

TOWN OFFICE PARKING LOT POLICY

It is the Board of Selectpersons intent that the Town Office parking lot be available for short-term resident parking. With this in mind, the Board establishes the following policy:

1. Parking will be allowed for all residents in need of temporary overnight parking.
2. Parking will be available for passenger vehicles and non-commercial vehicles.
3. There will be no parking for boats, tractors, motor homes, buses, etc.
4. Parking will be restricted to ~~30~~ 14 days during the summer, June 1 through September 30. (Keys should be left in the Town Office)
5. There will be no all winter parking as there has been in the past. Arrangements should be made to return vehicles to owner's property when leaving in the fall.
6. Parking will be in an orderly manner and should not restrict traffic or other parking.
7. This policy is to prevent long term parking or storage of vehicles so that area is available for all residents as they need it.

This policy will take effect upon approval.
