PLAN REVIEW REQUIRED.

A plan review may be required before work is started. Only homes under 3,500 square feet are exempt from plan review.

Have you submitted a plan? Yes No

HOMEOWNERS AFFIDAVIT: I hereby certify that the mechanical work described above shall be installed by myself in my single family dwelling in which I live or am about to occupy. All work shall be installed in accordance with the Michigan State Mechanical Code and will not be covered, enclosed or put into service until it has been inspected and approved by a township inspector. I will cooperate with the township and assume all responsibility to arrange for and obtain all necessary inspections. SECTION 23a of the State Construction Codes Act of 1972, Act No. 230 of Public Acts of 1972, being Section 125.1523a of the Michigan Compiled Laws, prohibit a person from conspiring to circumvent the licensing requirements of this State relating to persons who perform work on, or construction of residential buildings.

VIOLATORS OF SECTION 23a ARE SUBJECT TO CIVIL FINES.

EXPIRATION OF PERMIT: A permit remains valid as long as work is progressing and inspections are requested and conducted. A permit shall become invalid if the authorized work is not commenced within six months after the issuance of the permit or if the authorized work is suspended or abandoned for a period of six months after the time of commencing the work. A permit will be cancelled when no inspections are requested and conducted within six months of the date of issuance or the date of a previous inspection. Cancelled permits cannot be reinstated.
