

Residents Scheduled for Their COVID-19 Vaccination Shot on January 19, 2021

Island residents who have registered with the Health Department of Northwest Michigan and have been scheduled by the HDNR to receive their COVID-19 vaccination shot on Tuesday, January 19th, please comply with the following protocols.

Your COVID-19 vaccine shot will be administered at the BI Rural Health Center;

Park your vehicle in the Health Center's rear parking lot;

Remain in your vehicle until your appointed time;

Proceed to the Health Center's rear entrance at your appointed time and ring the doorbell to be admitted;

Wear a mask and use the hand sanitizer provided;

Have identification with you, such as a driver's license, and have your insurance card available, if applicable.
