Vaccines: VFC & Private, Does BOH want Health Dept to buy private vaccines for community, although private insurance cannot be billed?

CDP: Does the BOH want EH to provide a link to see all sanitation grades?

Summary:

- Participated in Family Fun Day, Rabies Clinic, Croaker Festival
- REHS Intern started in October for On-Site
- Met with T. Buck about HD Budget last week
- Hosted Duke University in our newly renovated conference room
- Some interest in AHOH membership
- EH achieved 100% of inspections last quarter
- Met with Family Planning Consultants & Financial Consultants last month (billing & coding issues)
- Working on getting all MOUs and AAs signed
- Training individual to back me up as Deputy Registrar
- Meeting with Preparedness Regional & WIC Regional next month
- Waiting on Roof Reimbursement for the County
- Trying to get all ARPA \$\$ allocated, so that we do not lose any.
