911 Numbers

All utility customers of the City of Lone Oak are required to put their 911 address up on their residence and place of business immediately. The number shall be conspicuously placed immediately above, on, or at the side of the proper door of each building so that the numbers can be plainly seen from the street on which the number is based. Numbers shall not be less than three (3) inches in height.

All utility companies and emergency personnel use 911 addresses to locate these structures. It is easier to find in case of an emergency when the numbers are properly placed. If you have any questions, please contact the City of Lone Oak at 903-662-5116.

Thank you for your cooperation.
