Subsurface Wastewater Team

PRE-TREATMENT MAINTENANCE AGREEMENT

Property Owner: Complete and record this form with your County Registry of Deeds. Then forward a copy of the recorded deed covenant to the municipality's Local Plumbing Inspector.

County Registrar: Please cross-reference this document with book and page no.

Property Owner Statement: I(we), _____ are the
owner(s) of the property located at _____ (street)
_____ (town).

The property's deed is recorded in book no. _____, page no. _____ .

We state that the pre-treatment installation for the aforementioned property received approval by the town of _____ and its officials.

Stipulations of Covenant:

The pre-treatment unit _____ shall be installed and maintained for the duration of this system.
(Specify brand of pre-treatment)

Suspension of the use or replacement of the pretreatment system shall require municipal and Department approval.

Municipal Approval Conditions: This approval has been granted subject to the implementation of the above conditions and said approval will become null and void if the required and stated conditions of approval are violated.
