The Adventure BEGINS WHEN You Register!

Registration for Summer Reading is open May 22 through August 3!
Register from home using the link to Beanstack on website or via the Beanstack Tracker app for Apple or Android. You can also register in persona at any Hall County Library Branch!

If you’ve already created a Beanstack account for a previous summer or the 1,000 Books Before Kindergarten program with HCLS, please use your existing account. Reset your password if you do not remember it.

If you’re new to Beanstack, select “Register an Individual or Family” and follow the prompts to set up your account!

Please make sure when you register to indicate you’re reading with the Hall County Library System and not as an “Independent Reader.”

Parents and caregivers will first create their own account, then create and manage reading accounts for their children and other family members by following the prompts on Beanstack.

Adults reading on their own should register themselves as an Individual.

- Log into your Beanstack account through hallcountylibrary.beanstack.org.
- In the upper left, select Log Reading and Activities.

- Choose the appropriate log type for their age.

**Babies through preschoolers** will log the **BOOKS** they read.

- You still receive points if you log the same book multiple times.

**Elementary school children through adults** will log the **MINUTES** they read.
- Enter the amount of time spent reading.
- Earn one point for every minute read!

PLUS earn points and badges for activity challenges and using library services:
- Click "Log Activities," record the items you’ve completed
- Click "Close" to return to the home screen.
- To view all your badges, points etc, use the tabs at the top of the pages.

Beanstack will remind you to visit the library when you earn prizes. Prizes may be claimed at the library between May 28 and August 3, while supplies last.
