Unless otherwise noted, all new tractors include block heater and rear work light. All new tractor loaders include bucket hook and grill guard. All equipment quotes include set-up and training. Additionally, at the first service interval (50 hrs.), the customer pays for fluids and filters only; Union Farm Equipment will absorb all labor and transportation costs within 50 miles of Union. In most cases, warranty work is performed at the dealership. Transportation is available, please ask for details.

<b>Total</b>
\$19,390.00

**SAFETY IS IMPORTANT TO US:** We offer loaded rear tires on new tractors at wholesale cost.

We appreciate this opportunity to earn you as our customer.
