Disclaimer: BIATA Trail Maps are not official DNR maps. They were prepared as an imperfect visual guide for the user and should not be relied upon for complete accuracy. Trails can become overgrown and unrecognizable in many areas. Although BIATA has made every reasonable effort to prepare representative maps, users assume the risk of any errors or inaccuracies.

The Blue Trail, also called the West Lake Trail starts at the intersection of South End Road and Leatherhead's Road just east of the Beaverhead lighthouse. This is a wilderness area. You may encounter impassable wet areas due to seasonal conditions. CAUTION: Note that this Blue Trail map also reflects a spur trail that connects the Blue Trail with Buffalo's Camp Trail at map notation "O". Continue North to link with Doty's Camp Trail.

ALL DISTANCES ARE APPROXIMATE. From the start of the Blue trail at X it is 1.5 miles to U, from U to R is 1 mile. From R to O is a further 1.25 miles

If a complete loop is done using the Blue trail, Buffalo camp trail and East side drive/South End Rd., the total length is 7.5 miles.

There are no facilities for water and cell phone coverage is intermittent. Have plenty of water, bug spray and take paper maps and a compass and or GPS. In case you get lost, a flashlight, waterproof matches, first aid kit, whistle and extra drinking water are suggested
