Re: Your Resignation

Dear Adrian,

We are in receipt of your resignation effective September 9, 2024, and accept it with regret.

I want to personally thank you for providing services to the Plymouth Community during your one-year stint here. As a Live-In Student and a Call Department Member your contributions were valuable, you were a good fit within our department, and always treated everyone with respect. While we are sad that you will not be returning, we wish you the best in your endeavors!

Please take care and stay in touch!

Sincerely,

Tom Morrison, Fire Chief
