DSS Social Services Board Meeting

Members Present: Angelo Midgette-Chair, Beth Bucksot

Staff Present: Debbie Green, Director and Danielle Jones – Note taker,
Sheila Stansberry- Program Supervisor

Chair-Angelo Midgette called the meeting to order.

- Director went over Pamlico County Department of Social Services / Human Services Energy Programs Outreach Plan. Programs consist of LIHEAP low income home energy assistance program and CIP crisis intervention program. S. Stansberry went over how the program operates and what's required. Each year, the State requires each DSS to complete an Energy Programs Outreach plan to ensure that residents and families are made aware of the program and availability of funds. This plan had to be approved by the local DSS Board and submitted to the state before the next meeting. Approved by Angelo Midgette and Beth Bucksot during meeting with email approval by Pat Prescott and Nancy Piner.
- Program numbers were also passed out to board members. This was created for board members to have a better understanding of how many clients are served and case sizes per program.
- All other items on agenda were tabled until the next meeting.

The next DSS Board meeting will be July 22, 2019
