Director's Report:

- D-SNAP – Disaster Supplemental Nutrition Assistance Program ran eight straight days starting September 28, 2018 except for Sunday. During that time operations went really well, to include staff scheduling, organized crowd control, random USDA visits, proper laws, signing and lines. Clients who already received food and nutrition services automatically received a supplement. DSS serviced about 1020 households that may not have normally be eligible under regular SNAP rules, which may have qualified for the D- SNAP during the disaster recovery.
- Director passed out information containing all the mandated services and programs administrated by Pamlico Social Services.
- Part time position approved for finance department. This will help cover budget, report, reviews and training.
- Protective services have obtained a few new guardianships though the disaster of the hurricane.
- Pamlico DSS will soon be getting information and updates in regards to the applications for the Toys for Pamlico Kids. Pamlico Chamber of Commerce and Camp Sea Gull/Seafarer are coordinated the Toys for Pamlico Kids again this year. The event will take place at the Taylor Lodge at Camp Seafarer.

The next DSS Board meeting will be November 27, 2018 at 9:00 am.
