Members Present: Angelo Midgette-Chair, Pat Prescott-Co Chair, Beth Bucksot

Staff Present: Debbie Green, Director and Danielle Jones – Note taker,

Sheila Stansberry- Program Supervisor Carinna Smith - Guest

Chair-Angelo Midgette called the meeting to order.

July and August 2019 Minutes approved.

- Hurricane Dorian update. Shelter was open from Wednesday evening to Saturday morning. Pamlico county served about 238 people; Salvation Army provided meals; changes that went into effect from previous experiences helped the shelter's operation run much more effective things were positive and went really well. Still working on having a communication line.
- Food and Nutrition Service or FNS September 19, 2019 conducted a mass replacement for those who received FNS benefits. 30% of what was normally received for the month of August was replaced in September due to hurricane Dorian effects.
- Program numbers were presented to board members. This is created each month for board members to have a better understanding of how many clients are served and case sizes per program.
- Sheila Stansberry went over upcoming Medicaid audit. The State is looking for eligibility in regards to SSI- supplement security income cases. Pamlico had one case pulled and reviewed.
- Personnel- Open position posted child proactive services investigator still open with little to none inquires. Filled Medicaid position. Possible intern social worker interview will be conducted. An adult protective services part time worker has started working full time in APS.

The next DSS Board meeting will be October 22, 2019
