Meeting Room [Policy adopted 10-2011 ; Revised 2015 May 14 ; Revised 2016 Jul ; Revised 2017 Nov 9 ; Revised 2018 Sep 13]

Purpose

As part of its service to the community, the Houston County Library System provides meeting rooms for use. Programs held in the meeting room are provided as a public service and are not endorsed or sponsored by the Houston County Public Library, the library staff or the Library Board. Publicity for the event should not imply Library sponsorship or affiliation. The Library reserves the right to monitor all meetings held on its premises.

The library facilities shall not be used for any commercial activity unrelated to a program or exhibit which falls within the normal scope of authorized library functions. For example, an author or artist discussing, presenting, or displaying their works will be permitted to offer these works or objects of art for sale during the program, presentation, or exhibit.

Meetings, events, programs or activities that might disturb regular library operations shall not be permitted. If a meeting or event in progress does disturb regular library operations, the library reserves the right to immediately terminate the meeting or event. The group, upon notification of the disturbance, shall immediately be asked to discontinue the disturbance or vacate the premises and property.

The Library reserves the right to deny use to individuals or organizations whose perceived intent is to offer programming that recruits the general public as participants. The Library offers an alternative path for programming consideration and those individuals or organizations may be redirected for further consideration.

Nola Brantley Memorial Library and Perry Library have local history rooms. These rooms are intended to be available at all times for library patrons seeking information about genealogy, local history, and/or our local communities.

Library Use

Library sponsored programs or activities, such as children's story times, computer classes, book talks, and staff training, will always receive first priority for use of the meeting room.

Reservations

All reservations for use of the meeting room must be approved by the Branch Manager or a Supervisor at the requested branch. Branch Managers and/or the Director, at their discretion, may refer some requests to the Meeting Room Committee of the Houston County Library Board for their approval. The Meeting Room Committee meets on an as-needed basis. Denials will be notified in writing, either by email or by regular mail, and will include the reason that the request was not approved.

The Library cannot guarantee a regular meeting place for any group or organization. As a community resource, this room should not be monopolized by a limited number of groups or organizations. The Meeting Room may not be reserved for more than two (2) meetings in advance and for a date no more than two (2) months in advance.

Capacity

Maximum capacity for the meeting room in Warner Robins is 35, Centerville is 40, and Perry is 40. Attendance at public programs must not exceed these limits. Groups requesting reservation of the room should be certain that space and seating is adequate prior to the use of the room.

Responsibilities

The Library Board will hold the authorized representative of the organization responsible for the costs of damages to library facilities. Likewise, the Library Board requires that such representatives sign that the organization will hold the library harmless for claims, liabilities, and/or damages directly or indirectly related to the use of library facilities. The organization representative must fill out an application for use prior to use of the room and must provide a local contact and phone number.

Guidelines for Use by the Public

- All meetings are open to the public and free of charge on a first come, first serve basis with booking allowed no more than two months in advance. Display Policy

Revised and adopted by HOUPL Board of Trustees 2015 May 14

Displays and exhibits are important to the library and are intended to be used by staff to promote library collections, services and programs. Library displays have priority over all other displays.

The library reserves the right to reject any part of an exhibit or to change the manner of display.

The artist or crafts person may display their name and phone number so that patrons who may be interested in purchasing items may contact them by phone to arrange the sale.

The owner or artist shall be responsible for the removal of items at the end of the designated display period.

The library's insurance policies do not cover the replacement or repair of loaned items. Therefore, collections or artwork are displayed or stored at the library at the owner's risk. Every effort will be made to carefully and responsibly handle, protect and store collections loaned to the library, but the risks shall remain with the owner. A signed "Display Materials Release" form must be on file with the Library prior to mounting of any display.
