DSS Social Services Board Meeting

Members Present: Chair, Angelo Midgette and Pat Prescott

Staff Present: Debbie Green, Director, Deborah Jones-Note taker

Chair – Angelo Midgette called the meeting to order.

March and April 2018 minutes were not approved due to not having a quorum.

Angelo Midgette reported on the Salvation Army Annual Volunteer Appreciation luncheon. He stated Pamlico County was well represented at this event. The Reelsboro Pentecostal Church was noted to have raised the most money in the County.

Director's Report:

- House Bill 630 – There will be a State and County written agreement. Part of this agreement will allow the County to go into Corrective action before the State can withhold funds. The decision was made for the County's to have Regional State oversight instead of regionalizing Social Services.
- NCFASST Child Welfare phase 4 has been placed on hold. It was suppose to go live June 25th but the system is not working properly. The Director's Association has refused to allow Phase 4 to continue until working properly. Some of the Pilot counties have had a 50% staff turnover due to the problems.
- July 1, 2019 is the proposed start date for Medicaid going to a prepaid Health Plan(HMO's). The State will have to work out how this will work with NCFASST. This may result in Medicaid being divided into six regions throughout the state.
- Phyllis Buck and Nancy Piner have expressed concerns over missing too many Board meetings. Phyllis would like for us to find someone else to take her place.
- For the two vacant position (IMCII and SWIII), there were three applicants. One applicant has many years of experience from Craven County

The Pamlico County DSS Board met in closed session pursuant to N.C.G.S. ss143-318.11(a)(3), (6) to discuss personnel matters.

The next DSS Board meeting will be June 26, 2018 at 9:00 am.
