

5/10/2022

Meeting called to order 6:00 PM

Present:

Mayor Bryan Wilkins

Ken Baker

Alisa Griffis

Roy Griffis

Public Comment: June McLean – mosquito spraying

Dana Joslin: letter sent regarding lawn mowing 2nd & Murphy

Cornelia Haynes: Request to record city council meetings for website

Ann Boyles: Wants a police officer in our city, said Dana Joslin has information for a 1 year start-up grant. Also wondering why another trailer in the city at the end of third street hasn't gotten a letter.

Sarah Neal: Discussed altercation between Jeremy and Mayor during lunch.

Agenda items: Let the minutes be amended that Roy Griffis was present on April 18th City Council meeting.

Water Report provided by Sarah (last name needed)

*Completed readings regarding bacteriological counts, completed work orders, meters off/on, meter audits, 1616 Manhole repair, flushing of Highway 31 (dirty water presenting).

Provided letter of termination of contract.

During this discussion, it was publically stated by Mrs. _____ (Sarah) that the date the bill was screen shotted and texted was April 12th, and the payment was received 3 days later via quickbooks on May 15th.

Executive Session: 6:11 PM – per personnel issues: Government code 551.071 was read to the public in the meeting so that we could consult with Attorney.

Reconvened at 6:18 PM with the public

Bryan: TECQ does not allow a water grace period to fulfill the requirements of the city, so we need to hire a temporary water contractor until we can fulfill the requirements of bidding and hiring another water contractor. Alisa Griffis proposed hiring Athens Contractors due to Aqua Services terminating their contract effective immediately. Ken Baker moved, Roy Griffis seconded. Carried unanimously.

A proposal for broken concrete culverts was proposed moved by Alisa Griffis and seconded by Ken.
Carried unanimously

Raising the attorney's fees to \$235 and hour (average state fees for this work is \$286 per hour).

First: Ken Baker

Seconded: Roy Griffis

Carried unanimously.

Mayor's Report: Culverts not draining - the fire department will rig a hose to flush culverts.

The next City Council meeting will be June 14th at 6:00 pm.

Meeting adjourned at 6:23 PM
