

## TAKE THIS SHORT SURVEY TO HELP US PROTECT YOUR DRINKING WATER

---

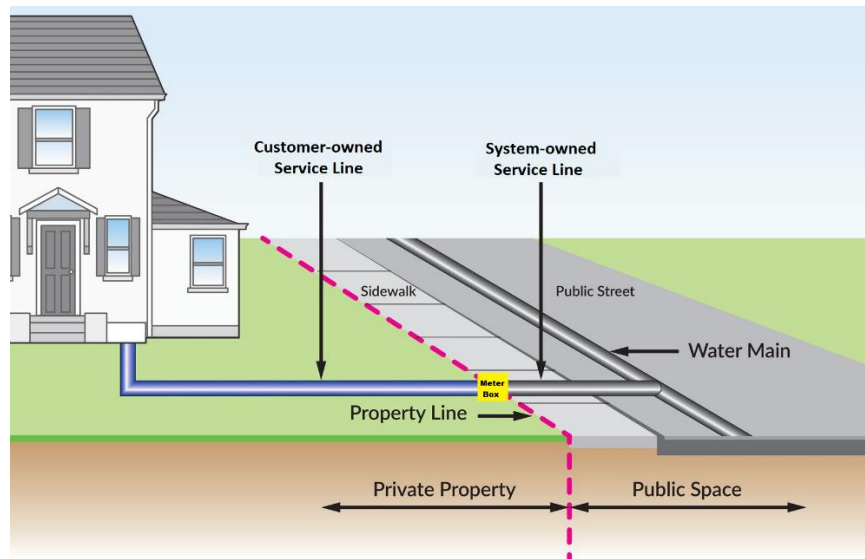

**The Town of Preston** requests your help in completing this important survey to document the material of your water service line from the water meter to just outside your house or business. The Town is asking this information to determine if there are any lead service lines in the resident's service lines and for the completion of a lead service line inventory map mandated by Maryland Dept. of the Environment due by October 2024.

At your convenience, please answer all the questions and submit back with your water sewer payment, and/or take a picture of the survey and email to [prestonmanager@prestonmaryland.us](mailto:prestonmanager@prestonmaryland.us); be sure to include any pictures for verification.

Thank you for your response, if you have questions regarding this survey

PLEASE CALL: Town of Preston 410-673-7929
