NEW BUSINESS

Approval of budget for Fiscal Year 2023:

HCLS Business Manager Terri Crump-Stalls presented an overview of the library’s current financial status, and presented staff recommendations for the budget for FY23. There was a discussion of the general current economic outlook and the status of library funding sources. The Henry County Board of Commissioners increased library funding for FY23, with the additional funds specified to restore Saturday service hours and hire a full time Programming and Outreach Librarian. Several budget options were presented, with consensus on a budget in the amount of $3,439,363. That reflects a 3% raise for hourly staff who have been with the Library System for six months or more, the addition of a full time Programming and Outreach Librarian, and the addition of Saturday service hours at all locations.

- Motion by Mary Scroggs to approve the budget for Fiscal Year 2023 in the amount of $3,439,363 seconded by Chet Ivey; motion approved.

Proposal to change the date of the October staff training day:

The Georgia Libraries Conference has been moved from the first week of October to the second week, creating a conflict with the previously approved HCLS staff training day. Several staff members who need to attend the in-house staff training day are committed to GLC as well.

- Motion by Mary Scroggs to move the HCLS staff training day from October 14, 2022 to October 21, 2022, seconded by Anne Franklin; motion approved.

Addition of Saturday service hours:

The Library Director provided an overview of how weekend service hours were scheduled in the past. At time, branches have been open either 10:00 AM to 2:00 PM on weekend days, or 1:00 PM to 5:00 PM. She provided the results of a staff survey indicating an overwhelming preference for 10:00 AM to 2:00 PM. There was also a discussion of the benefits of having some morning and some afternoon hours to accommodate library users who have other commitments on Saturdays. Because of the summer programming schedule and the need to hire and train additional staff, the Director recommended that Saturday hours resume in August.

- Motion by Leslie Wantland to approve the addition of Saturday hours beginning in August, 2022, with service hours at all locations set at 10:00 AM to 2:00 PM, seconded by Mary Scroggs; motion approved.

Juneteenth Holiday

The Board had previously approved June 19, 2022 as a paid federal holiday, on the assumption that the McDonough branch would be open for Sunday service by June and
that branch would be closed in observance of the holiday. Due to the difficulty of predicting service levels during COVID, HCLS has not resumed Sunday service hours at this time. The Trustees declined to close the libraries on Monday, June 20 in observance of the holiday, due to the full schedule of Monday classes and activities already heavily advertised at all branch locations.
