of said tenant's household or of any guests or invitee of said tenant or of a member of said tenant's house hold.

For purposes of this covenant, it shall be conclusively presumed that a breach hereof constitutes a serious and clear danger to the health or safety of other tenants or employees

of HCHA. Due to the nature of these issues, the Hall County Housing Authority will not grant Administrative Hearings and/or Informal Reviews to current housing participants who violate this policy. Notwithstanding the foregoing, however, it shall be HCHA's duty, in any eviction or termination proceedings to prove by preponderance of evidence that a breach of this covenant has occurred.

Note: A preponderance of evidence does not require an arrest and/or conviction for criminal activity. It is only necessary that the Hall County Housing Authority have enough credible information that a strong indication of; or a history of criminal behavior. Determinations of ineligibility are "civil" rather than "criminal" matters, therefore, "proof beyond reasonable doubt" is not required in order to make determinations of ineligibility, eviction or assistance termination under this policy.

Your filing of bankruptcy will not result in the removal of debt owed or termination information from HUD's EIV system. However, if you have included this debt in your bankruptcy filing and/or this debt has been discharged by the bankruptcy court, your record will be updated to include the bankruptcy indicator, when you provide the PHA with documentation of your bankruptcy status.

The information collection requirements contained in this form were submitted to the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520). The public reporting burden is estimated at 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Section 644 of the Housing and Community Development Act of 1992 (42 U.S.C. 13604) imposed on HUD the obligation to require housing providers participating in HUD's assisted housing programs to provide any individual or family applying for occupancy in HUD-assisted housing with the option to include in the application for occupancy the name, address, telephone number, and other relevant information of a family member, friend, or person associated with a social, health, advocacy, or similar organization. The objective of providing such information is to facilitate contact by the housing provider with the person or organization identified by the tenant to assist in providing any delivery of services or special care to the tenant and assist with resolving any tenancy issues arising during the tenancy of such tenant. This supplemental application information is to be maintained by the housing provider and maintained as confidential information. Providing the information is basic to the operations of the HUD Assisted-Housing Program and is voluntary. It supports statutory requirements and program and management controls that prevent fraud, waste and mismanagement. In accordance with the Paperwork Reduction Act, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information, unless the collection displays a currently valid OMB control number.

Privacy Statement: Public Law 102-550 authorizes the Department of Housing and Urban Development (HUD) to collect all the information (except the Social Security Number (SSN)) which will be used by HUD to protect disbursement data from fraudulent actions.
