Dear Commissioners:

We are asking the Knox county Commissioners to fill by appointment a Public Sector seat on the Penquis Knox County Steering Committee. The appointment will become effective immediately.

Sheriff Patrick Polky has accepted an invitation to join this Committee and we ask that you make this appointment official by approving his membership. If you do not agree with this appointment, you can choose to appoint someone of your choice.

In accordance with our Bylaws, the person appointed by you must either be an elected official or must have general governmental responsibilities.

Please contact my Executive Assistant, Tammy Davis, tdavis@penquis.org, if you have any questions or if we can otherwise be of assistance in filling this seat.

Sincerely,

Kara Hay
Chief Executive Officer
