

Schuylkill Haven Borough

TRASH/RECYCLING BIN REGULATIONS

Residential trash and recycling bins must be removed from sidewalk areas and stored out of street view, within the end of the scheduled pick-up day.

Any resident not removing trash and recycling bins within the end of the scheduled pick-up day shall be in violation, where a penalty or violation shall be anywhere from \$25 to \$200, plus court costs. Default of payment of such fine can result up to imprisonment for not more than 30 days.

Trash and recycling shall not be placed out for pick up before 5p.m. of the preceding day of pick-up.

Garbage Disposal Guidelines

- Garbage shall be drained and stored in durable, rust resisting, non-absorbent, watertight containers, equipped with handles and tight-fitting lids.
- Garbage shall not be allowed to accumulate on any premise.
- No person shall place garbage in any street, alley, or other public place, or upon any private property within the limits of the Borough of Schuylkill Haven unless it is placed in a proper trash or recycle container for collection.
- Large items such as furniture and appliances are limited to one bulk item per month for pick-up.

Garbage Trash Containers

- Must be constructed of rust/corrosion resistant materials.
- Be equipped with tight fitting lids.
- Be constructed in such a manner as to be watertight, leak proof, weatherproof, insect proof and rodent proof.
- Shall not exceed 50 pounds in weight when filled
- Shall not be filled to the point where the lid will not fit or close properly.
- Trash/recycling containers and areas around such shall be kept clean at all times.

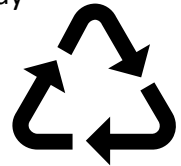

Disposable containers such as polyethylene bags shall be acceptable for storage of refuse provided the following conditions are met:

- Only specifically designed for storage and collection shall be used.
- Bags are protected against precipitation, animal damage and overloading to prevent littering or attracting of vectors.
- Bags hold strength capable of withstanding stresses until they are collected.
- Bag opening is securely closed prior to setting out for collection.
- No more than three bags per dwelling unit are permitted on any scheduled pick-up day.

Recycling Containers

- Shall not be placed out for pick up before 5p.m. of the preceding day of pick-up.
- Must be removed from sidewalk areas and stored out of street view after pick-up within the end of the scheduled pick-up day.
- Trash/rubbish/garbage shall not be placed in nor comingled with recycling.

Thanks for your anticipated cooperation in keeping trash and recycling in Schuylkill Haven our hidden little secret.
