DSS Social Services Board Meeting

Members Present: Angelo Midgette, Chair, and Alma Credle

Staff Present: Debbie Green, Director

Chair-Angelo Midgette called the meeting to order.

Due to not having a quorum, the April and May minutes could not be approved.

Program Integrity Worker, Mollie Ferrara, discussed an IPV (Intentional Program Violation):

- Investigation appears to show client knowingly withheld information that would affect their Medicaid eligibility
- DSS board is consulted in program integrity cases where a voluntary recoupment is unlikely
- A determination is being made whether to pursue court action and the procedure for doing such

Medicaid Supervisor, Anita Mayo, presented on outcomes of two recent Medicaid monitoring:

- DMA (Department of Medical Assistance) Application Monitoring passed with no corrective actions required
- Special Assistance Monitoring passed with no corrective actions required

Director's Report:

- Board Member Update--Nancy Piner has indicated an interest in serving on the DSS Board. She will be submitting an application to the State for approval
- Update on pending House/Senate bills—former SB 594 suggesting regionalization of county social service agencies has been rolled into HB 630-Rylan's Law/Family/Child Protection & Accountability Act. It was revised to say that regionalization would be voluntary. It is awaiting signature of the Governor.
- Personnel—Board went into closed session to discuss a personnel issue

Meeting adjourned

The next DSS Board meeting will be July 25, 2017.
