

Royalton Cemetery Commission  
Draft Minutes November 9, 2021

Present: John Dumville, Alison Gravel, Jo Levasseur

Called to order at 12:30 pm.

1. Motion to approve minutes of November 2, 2021. Carried.
2. Motion to approve revised rules and regulations to permit green burials. Carried.
3. Other business: Jeff Barcelow, Lister and 911 Coordinator, had suggested the Commission look into placing signs at cemeteries without them, perhaps by budgeting for one per year. The state 911 commission would like to have graveyards labeled with 911 addresses.  
Motion to investigate prices and materials for signs. Carried.

Meeting adjourned: 12:44.

Respectfully submitted, Jo Levasseur, November 9, 2021.
