IF THE INFORMATION IN THE APPLICATION FOR AN IMPROVEMENT PERMIT (“IP”) IS FALSIFIED, CHANGED OR THE SITE IS ALTERED, THEN THE IMPROVEMENT PERMIT AND/OR THE AUTHORIZATION TO CONSTRUCT (“CA”) SHALL BECOME INVALID. The permit is valid either for 60 months or without expiration depending upon documentation submitted.

Applications will be returned to applicant if found to be incomplete, sites are not accessible for evaluation and/or property lines are not properly identified. It is advised that the applicant or his representative contact a Utility Locator Service prior to beginning excavation on any site.

I have read this application and certify that the information provided herein is true, complete and correct. Authorized county and state officials are granted right of entry to conduct necessary evaluations and inspections to determine compliance with applicable laws and rules. I understand that I am solely responsible for the proper identification and labeling of all property lines, corners, including applicable legal agreements (easements, right-of-ways, etc.), and the proposed facilities/structures in accordance with the submitted site plan or plat. I understand that I am responsible for making the site accessible so that a complete evaluation can be performed. I also understand that in the event a site visit is made and the property boundaries are not properly marked a \$75.00 revisit fee must be paid for an additional site visit.

If not the property owner submitting the application, this IP application must be accompanied by an owner's legal representative letter.

Signature of property owner or owner’s legal representative (required) Date
