TOWN POLICY
Department of Public Works (DPW) Vehicle Use Policy

EFFECTIVE DATE: 10/17/2022

POLICY NO: 22-03

When the Director of the Hancock Department of Public Works lives within 6 miles of the DPW garage they may use a town vehicle to drive to and from work. Having a town vehicle allow the Director to respond to emergency and work situations in the most efficient manner possible. The vehicle will be used for town business only. During storm or emergency situations, the Director will use their discretion to allow other DPW workers who live within 6 miles of the DPW garage to take vehicles home in order to have the most effective response to a storm or emergency event.

Adopted by the Selectboard the 17th day of October, 2022.
