

Winter Maintenance Road Closure

To see if the Town will vote that orders made by the Municipal Officers pursuant to 23 M.R.S.A. § 2953 to close roads to winter maintenance, or to annul, alter or modify such orders, are and shall be a final determination. It is the opinion of the Municipal Officers of the Town of Madawaska that the roads designated below are located with reference to population, use and travel thereon, that it is unnecessary to keep them maintained and open for travel during the months of November, December, January, February, March and April or any part of these months for a period of ten (10) years. It is also the opinion of the Municipal Officers that the ten-year winter closure list be reviewed during that time should there be a potential development.
