DSS Social Services Board Meeting

Members Present: Nancy Piner-Co Chair, Corrina Smith, Angelo Midgette, Jennifer Williford

Staff Present: Debbie Green, Director, Danielle Jones- Note Taker

Nancy Piner called the meeting to order.

Board Minutes from October approved.

- Board numbers were presented to board members. This is created each month for board members to have a better understanding of how many clients are served and case sizes per program. FNS has had a increase as well as family and children Medicaid applications. CPS and APS reports numbers have also increased.
- Program updates – CPS- The state is planning a child welfare services Pre – service redesign. With that pre service will be 75% longer than it is currently. The Federal health emergency has been extended 90 days to January 11, 2023. FNS and WF waivers have been extended through the end of Nov. Tailored plans were set to launch Dec. 1st and now have been delayed until April 1, 2023. State plans to do a public service campaign regarding the end of pandemic related this will give the community notices for emergency assistance- text messages, social media, website updates, press releases regarding alternat food resources. Special assistance amounts have increased.
- Personnel: DSS continues to have five vacancies in Medicaid, one at the front desk, one in Child Support, and CPS has a new worker due to start November 28th.

Next DSS Board Meeting Will Be January 24, 2022
