Commissioners,

Things have been pretty steady here at the RCC. Staff has handled some busy times with storms and other incidents throughout the County.

Examples of one the busy times was early on when we had the cold snap. Below is a break down of numbers between 2/3 – 2/5.

911 – 144
Fire – 53
EMS – 39
Law – 200

Keep in mind that some of these calls involved more then one agency at a time. We had a report of 6 possible structure fires during this time. These calls involve numerous departments responding at once.

Respectfully,

Robert Coombs - Director
