

Middlebury Summer Fun Day Camp 2024

- Summer Fun is offered for 5 weeks between June 10–July 19 daily (Mon thru Fri). Summer Fun will not be offered for the week of July 1-5.
- Kids must be between 6-12 years old and must live in the Middlebury School District.
- While the program is free to attend, there are certain activities like field trips and inflatables that have associated costs. There will be three (3) field trips this year, with a discounted entrance cost of \$10 per trip for each child. There will be five (5) inflatables set up for our water days. These are a kid favorite! \$20 will help offset the costs of these inflatables.
- \$50 will cover all fees for the entire camp per child. If there are days that your child will miss a field trip or planned water day, the registration costs could be lower.

The field trips are listed below. Each field trip has a discounted entrance cost of \$10 per child. Please check the box of each field trip that your child will plans to attend.

| | | | |
|--|---------|--------------------------|---------|
| Science Central in Fort Wayne, IN | June 27 | <input type="checkbox"/> | \$10.00 |
