To Beaver Island full-time residents, seasonal residents, families, businesses, and visitors:

**Essential Services Document – ‘Stay Home, Stay Safe’**

A summary of current services available on the Island has been developed and posted to the BIESA website. This document will be updated as things change.

**Follow the "Coronavirus 19" Link on either township's homepage [peainetwp.org](http://peainetwp.org) or [stjamestownship.org](http://stjamestownship.org)**

If it were not already clear, everyone traveling to the Island . . . new arrivals, seasonal residents, full-time residents returning to the Island should self-quarantine for 14 days. Please note, however, the townships do not have the authority to prohibit traffic to/from the Island; nor do the townships have the authority to enforce a quarantine.

It is up to individuals and families to keep each other safe and follow the Governor’s Directive to **Stay Home**. The best thing you can do is practice social distancing, personal hygiene and monitor your temperature daily.
