Disclaimer: BIATA Trail Maps are not official DNR maps. They were prepared as an imperfect visual guide for the user and should not be relied upon for complete accuracy. Trails can become overgrown and unrecognizable in many areas. Although BIATA has made every reasonable effort to prepare representative maps, users assume the risk of any errors or inaccuracies.

The 7 Bridges Trail, also called Hannigan's Trail starts at East Side Drive opposite the entrance to Wagner Campground. At the Campground is a beach, water and an outhouse. The trail runs to Hannigan's Road just west of the end of King's Highway. It is called 7 Bridges due to the large number of bridges (now more than seven needed to cross wet areas) and this is a wilderness area. You may encounter impassable wet areas due to seasonal conditions

ALL DISTANCES ARE APPROXIMATE. From the start of the 7 Bridge's trail at D it is 1.7 miles to E, from E to C is 1 mile. And, from B to D around Hannigan's Road it is a further 1.6 miles.

If a complete loop is done using the 7 Bridges Trail, Hannigan's Road and East Side Drive, the total length is 4.3 miles.
